## Memorial Service

A memorial service for ex-principal Mr Wayne Edgar will be held this Thursday 13<sup>th</sup> February at the Tokomairiro High School hall at 1.45pm  
Everyone is welcome to attend and Mr Edgar's wife and daughter Katrina will be in attendance.

## School-Wide Positive Behaviour for Learning

This week sees the return of the series whereby we get a glimpse into 'classrooms'. The next few weeks will focus more on larger groups than individuals.

In the photo shown students are demonstrating participating and contributing. Senior students are working independently on part of the horticulture garden with the Year 9-10 group just beginning to weed a garden and dig and sort potatoes into the buckets provided.

# TOKOITI SCHOOL

## FUN DAY

### Kia ora kotou

#### Prefects

Providing opportunities for students of all ages, to be part of student led groups, is key to developing student leadership across the school. On Monday our school prefects for 2014 were announced with thirteen prefects being named. Each of these students completed a formal application process last year. Each prefect has the responsibility of leading a committee, comprising of students from across all levels of the school, with a particular area of interest. This is a great opportunity for students to have their ideas heard. You will find the list of the prefects and their roles below. There is still the opportunity for a couple more prefects to be named later this term if students demonstrate the required attributes.

#### SWPB4L

It has been a very positive start to the year and it was great to see so many students gain School Wide Positive Behaviour for Learning Awards in assembly on Friday (SWPB4L). The focus for the week was the beginning of lessons – students being prepared and ready for learning. Two students from each lesson each day were selected to go in the draw for a prize. We will continue with the same focus for this week.

#### Attendance

Research has shown that attendance to class is a key to students reaching their academic potential. It is important that all students are attending school every day. We ask that parents / caregivers / whanau ensure that their children are attending all their lessons. If there is a valid reason for a student to be absent from school, parents are asked to contact the school office first thing in the morning. Please also write a note in the student's log-book for their form-teacher. Thank you for your support in helping us better monitor the student attendance.

#### Log Books

Student log books continue to be the main source of communication between home and school. They are also a valuable learning tool for the students. Please take time to read through the lesson of the week with your child.

### Week 3

This is now the third week we have had students at school and I must say that I have enjoyed every single day I have been at Tokomairiro High School. Thank you to the staff, the pupils and to members of the community who have made me feel so welcome.

**Glenis Sim**

# THS Sports Talk

Term 4

Term 1 Week 3

## Sports Directory

This week every student has been issued with a Sports Directory, which includes options and details of sports that are offered at Tokomairiro High School. If you have not seen this please ask your child to give it to you. The directory holds important contact details and dates of when sporting trips and events are happening and who the teachers who coordinate these sports are, please keep this for reference throughout the year.

## Twilight Netball

The games got off to a great start last Tuesday on a balmy night in Milton at the Turf. Come down, grab a sausage and drink, and support your favourite team. Round two is posted on the Tokomairiro Sports Page along with last week's results and some great action photos (thanks Connie).

## Touch Rugby

We still have a lot of subs for the touch season which are still unpaid. Please send these along to school and if you child is unsure whether they have paid see Mrs Robins at the office.

## Bible Reading for Today

Hebrews 13:5

If God has said, I will never leave you, nor will I ever forsake you.

Welcome back to a great 2014 at Tokoiti School. This year our theme is Treasure. We are also starting on our Enviroschools journey; look for exciting projects coming up as part of this. In the first week, we had the Life Education Bus come to school with Pip and Harold. The students really enjoy the opportunity for the time in the bus and it is a great way to start the year. We are looking forward to the Tokoiti Fun Day; it is going to be a fun filled day with lots of different activities for everyone to take part in. The students are busy getting ready for the upcoming athletics sports day and are training hard.

## Movies @ Milton

Extended opening hours

From next Monday  
(17th February)

We will be open

EVERY day  
3pm - 8pm

70 Union Street, Milton 417 8075

# Milton Kindergarten News

Being Creative at Milton Kindergarten!

Children are being encouraged to be creative by adding to their work to make it bigger, better and more exciting. Sometimes children working on their creativity, need prompting to really extend their learning.

When our children come to their teachers with their artwork, block work or lego building, for praise, we are challenging them by asking: "How can you make your work: bigger, better more exciting?" We are 'raising the bar' for our children, which challenges them to think and build onto their ideas. We are aspiring for our children to 'strive for the best' and not settle for mediocre work or 'ok' work. When a child returns to their work to make it bigger, better and more exciting, they need to concentrate, persevere and be more creative. Their 'reward' is to experience a true sense of accomplishment and praise that has been earned! We have been delighted how creative our children are becoming.

# Senior Citizen's Report

There was a good attendance at Friday's meeting but with the unavailability of the planned guest speaker it prompted a rapid change of programme. Several games of action-packed beetle were played. Following a resounding win by the 'blokes in the corner' in the first game several surrounding teams wondered aloud how the win came about. A spokesman from the top table approached the triumphant quartet and delivered an impressive rendition on 'the rules' of the game. After which everyone settled down for serious retribution – after all there were four lollies at stake! The raffle was won fair and square by Maise Bateman. An exciting, enjoyable afternoon.

## Coming Events

21 February; Mrs McNab from the Catlins Soap Company  
 7 March; Sylvia and Eddie Woodhouse entertain  
 21 March; Finger lunch followed by the Annual General Meeting

"A mistake is simply another way of doing things."

# Recipe for Preserving Children

Take

- 1 large grass field
- 2 small dogs
- Some pebbles and a few flowers
- ½ dozen children
- 1 pinch of brook

Mix children and dogs well together. Put them in the field stirring constantly. Pour the brook over the pebbles. Sprinkle the field with flowers. Spread over all a deep blue sky. Bake in hot sunshine and when well browned, remove to the bath tub.

Written by Robyn Westaway  
 Country Style Cook Book, Lawrence. Women's Hockey Club, year unknown.

# Chance for Clutha Youth to 'Get Dotted'

The Clutha District Youth Council is pleased to be able to offer young people in the district the opportunity for personal empowerment through communicating more effectively, when a well renowned communication seminar comes to the district next month.

'Dots – Telling It Like It Is For Funky Young People' is a three hour communication seminar delivered by highly sought after professional speaker Amy Scott. The seminar gives participants the opportunity to discover why they feel, think and act the way they do; increase their awareness of themselves and of others; and look at life in a positive way.

The Clutha District Youth Council, with funding from the Ministry of Youth Development's Partnership Fund and South Otago Victim Support, has organised three sessions to be held at Telford, A Division of Lincoln University on February 24.

Council's Community Support and Development Advisor Jean Proctor said the content of the seminars was based on the communication phenomenon of 'Dickson's Dots' which teaches people to communicate more effectively with family, friends, teachers, team mates, and essentially anyone else they meet.

"The idea is that when people communicate more effectively, they ultimately become better people," Mrs Proctor said. "Amy Scott has successfully delivered this programme to many communities and organisations throughout New Zealand and beyond. She is an extremely entertaining, engaging and inspiring presenter who is passionate about seeing people reach their potential."

Mrs Proctor said three sessions would be held at Telford, A Division of Lincoln University from 9am to noon, 1pm to 4pm and 7pm to 10pm respectively on February 24. The sessions were targeted at 12 to 24 year olds, however any interested parents, teachers or other people working with young people in the community were also welcome to attend.

Registrations are essential, and forms are available online at [www.cluthadc.govt.nz](http://www.cluthadc.govt.nz), from secondary schools throughout the district, or by contacting Mrs Proctor at the Clutha District Council.

# Thank you

The Lions Club of Milton would like to thank the Milton, Waihola and the surrounding area for their donations to our food bank drive. The donations were given to the local food bank and some have been given out over Christmas. Thanks to; the local high school for their donations of a can for mufti day, Fire Brigade, St Johns, members of the local vintage car club and of course Santa.
