What is it like to host an International Student?

Sam and Joe Taupo and family have hosted many students over the years, including a student from Yasuda Gakeun, Tokyo last year. This is what Sam has to say:
'Hosting an international student is a truly rewarding experience that brings a fresh perspective into your home. It's fun because you get to learn about a new culture and hear stories from another part of the world. It's also great for children, helping them build understanding, empathy, and confidence as they connect with someone from a different background. At the same time, you're creating a meaningful bond and helping someone feel welcome and supported in a new country. '
If you are interested in hosting, see the adjoining advertisement for details.

Host Families Wanted: Short-Term Cultural Exchange

Tokomairiro High School is seeking hosts for visiting students from Yasuda High School, Tokyo this August.
This is a fantastic opportunity for your family to experience a new culture right from your living room!
The Details:

- Duration: 13-night stays.
- Timing: Early August (2 Females), & Mid-August (2 males).
- Requirement: Students must have their own room.

Help us give these students an unforgettable Kiwi experience!
Interested?
Please contact the School Office at 417 8620.

Upcoming Events

Parent Teacher Hui:
Wednesday 6th May (3.15pm to 7.00pm)

Tokomairiro High School Newsletter
6th May 2026

RESPECT WHAKAUTE
RESPONSIBILITY HAEPAPA
EXCELLENCE HIRANGA

Tēnā koutou katoa,

As we head into Week Three of the term, the school is busy and full of activity, with students engaged in a wide range of opportunities. With winter sports about to get underway, teams are now being finalised and preparations are well underway. A reminder that all students involved in winter sports will need to return their signed Code of Conduct forms before they can play.

Cross Country

Last week, we were fortunate to have a beautiful, sunny afternoon for our annual Cross Country event. It was great to see such strong participation, with students giving things a go and supporting one another across the course.

Events like this are an important part of school life—they build resilience, encourage participation, and create a sense of belonging.

Congratulations to our age group winners.

Year 13 Tertiary Open Day

On Monday, many of our Year 13 students attended the Otago University and Polytechnic Open Days. Since their return, I have spoken with many of them and was delighted by their enthusiasm. Our seniors are coming back with clear ideas of what they plan to apply for and a real sense of excitement for what next year holds. It is a pleasure to see them beginning to navigate their next steps with such confidence.

NCEA Common Assessments

For students to attain any NCEA qualification, they must meet literacy and numeracy co-requisites. Most students achieve this through Common Assessment Activities (CAAs) in Reading, Writing, and Numeracy.

- Next Assessment Window: Week 5 (18th May – 22nd May).
- Who Sits Them: Primarily Year 10 and 11 students, though teachers will advise individual students on their readiness.
- Format: These are not strictly timed but must be completed in one sitting (usually around 60 minutes).

Attendance

Attendance continues to be a key focus for us, alongside schools across the motu. At assembly this week, we recognised our highest attenders from Term One. Typically, this includes the top 15% of students—those with attendance between 95% and 100%. This term, however, the standard was even higher, with students in this group achieving 99–100% attendance.

We also saw a significant shift overall, with 45% of our students reaching 95% attendance or above. This is an excellent result and reflects the importance our students and whānau are placing on being present and engaged in learning.

Turf Update

If you have been along Elizabeth Street recently, you may have noticed that our court area is now surrounded by temporary fencing. This marks the beginning of the next stage of our turf project. Our container is currently en route and installation despite being a little later than planned will begin shortly, following some necessary repairs to the existing asphalt.

This area is now out of bounds to students during the school day and we ask that it is not accessed outside of school hours. I would also like to acknowledge Kennards Hire, who have generously supported us by providing the temporary fencing at a significantly reduced cost through our connection with KidsCan.

Uniform

As the weather turns colder, we are reminding everyone about our uniform policy and appreciate your support in ensuring students are wearing the correct items.

Key Uniform Reminders:

- **Outerwear**: Students must wear regulation uniform items from NZ Uniforms, or a plain navy or black jacket. Hoodies are not permitted as part of the school uniform.
- **Footwear:** All shoes must be black.
- **Warmth:** We encourage students to wear thermals under their uniform during the colder months.

Thanks to KidsCan, we have warm jackets available for students who need them. Please contact the school office if this assistance would be helpful for your child.

If a student needs to wear non-regulation uniform for a short period of time please contact their Dean or Housegroup Teacher so a uniform pass can be issued.

Students Experience Tertiary Open Day

On Monday 4th May, we took students to the Otago Polytechnic and University of Otago tertiary open days, where they explored a wide range of study options and pathways.

They engaged with different departments, asked thoughtful questions, and gained valuable insights to help inform their planning for next year.

We also connected with former Tokomairiro students, and it was clear to see the positive impact our kura has had in shaping confident, capable young people.

This week continues that focus on future pathways, with the Southern Institute of Technology (SIT) visiting on Wednesday as we keep working to support smooth transitions into further study or employment, ensuring long-term success for our students.

THOMAS LEE

SUCCESS PROFILE

L1 SCIENCE

ENDORSED WITH MERIT

SIX SUCCESS TRAITS THAT REQUIRE ZERO TALENT:

MAINTAINING HIGH ENERGY LEVELS

I look after my energy, keep my head down, and take it day by day. I'm 16, not chasing shortcuts, just putting in the work to build my own path.

MAINTAINING POSITIVE BODY LANGUAGE

I stay relaxed and approachable, making people feel comfortable around me. I listen, smile when it feels right, and keep things thoughtful. Just the little things like holding doors or looking out for others.

BEING COACHABLE

I'm coachable because I listen, take feedback seriously, and actually apply it. I don't take correction personally. I use it to get better. That mindset helps me improve faster, avoid repeating mistakes, and keep growing, which sets me up for success in school and my future.

MAINTAINING A POSITIVE ATTITUDE

I maintain a positive attitude by not letting small setbacks throw me off. I understand that challenges are part of growth, so I choose to stay optimistic and keep moving forward. That mindset helps me stay consistent, motivated, and ready to improve.

PUTTING IN THE EFFORT

I show up, stay disciplined, and push myself even when it's hard because I know what I'm working toward. I'm not chasing perfection. I'm building consistency. Every challenge, every assessment, and every setback is just part of the process of becoming the person I strive to be.

BEING PASSIONATE AND ENTHUSIASTIC

I like to bring passion and enthusiasm into what I do by showing interest and giving 100% effort. I don't just show up I engage, ask questions, and take pride in improving. That energy helps me stand out and keeps me motivated to keep growing.

Whakaute, Haepapa, Hiranga
Respect, Responsibility, Excellence

Bible Reading for the Week

For the word of the Lord is right and true; he is faithful in all he does. - **Psalm 33:4**

Sporting Chance - Overcoming Barriers to Playing Sport

Sporting Chance is a Sport Otago grant that provides financial assistance to children from disadvantaged circumstances to help them take part in sport. It funds participation and will assist with a contribution to the basic costs of playing a sport. Sporting Chance makes grants for the cost of club or school fees for playing sport.
Please contact Kim-Guidance Counsellor via email kim@tokohigh.school.nz by May 10th if you would like more information or support to access this funding.

Waihola/ Clarendon Women's Institute Report

We held our AGM in March with a good attendance. The Annual Report showed we sadly lost two loyal members in 2025. Members also attended the celebrations of the South Otago Federation being 90 years, plus Mid Otago Federation also celebrated their 90th, both in November of 2025. Three members have received awards - J McKenzie for 40 years with WI and J Menzies has had 30 years with WI, and R Kardos received a 40th year award.

We did not have a speaker at the March meeting but have compiled a list of possible speakers for our 2026 programme. Our April meeting had the Theme of Anzac Day. Members supplied Anzac Biscuits for the Milton RSA, coloured in a poppy picture and each member told of an Anzac memory. Each memory was different . There was a full attendance at this meeting. Our May meeting will be a visit to the Grange where we will view a movie, have lunch in their cafe followed by a meeting. Cars to leave Waihola from the Hall at 10.30.

Toko Rugby Club Report

Blimming duck shooting meaning Junior Footy games played during the week while Toko Premiers grabbed their torches to travel to Clinton on Thursday night to continue to build on their good form.

Toko started off powerfully looking at dominance with the forward pack proving hard to contain with bullocking running onto the advantage line. This platform lead to a strong 31-0 halftime score. Previous times may have let Clinton back into the match but the 2026 team kept their foot on the throat and ended up with a convincing 59-5 Toko victory. For Toko, the Ferguson boys scored 2 tries each while Jared Hayes kept getting plenty of goal kicking practice. Next up is a huge battle vs Crescent at Kaitangata for the Eddie Scott Memorial on Sarturday which both teams want to win - after some recent struggles, Crescent will be waiting in ambush for Toko. Let's get plenty of Toko support!

I've been doing Junior Footy Teams reports and the standard has been fantastic. It would seem Keegan Ferguson has been the top try scorer so far but it's come to my attention a member of Toko U13s scored 7 tries vs Clutha last week. -*The Judge*

News from the Trenches

Boom boom boom!!! If you haven't realized by now, it's Duck shooting season, which tends to excite a lot of RSA members as one of the most anticipated weekends of the year. I understand that there may be members who even sleep with their gun close at hand, such is the affection. Judging by the amount of bangs over the weekend it seems as if the local duck population has taken a bit of a hit.

As a result we had a large crowd of hunters revelling in tales of marksmanship akin to a Sniper for our annual Duck Weigh In which was held on Sunday. The Aussie Invader took out the inaugural Tony McElrea shield for the biggest duck combo which was a special moment. Not too many tales of embarrassment or incidents which was a relief. However one hunter learned not to take someone shooting who may suffer from ADHD. Apparently this person couldn't sit still or stop talking which prevents shooter from calling in Ducks to land. I understand that it has been a hugely successful time

By the time you have read this we would have had our AGM last night with the 2026 Executive Committee now on board continuing the work for the upcoming year

Just letting you know due to manoeuvres there won't be a Private Spike report next week which will be a relief for a lot of people. So try not to get into mischief or else it will have to wait a fortnight. - *Private Spike*

Grow Your Leadership Potential.

Ready to take your next step, personally, professionally, or in your community, with support along the way?

The Bruce Stewart Leadership Programme provides funding assistance for learning and development that builds confidence, skills, and the ability to make a positive impact. While the programme has a strong leadership focus, leadership can take many forms and looks different at every stage of life.

Applications are now open to past and present residents of the Tokomairiro region.
