Toko Training - Highlights of Term One

Toko Training has completed Term One on a positive note! We have full enrolments and all staff and trainees are loving our new premises on High Street.
We have had a very busy and productive term. All four courses have been in demand.
We are now recruiting from six secondary schools throughout Otago.

Changes for Genesis!

Welcome to the new look Genesis! There has been plenty happening in the Genesis office in the past few months. Before Christmas, the office got a spruce up as we repurposed a few items from around the school. In January, the renewal of our printing lease meant that we got two new printers which meant going fom just black and white printing, to being able to have a colour option. Unfortunately due to the cost of colour printing, this won't be a weekly occurence.
The programme that I have been using to the create the Genesis is being retired in October 2026, so this has meant a shift to using Canva. Please note - this is a work in progress as I find my way around the huge variety that this offers.

Upcoming Events

Term Two Starts: Monday 20th April
SMART Testing Week:
Monday 20th April to Friday 24th April
Parent Teacher Hui:
Wednesday 6th May (3.15pm to 7.00pm)

Tokomairiro High School Newsletter
15th April 2026

RESPECT WHAKAUTE
RESPONSIBILITY HAEPAPA
EXCELLENCE HIRANGA

Tēnā koutou katoa,

As we head into the second week of the school holidays , I hope this newsletter finds you well. It is hard to believe that we are already halfway through the school break and that the start of Term Two is just around the corner, beginning next Monday, 20th April. We hope that all of our students, staff, and their families are enjoying a relaxing and rejuvenating holiday period, taking time to rest and recharge before the new term begins.

Term One

Term One was a very successful term with lots of celebrations and proud moments. Starting off by welcoming our new cohort into the school. There have been trips, athletics day, swimming sports as well as an Easter Egg hunt and a whole lot of learning. Below are a few of my favourite photos from the term.

Term Two

Term Two promises to be a vibrant and busy period for our school community.
A major highlight will be our full school production of The Addams Family, the first in several years, which will take to the stage at the end of May. Immediately following, our focus will shift to preparing for the annual Cultural Competition, a day that is always a real highlight in our school calendar. The term will also mark the start of our winter sports season and the annual sports exchanges.
Academically, the first week back will be dedicated to SMART Testing Week. A significant focus will be the NCEA Common Assessments in Literacy and Numeracy, which many students will sit in the week commencing May 18th. We encourage all to keep an eye on school communications for specific dates and details.
Please note the Teacher Only Day on Friday, May 29th, coinciding with the King's Birthday public holiday on Monday, June 1st. This will give students an extended four-day weekend.

Parent Teachers Hui

The parent teacher hui will take place on Wednesday, May 6th, from 3:15 pm to 7:00 pm.
This will be an important opportunity for caregivers of Year 7-13 students to meet with their child's class teachers. The primary purpose of this meeting is to discuss student progress so far in 2026, and to collaboratively set goals and put necessary supports in place to meet them for the remainder of the year.
To book an appointment time, please follow the QR code.

Uniform

As the weather is decidedly autumnal, we would like to remind students and whānau about correct uniform expectations. Hoodies are not part of the school uniform and should not be worn at school. There are a number of regulation uniform options available for purchase at NZ Uniforms, and students are also permitted to wear a plain navy or black jacket. We strongly encourage students to wear thermals as the weather gets colder. Thanks to the generosity of KidsCan, we also have some warm jackets available that we can give to students who may need them; please contact the school office if this is an option you would like to explore.

Ngā mihi,
Vicki Wish

SUCCESS PROFILE

L1 **HISTORY**

ENDORSED WITH MERIT

SIX SUCCESS TRAITS THAT REQUIRE ZERO TALENT:

SHOWING UP	BEING ON TIME	BEING PREPARED
I show up. I remember what classes I have, and when I have them. I have high attendance, which makes it so I don't miss anything important in my classes.	It's important to be on time. I manage my time wisely and arrive to classes on time. To help with this, I set my alarm in the morning, and give myself plenty of time to get ready and leave home on time.	I always make sure my laptop is charging before going to sleep and all the equipment I need is ready to go in my bag so I don't have to stress about forgetting anything in the morning.
SHOWING KINDNESS	**FOLLOWING INSTRUCTIONS**	**BEING RESPECTFUL**
I show kindness, I show it through being nice to others and choosing appropriate language for the situation, even if I may be thinking differently.	It seems obvious, but sometimes I can't believe it when someone doesn't do it. I like to follow instructions as the teachers are here to help, and the instructions may also be to keep me safe.	I'm respectful. I treat the teachers with respect, and they respect me back. I respect my peers by giving them the chance to speak, and voicing their opinions, even if I don't agree with them.

Whakaute, Haepapa, Hiranga
Respect, Responsibility, Excellence

Bible Reading for the Week

"This is my blood of the covenant, which is poured out for many for the forgiveness of sins." - Matthew 26:28

Toko Stars - March Celebration!

Each month, we take time to acknowledge students who have shown consistent effort and progress in their learning. Choosing just a few can be difficult, as many of our students demonstrate these qualities every day.

Ka pai to the following students:

Rory Lister, Claire Fuller, Kendra Clark- **Mathematics**
Tyrese Gemmell, Jada-Rose Carr- **The Arts**
Hemi Lambert, Stevie-Leigh Joass, Nate Falwasser- **Science**
Ellie Smith, Shilah Milligan, Franco De Villiers- **English**
Joshua King, Bea Clarke, Dakota Coleman- **Social Sciences**
Sloan Campfens, Bella Mathieson, Ben Woodhead- **Te Kaika Hub**
Ben Scott, Zion Chase, Tristen Pretorius- **Technologies**
Jossel Lacson, Lucas Stevenson, Daiha Coulter-Lawlor - **Vocational Pathways**
Jayden Bennet, Pippa Greene, Cash Scott- **PE & Health**
Millanian Potae, Ramona Kohunui-Paul- **Kapa Haka**
Joelle De Seymour- **Tikanga**

National Certificate of Sport Coaching (Level 3)

Tokomairiro High School offers students the opportunity to complete the National Certificate of Sport Coaching (Level 3) while still at school, a two-year programme delivered in partnership with the Waikato Institute of Leadership and Sport Studies. The course develops key skills in coaching, leadership, self-management, meetings, and injury prevention, giving students a strong foundation for future pathways in sport and beyond. This year, we are proud to have our first group of students nearing completion, with only two topics remaining. A highlight of the programme so far has been Term 1, where students took on the role of teacher and planned and delivered two beginner-level coaching sessions in a sport of their choice, building confidence and real-world coaching experience.

Making a Difference in Your Community

The Hospice Shop in Milton is more than a shop – it helps fund free specialist palliative care services to over 25 Milton patients and their whānau every year, and almost 50 patients across South Otago.

When I first started managing the Hospice Shop I was surprised by just how wide the Otago Community Hospice service is," says shop manager, Wendy Gidney. "They support over 1000 patients and their whānau each year, across Otago. 40% are rural."

For South Otago Hospice patients and whānau, care coordinator and registered nurse Tracey-Lee Fisher is their main point of contact. She oversees their care and coordinates the services they need, when and where they need them – which for many families is at home.

"We're fortunate that we can give the time to allow people to talk," says Tracy-Lee, "time to have the difficult conversations, time to answer challenging questions, and find out what they need, and what they want."

Otago Community Hospice specialist doctor, Chris Hopkins, works with Tracey-Lee, visiting patients in their homes and helping manage symptoms/pain and plan for the future.

Tracey-lee and Chris work closely with local health providers, including rural hospitals, GPs, and district nurses, to ensure South Otago people have access to the best palliative care possible – no matter where they live.

"The money raised in the shop goes to supporting that goal," says Wendy. "We extend our heartfelt thanks to those who donate to, or shop at the Hospice Shop, as well as to our dedicated shop volunteers who give their time so generously,"

"You are helping us make a difference in your community."

Otago Community Hospice is partially funding by the Government with the balance raised in the community. This year we need to raise $3 million.

Teenagers - A poem by Shilah Millagan, Year 11

The life of a teenager is always pushed to the side of them being in a certain “phase” of life.
“Teenagers know something that kids don’t know and adults forget”
Being a teenager is being asked to wake up at 7am and put your best foot forward constantly.
Being a teenager is being told what you could do better and not what you did well.
Being a teenager is being filled with emotions you don't know how to express.
Being a teenager is filled with constant learning.
Being a teenager is having to make mistakes and then learn from them.
Being a teenager is having to watch your childhood slowly chip away.
Being a teenager is filled with regret, love, anger, sadness, too many emotions to deal with at once.
Being a teenager is constantly trying to fit in to be “normal” when no one is normal.
Being a teenager is trying to figure out your future while forgetting your past.
Being a teenager is not simple. It's not like in the movies, where your days are filled with love and laughter. Love and laughter is a privilege to have in your teenage years.
By thirteen, you finally become a teenager you're filled with happiness and enjoyment.
Fourteen, you need to be popular, you need to be cool, you have to fit in.
Fifteen, you've been dragged into a place of self-doubt, insecurity, uncertainty.
Sixteen, you get into the driver's seat as you start to realize how quickly life is changing.
Seventeen, you're figuring out who you want to be, what you want to do.
Eighteen, you realize how quickly your teenage years have flown by and you wonder how silly of you to be so naive at thirteen.
It's hard to do anything as a teenager when you're told to act like an adult but then be treated like a child.

Year 9 & 10 Māori - Term One

Our year 9 and 10 tikanga Māori class have been learning about the significance of the wharenui and its importance within te ao Māori. Students have explored the different parts of the wharenui and their meanings, including how the structure represents the body of
Students have engaged in practical and collaborative tasks, including identifying and matching the different parts of the wharenui, discussing their meanings, and applying their knowledge through creating their own wharenui. It has been great to see students building confidence in their understanding of tikanga Māori and making meaningful connections to their learning.

Milton Primary School Community Newsletter

Our Learning - Term 1 2026

Welcome

We are thrilled to have expanded our school team this term! A big Milton Primary welcome to our new teachers—Hayley, Jess, and Nalita—who have already made a wonderful impact in our classrooms. We are also incredibly fortunate to introduce Pania, our new Social Worker. We're excited to have their energy and expertise supporting our tamariki.

Enrol with us!

Would you like your child to be part of our school community? We offer a highly engaging curriculum, vibrant classrooms, enthusiastic staff as well as free camps, trips and stationery.

Please make contact with us via office@milton.school.nz or 03-4178720

Whānau Picnic

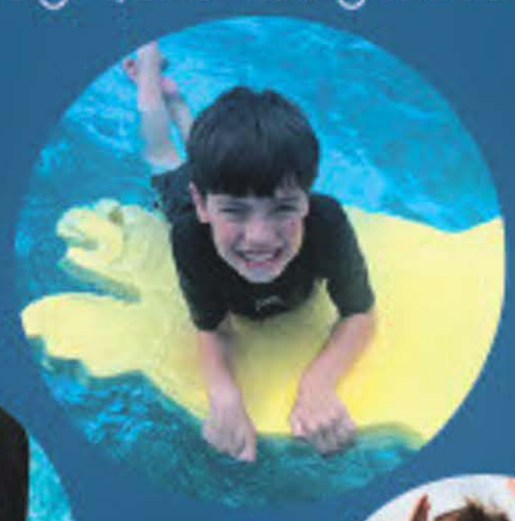
Our Whānau Picnic provided the perfect opportunity for families to meet their child's teacher and to catch up with other local households. From the games on the field to the shared kai, it was a beautiful showcase of our school spirit in action. Thank you to everyone who came along and made it such a success!

Visiting Performer

Visiting performers are a great way to spark engagement and bring learning to life. Our tamariki enjoyed a magic show that focused on the importance of healthy eating. We were also able to welcome four-year-olds from our local ECE centres and Kindergarten. Inviting our future students to join these whole-school events is a key part of our commitment to smooth and happy school transitions.

Sports & Physical Education

Term 1 at Milton Primary has included a lot of outdoor action. Our tamariki have dived into swimming, given their all at the Milton Schools Athletics Day, and developed relationships during our weekly Whānau sports rotations. It's been wonderful to see our students pushing their limits, showing true grit, and having a blast in the sun!



Community Spirit

A highlight this term was heading out to cheer on one of our very own Milton Primary parents! As he walked the length of New Zealand for an incredible cause, our students lined the park fences to cheer him on. It was a powerful, real-life lesson for our tamariki, showing them exactly what can be achieved with a strong goal and plenty of determination.

Adventure Week

Our Year 4–6 students truly stepped outside their comfort zones during this term's Adventure Week! Our Year 5 and 6 tamariki travelled to Invercargill for a variety of activites, followed by two days of high-energy challenges at Camp Columba, including abseiling, high ropes, and raft building. Another standout moment for our seniors was the walk to Waihola, where many students pushed themselves to reach a brand-new personal goal. It was a week defined by courage, new friendships, and the discovery of what our tamariki can achieve when they give it their all.

Transition to School!

Positive transitions from Early Childhood Education to Primary School are a top priority at Milton Primary. To help our future students feel at home, we offer:

- Regular School Visits: Building early connections with teachers and peers.
- Open Classroom Afternoons: Held twice a term for children aged 4+.

We invite all local families to reach out for more information on how we support your child's journey into school life.

News from the Trenches

Just like that, the weeks are flying past with plenty of action at the moment at RSA. Congratulations to Greg Manson who was the person who struck the Joker on Friday. Fantastic effort that.
You will have noticed the crosses have been laid out at the Cenotaph in preparation for Anzac Day. Thank you to Nick, Bryan and Greg for putting in the hard work. Would have been nice for more volunteers to assist.
Coming up this Friday, look out for our volunteers for Poppy Day at the usual places around town. Have a yarn, and grab your poppy.
.Our AGM is not too far away and the nomination book is now open. So if you are willing to contribute with ideas, feel free to do so.
Our Super Sports Comp scores will now be covered up and any future scores will be held under lock and key and will be revealed for our Prize Giving. At present Casey with a K holds a lead but there is a large pack of entrants waiting for him to slip up, especially those who haven't played their Joker yet.

Genesis Deadline - 12 noon Monday

Toko Rugby Club Report

You might have already noticed that the 2026 Club Rugby season has kicked off. Toko Premiers have already had 2 games with narrow losses against West Taieri and Owaka on Saturday. This season sees a lot of young new players commencing their Toko journey, while they may lack experience, they more than make up for it in exuberance and enthusiasm. Based on the first two games, they play an exciting brand of rugby which is great to watch. Come along to support the boys as we had a large raucous crowd for our first home game which gives the boys confidence. This coming Saturday Toko Premiers travel to Clydevale to take on Valley in a difficult match. Their first victory is just around the corner.
Also this Saturday morning at home there will be an invasion of talented kids as Toko Junior 7 A Side Tournament is being hosted. Come along to watch future All Black and Black Ferns strut their skills in an action packed morning. This is the ideal scenario to launch the 2026 Junior Season. It's great to have Club Rugby back. I'm excited and I hope you are.
If any rugby players or supporters are available on Anzac Day for road control, contact the RSA. All volunteers greatly appreciated

Rebus Club of Milton

An entertaining time was enjoyed by members listening to Roger Leslie from Owaka. As a young boy he learned about A.H.Reed who walked from North Cape to Bluff and was inspired to do the same but in reverse.
An old ambulance turned into a campervan served as the vehicle that Joy, his wife, would drive as they made their way north. This journey was to raise money for the Able Charitable Trust which supports those suffering with mental problems and their families.
The first day was a walk from Bluff to Invercargill, then each day another
6 am to 6 pm onward. On reaching Dunedin the blisters had started and had to be dealt to for the rest of the journey. (Advice given to him was to smell his shoes each night and he would be able to tell if help was needed for an infection!) Roger called in to schools on the way to talk to children and explain what he was doing. Problems encountered were the van having issues, drivers who were using their cell phones and not watching the road, lockdowns due to Covid, marauding dogs and stupid people. With determination and a sense of humour he survived them all, well supported by Joy who cared for his nutritional needs along the way. In the cities there was always someone to share the walk with him.
Joy joined Roger to sing a song they had written to tell the tale of her journey; a fitting conclusion to his talk.
Roger was thanked by Lex Adam and given a gift.
The next meeting is on Tuesday April 21 at 10 am in the RSA hall. The speaker is Craig McKay who will talk about his time working in the forestry. Committee members please meet at 9.30 am.
