## South Island Touch Champs 2014

The South Island Champs were a goal for the Senior Mixed Touch Team since the start of the season. After a close 3rd place in the Otago Champs, we had a tense wait to see if we could pick up a wildcard to the Tournament as usually, only 2 Otago teams qualify. Then during a Period 5 Year 13 PE lesson, the news came through that we had made it and the cheers could be heard throughout the whole school.

The coaches Aaron Corkhill and Brian Buschl took a squad of 16 up to Christchurch, including the young pups Dylan Lee and Sam Brown, with an eye to the future. The team was full of excitement as we departed school early Friday morning, ahead of a long trip north to Christchurch. When we arrived at the motel the

team was rather impressed with the accommodation with the boys in a 'lad pad' and the girls with a spa pool in their rooms, it was perfect.

Saturday saw the first day of the tournament, with a gruelling challenge of five games, each 30 minutes long with only a 40-minute break between games. The team was 'fizzing' about the opening game and were ready to show everyone that they would be no pushovers. As the first game commenced, the team started sluggishly and took a while to find their groove. When they did play to their strengths they cut through the Ellesmere team with ease. Final score Toko 8, Ellesmere 6. The second game of the day was against Kaiapoi High. The team started the game with much more confidence and accuracy, working on what we had discussed as a team after the first game. With 'yards' being hit with more purpose, Kaiapoi found it very difficult to defend our sets. With the game in the bag, it was a great opportunity for the whole team to have a run and see the pace of the game. Final score Toko 10, Kaiapoi 7. Game 3 was against Queen Charlotte College, the Tasman champions. Traditionally game 3 is our strongest game, today was no exception! This was one of the quickest, hardest and most intense games that any of our players had played. With the score 4-3 in our favour with only seconds remaining QCC got an elusive break away and scored to tie the game at 4 all. A truly amazing game and a one that every player is bound to remember. Our final game for the day was against St Andrews, which we lost 3-1. A combination of determination and great tactics placed the team third in their pool.

Feeling refreshed for day two, 3 more games were played to establish the final placing's. It was not to be Toko's day, against tougher competition they went down first to Kaikorai Valley 3-6, then Rangiora with a score of 6-4. With a final win for the day against St Kelvins who they dominated winning 9-4. Tokomairiro Senior Mixed A secured a 7th placing in the South Island Touch Champs. A fantastic result for the team and just reward for the sheer determination and great commitment shown by all players and coaches.

## SWPB4L

(Schoolwide Positive Behaviour For Learning)

This is the third year of sharing photographs of students busy in their classrooms. This week we have a blast from the past for you. Pictured are two students, Reuben Wilson and Sam Brown, now in year 9, but then in year 7. It is the end of the year and Christmas baking is underway.

# Tokomairiro High School Newsletter ...

## FROM THE PRINCIPAL'S DESK

### Kia ora kotou

The end of term is almost upon us. It has been a long, very busy term, with a large number of school activities occurring, and we are all very much looking forward to a break.

### Kepler Tramp

As I write this, the year 12 tramping group is out on the Kepler Track. We hope they are having some good weather and enjoying the wonderful scenery Fiordland has to offer.

### Sports Exchange

On Wednesday this week is the annual term one exchange with East Otago High School. This is held in the Edgar Centre in Dunedin and there is lots of great competition between the two schools.

### Assembly

Our focus in assembly this week was on the values of Integrity and Fairness. Integrity – being honest in our relationships with others and being honest with ourselves. Fairness – being fair as we relate to others and being considerate of other people's needs. Together we read the story "How Full is Your Bucket?" This focuses on how our attitude to those around us, and how we view what is happening to us, affects our relationship with others. In return, our relationships with others are really important in how successful we feel. Michael Tuari, from our Health Committee, then read a story about a student whose life was completely turned around due to another student helping him.

We encourage all our students to be aware of the needs of those around them and to support them in whatever way they can.

### Log Book Lesson

Having a team around you is an important part of a student's progress through school. Peers, teachers and whanau all make up that team. The relationships students build with their teachers is critical to their attitude to, and progress through, their studies. This week's log book lesson has some wonderful messages about the importance of building those positive relationships. Take time to read through this week's log book lesson with your child.

### Lip Sync

A special thank you must go to two of our teachers, Mrs Gowing and Mr Raynor, and all the students who took part in Lip Sync this term. The finale was the wonderful concert they presented on Tuesday evening. There is a great bunch of performers amongst our students (not to mention the talented staff!).

### Last Day Term 1

Thursday this week will be a very special day with an assembly in the morning to commemorate ANZAC Day. Two special guests from the RSA will join us for that assembly.

Later in the day we will have our final end-of-term assembly where we will celebrate all the wonderful things that have happened in our school this term.

### Term 2

Term 2 begins on Monday 5 May and winter uniform applies. It is important that all students make sure they have their uniform sorted during the break. Page G in the student logbook clearly lays out the uniform requirements.

### Thank You

Finally, I would like to express my sincere thanks to the students, the staff, the Board of Trustees and the wider school community for making me feel so welcome at Tokomairiro High School. I have thoroughly enjoyed my first term at the school and am very proud to be the Principal of Tokomairiro High School. It is an honour to work in this school.

**Nga mihi**  
**Glenis Sim**  
**Principal**

## JUST THE JOB

If there is one programme you'd like your children to watch, it is probably this one.

Just the Job returns for its ninth series on Saturday 19<sup>th</sup> April, on TV2 at 9.30am, for 10 consecutive weeks. (Just the Job videos can also be viewed on line at [www.justthejob.co.nz](http://www.justthejob.co.nz))

'Just the Job' is the inspirational career profiling series that has showcased over 250 careers to date. In easily digestible seven minute fun stories, viewers are taken on a voyage of discovery as students probe a huge variety of work opportunities; from Jockey to Doctor, from Farm Manager to Electrician, from Vet to Navy Frigate Captain.

Series nine profiles a great range of careers starting with officer entry careers in the New Zealand Defence Force to a career as a Fitness Trainer to working in the Thoroughbred Racing Industry. A career as a personal fitness trainer has been a career that there has been a great demand to profile and this is just one of the 30 careers to be featured in the upcoming series.

## COMING EVENTS

## Milton Kindergarten

What a great term we have had 'Challenging Ourselves'.

As the first term comes to an end, we look back at our terms group planning of 'Challenging Ourselves' and see how it has made a positive impact on the children's learning. We have noticed that the children have been challenging themselves in all areas of the Kindergarten programme. We now see children having increased concentration as they finish their work,

rather than walking away when it gets too hard. They are taking both physical and social risks within their play, to take them outside their comfort zone. The creativity we have been seeing in the art area and block corner has been outstanding, as the children continue to make their work bigger and better. The children have been persevering at their learning, where giving up is not an option. By working on all these dispositions the children have been building up their confidence to take on challenges that they previously had walked away from. We are very proud of our children at Milton Kindy.

We wish our families and the community a very happy Easter. Term 2 will begin on Monday 5th May. We look forward to seeing everyone then and new enrolments are always welcome.

## New Chief Executive Announced

Mayor Bryan Cadogan confirmed that the Clutha District Council has appointed Mr Steven Hill as its new Chief Executive. In announcing the appointment, Mayor Cadogan said he was delighted that Council's recruitment process had attracted a number of high calibre candidates, resulting in Mr Hill's appointment.

Mr Hill is currently the Group Manager for Customer Services at Western Bay of Plenty District Council, based in Tauranga. He will start at the Clutha District Council on 9 June. "Steven's enthusiasm, intellect and vast experience augur well for the Clutha District's future," said Mr Cadogan.

In paying tribute to Councillors' involvement in the process, Mayor Cadogan said, "While media often focuses on meeting attendances to determine Councillors commitment, it is processes such as this that shows me the unflinching dedication that Councillors give to their community and I am especially proud of the effort that they gave to make the recruitment process such a success."

Mr Cadogan also thanked Council's staff for their patience during the recruitment process and made special thanks to the Acting Chief Executive Alan Dickson for his contribution during this interim period. Mr Dickson will continue as Acting CE until Mr Hill commences his role.

The Mayor extended a warm welcome to Mr Hill and his wife Lana for their move to Clutha and said he wished them all the best for their involvement with Council and our community.

## Poppy Day Appeal April 2014

Our annual Poppy Appeal is the RSA's major fundraising campaign allowing us to continue the work that means so much to the veterans and their families who require assistance from the RSA.

Recipients need not be members of an RSA to benefit from Poppy Day Appeal assistance, but must be veterans or their dependants in need.

Donations made to the Poppy Day Appeal are used to support RSA welfare services for veterans in the locality in which the funds are raised — it is a local appeal conducted nationwide.

Donation boxes are distributed around most of the businesses in the district and the street appeal is on the 17<sup>th</sup> April.

**Isobel Mason**  
Welfare Officer

## Waihola District School

### Waihola, the Prize Winning School

Emma, Sport Otago, awards Waihola School the \$300 prize for our high level participation in Walk 'n' Wheel week. Thanks Sport Otago! The big prize was won for having 80% of the school walking 'n' wheeling on the day. Now the school looks forward to spending their \$300 voucher on some new sports equipment.

# Milton Information Centre

April is a very special time of year when we commemorate the brave soldiers involved in Wartime battles. We acknowledge the Servicemen with pride and gratitude.

There is a display of memorabilia including the hand stitched quilts - red on white fabric- worked on by those at home while the menfolk were enduring many hardships. After the ANZAC display there will be crafts and toys by Pam and Alistair Wells.

The Historical Society members are very grateful to the local Rotary for a Grant of \$1500 received which has enabled the purchase of a Past Perfect software program and computer, which means cataloguing of the collections can begin soon. The Otago Community Trust has given \$500 and National Services Te Paerangi are supporting us with \$1000 with a Helping Hands Grant. Items are photographed, detailed descriptions and relevant information added making it much easier for accessing data and sharing information. Many hours will be involved in the years ahead but this is very essential in preserving our local history for generations to come.

A fantastic Book Sale was held last Sunday. The tables were laden with a huge assortment of books, puzzles, music etc. Thank you to everyone who made this possible. Donations of books, time spent sorting, displaying and cleaning up by the volunteers - splendid effort everyone! Many of the travelling public supported us and locals too. The children had great pleasure choosing themselves a story. Congratulations to the raffle winners also. Results will be advised soon. Enjoy your reading and we look forward to providing another great sale next year.

## Bowls Report

Last Thursday was the opening snowball for the start of this season for Indoor Bowls. There were eight teams that took part, which were two teams of fours and six of triples.

The winners for the night were Maureen Little, Lynne Copland and Colin Gosden, with three wins and a draw.

Second were Alan Philip, Helen Lyon, Lois Henderson and Greta Jenkins with three wins and a loss. Congratulations to you all.

If anyone is interested in having a go at Indoor Bowls, coming up is Social League starting on Friday 2<sup>nd</sup> May. If you wish to have a game please contact either Denise Lockhart or Mollie Tiffany who will be taking entries. This will run for three Friday nights.

Dates for your Diaries:

Thursday May 1 – Snowball 7.30pm  
Friday May 2 – Social League 7.30pm  
Friday 9 May – Social League 7.30pm,  
See ya all on the mats - "KITTY"

### Bible Reading for Today

2 Timothy 1:7

For God did not give us a spirit of timidity, but a spirit of power, of love and of self-discipline.

# Citizen's Advice Bureau

The Citizen's Advice Bureau Dunedin now has a weekly Outreach Service, at the Mosgiel Library every Wednesday 11.30am to 1.30pm. They will provide the usual range of services, including Consumer Advice, passport and rates rebate application forms, a range of information brochures and other helpful advice. A Justice of the Peace will be present.

For further information ring 0800 367 222.

## Milton Playcentre

Milton Playcentre would like to thank those who supported our term 1 topic of "Our Community". The children thoroughly enjoyed our walks around town to SuperValue, the Post Office and our local Library and we were lucky enough to enjoy a visit to the Milton Fire Brigade where Nathan and Alan Tapp took time to show us around. Malcom and Annette visited us from Milton St John's Ambulance and the children loved seeing and sitting inside the ambulance.

We are open Mondays and Thursdays from 8.45-11.45am and with few spaces left on both days we encourage new families to contact us soon if they would like to enrol. We are closed for the school holidays.

## Rugby Report

Toko started well putting Clinton under pressure early in the game with a good try in the first two minutes to Dylan Mathieson. Tries also to Blaze Grant and Antonio Ralulu saw us up 21 to 13 points at half time. Then penalties let Clinton back into the game and we saw them come very close to taking the game, with the final score being 26/25. This was a close win for Toko. Taylor Moeahu kicked well with three out of four conversions going over. Forwards to stand out were Tim Howie and Kieran Calteaux with strong defence.

It was a good all-round effort from the backs with Antonio Ralulu standing out with his strong running and high work rate. There is a week off to recover and our next game is at home against Crescent on Saturday 26 April.

The Bs also play Crescent at home on the 26<sup>th</sup>, so have a great Easter and join us then for an afternoon of rugby.
