## The Addams Family

Last Wednesday evening our school hall was packed to capacity as students, whānau, staff, and community members gathered to enjoy *The Addams Family.*

After months of rehearsals, countless hours of preparation, and an enormous amount of dedication, our students delivered a performance that was funny, entertaining, and incredibly professional. The talent on display was outstanding, both on stage and behind the scenes.

Productions like this don't happen without a huge team effort. Sincere thanks goes to the staff who devoted evenings, weekends, and holidays to rehearsals and preparation, the students who committed themselves so fully to the show, and the families who opened their homes for extra rehearsals and spent many hours transporting students to and from practices.

School productions create memories that last a lifetime, and everyone involved should be immensely proud of what they achieved.

## Upcoming Events

# 3rd June 2026

RESPECT WHAKAUTE
RESPONSIBILITY HAEPAPA
EXCELLENCE HIRANGA

Tēnā koutou katoa,
I hope everyone enjoyed the King's Birthday long weekend and had the opportunity to spend some time with family and friends. As we move into the second half of the term, there is a real sense of excitement around the school. One major event has just finished, another is beginning, and our students continue to embrace every opportunity that comes their way.

**Year 9 and 10 Camp**
This week our Year 9 and 10 students are heading to Te Anau for a four-day camp.
This is the first time we have taken students to Te Anau, and they have an action-packed programme ahead of them. Activities include tramping, kayaking, swimming, team-building challenges, and a range of outdoor adventures designed to build confidence, resilience, and friendships.
School camps are often among the highlights of a student's time at school, and I have no doubt that our students will return with plenty of stories to tell. We wish them a fantastic week and look forward to hearing about their experiences when they return.

**Teacher Only Day**
On Friday, staff spent the day at Te Nohoaka o Tukiauau / Sinclair Wetlands, taking part in a rich learning experience centred on local history, culture, and the stories of the whenua.
We were fortunate to enjoy beautiful weather throughout the day as we explored the area and listened to the kōrero associated with this special place. Experiences like this help strengthen our understanding of the unique environment in which we live and teach.

One of the most exciting outcomes of the day was the number of ideas generated by staff about how we can incorporate this local context into teaching and learning programmes across the school. We are fortunate to have such a significant educational resource right on our doorstep.

**Cultural Competition**
With the production now complete, our attention turns to one of the great traditions of Tokomairiro High School, Cultural Competition.
This is always one of the highlights of the school year. It is a day that brings together school spirit, teamwork, performance, and house pride in a way that few other events can.
Practices begin this week, and students will be working hard to prepare their haka and waiata. As a result, our regular weekly assemblies will pause for the remainder of the term to allow houses additional practice time.
The competition itself may still be a few weeks away, but the excitement is already building.

**Recognition Badges**
Recognition Badge nomination forms are now available from the school office.
Students are able to nominate themselves for Bronze, Silver, Gold, or Platinum badges across Sport, Culture, and Service. These awards continue to be a wonderful way to celebrate the many different ways our students contribute to school life and the wider community.
This is now the third year of the programme, and it has been pleasing to see the number of students striving towards these recognitions continue to grow each year.

**Mid Year Reports**
We are currently making some significant changes to the structure of our mid-year reports for Years 7–10. These changes are designed to better align with the new English and Mathematics performance indicators being introduced nationally. Because data from the new SMART testing system will not be available until close to the end of term, mid-year reports will now be published at the beginning of next term.
In the meantime, NCEA students can continue to monitor their progress through the NZQA portal, while the Parent Portal provides families with up-to-date assessment information throughout the term.

**BYOD**
Digital learning continues to be an important part of teaching and learning across the school, and all students are expected to bring a suitable device to school each day.
We are noticing an increasing number of students arriving without their devices. As a reminder, the school no longer has devices available for short-term classroom loan. To fully participate in learning, students should arrive each morning with:

- their device,
- fully charged,
- and ready for use in class.

Your support with this is greatly appreciated.

Ngā mihi,
**Vicki Wish**
**Principal | Tumuaki**

**Transport Required**
We are seeking support with transport for two students travelling from Kaitangata to Tokomairiro High School on Mondays and Tuesdays.
If you are able to help, or would like more information, please contact the school office.

# Toko Stars - May

Each month, we take time to acknowledge students who have shown consistent effort and progress in their learning. Choosing just a few can be difficult, as many of our students demonstrate these qualities every day. Ka pai to the following students:

**Mathematics**
Andrew Scanlan
Oliver Foster
Jossel Lacson

**The Arts**
Shane Taylor
Stevie-Leigh Joass
Jasmine Rogers
Kayden McDonald-Rouse

**Sciences**
Bella Mathieson
Breeze Crawford
Laura Carr

**English**
Cooper Bradley
Sophie Greer
Joshua King

**Social Sciences**
Pippa Greene
Elizabeth Walker
Rory Lister

**Te Kaika hub legends**
Harry Leckie
Paraurahi Hauraki-Joesph
Layla McDonald

**Technologies**
Jayden Bennet
Dominic Dobson

**Vocational Pathways**
Isaac Foster
Niko Coleman
Shannyn Ferguson

**PE & Health**
Fletcher Savage

**Māori**
Shilah Milligan - Kapa Haka
Saffron Healey- Te Ao Haka
Nate Falwasser- Te Reo Māori

**Values Champs**
Chloe Bennet
Ruby Barnett
Matthew Greer

# Chemistry/ Psychology Field Trip

On Friday 15th May, the Chemistry and Psychology classes visited the University of Otago Biomedical Research Facility. We learnt about the science and ethics behind testing in New Zealand, including the purpose of testing and what researchers are testing for.
It was a fascinating experience that brought real-world science and ethics to life for our students.

## Bible Reading for the Week

For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all.
2 Corinthians 4:17

# Useful Skills put to the Test

The SPEC class has continued to build on their life skills this term by looking at jobs around the house. We learnt how to remove a bend from a sink and clear any blockages out. No doubt this will come in handy when we go flatting!
Dylan Carr shows his hard mahi here.

# Auction Draws Early Excitement

Milton's famous "Town of Opportunities" sign - sun-faded, proudly weathered, and instantly recognisable to drivers of southern State SH1 - is officially on the auction block, with bidders already leaning in for a closer look.

The auction launched at 10am on Monday 1st June, and the sign met its $1000 reserve within hours, setting the tone for what's shaping up to be an exciting bidding battle. The auction will run until 5pm on Wednesday 10th June, giving residents, former locals, memorabilia collectors, and lovers of quirky Kiwi history plenty of time to stake their claim.

Proceeds from the sale will go directly toward the Community Pool inside the new Elsie Stewart Community Library and Pool facility, now rising steadily on Union Street. Every bid helps bring the project one step closer to opening its doors -and its lanes- to the people of Milton and the wider Bruce District.

The Town of Opportunities sign is a slice of local identity: a twenty-year-long conversation starter, and chapter of a story only Milton can tell. As the auction evolves over the coming days, all eyes will be on the bidding page to see just how high this piece of hometown history climbs.

Get in on the action and take home a true Milton original, a once-in-a-lifetime opportunity from the Town of Opportunities.

# EOHS Exchange - Monday 25th May

# Milton Elder Care Trust

During the month of May we had many activities including Housie, a lunch out, jewellery making, music by Alex Sinclair, and also a very interesting speaker.
These are some of our activities during the month, including exercise class on Tuesday which is a lot of fun!
Our clients get a cooked meal and desert each day - this always goes down well!
We meet on Tuesdays and Thursdays.
If you are interested in coming to our group please call 021 0866 6054 .

**Applications close 5pm, 19 June 2026.**

ARTS COUNCIL NEW ZEALAND TOI AOTEAROA creativeNZ

## Lovell's Flat Hall CONSULTATION

Council is inviting feedback on a proposal to demolish the Lovell's Flat Hall, and develop the pool and reserve area.

The Lovell's Flat Hall Committee have considered future options for the hall, given its deteriorating condition and lack of use. The committee's preferred option is to demolish the hall, but keep the pool and reserve land for public use.

The committee has also expressed an interest in developing a toilet and upgrading the reserve, so it can continue to be used as a picnic area.

We are keen to hear from people in Lovell's Flat and its surrounding communities.

Let us know your thoughts. You can scan the QR code to read more and submit online, or call into Council's Rosebank office or your local community library.

**Consultation is open now, closing at 5pm on Monday, 8 June 2026.**

**SCAN ME TO HAVE YOUR SAY ONLINE**

**Your feedback will help to shape local decisions.**

## Have your say on the future of local government

### What matters most to you when it comes to reform and the future of local government?

The Government is introducing significant changes for councils. Councils have the option of working on their own proposals or waiting for direction from government.

Share your views at **www.otagomayors.org.nz**
Survey closes Sunday, 14 June.

## LETTER TO RESIDENTS

**Traffic update - Union Street/SH1 detour, Milton**

We know this detour has been frustrating for residents, businesses and everyone travelling through Milton, and we really appreciate the patience and understanding shown so far.

At this stage, NZTA say it is not possible to remove the current detour, as work on the highway needs to continue to make sure the road is safe and repairs are completed properly.

This means the detour will remain in place for up to two months.

We understand this ongoing disruption is difficult, and we're sorry for the inconvenience it continues to cause the community.

Crews are working hard to complete the repairs as safely and efficiently as possible.

Thank you again for your continued patience and support while this work is under way.

We'll keep sharing updates as progress is made.

If anyone is having access issues to their properties or struggling to have deliveries made, please have a chat with Isaac Construction staff on site. Alternatively, you can phone Council on 0800 801 350, or use our Council app, Antenno, to report it.

**CLUTHA DISTRICT COUNCIL**

## News from the Trenches

Another week wrapped up as we celebrate King's Birthday with fantastic weather. Our Super Sports Comp is getting close to being finished. It appears there is now 16 entrants within four points of each other. It's fascinating to see some of the choices some make - some people are feeling the pressure as the finish line appears close. Don't forget our Prize Giving will be held on Saturday 27th June when all will be revealed. Also there will be a Hawaiian theme as well.
Now the Manson family are still dominant with the Joker Draw having turned five out of six cards recently. They need to be stopped immediately.
Finally next week will be details of the next Sports Comp revealed which I understand has a different element from previous NPC Comp.
Get down to the RSA and see what all the buzz is about.
*Private Spike Pike*

## Milton Indoor Bowls

After four weeks of Interclub both Milton Country Club's and Moneymore have 3 points each while Glenledi is right behind with 2.
Last week saw Moneymore have a slight edge when they narrowly beat the Country Club 5-3. In the first game they won 10-9 and lost 5-10 and the 2nd round saw Moneymore win 6-5 and draw 5 all.
Otago have been hosting the South Island championships at the weekend. The pairs were played on Saturday and saw Wellington's Jordan Keane and Mark Jacombs come out the winners from Waikari's Brandon Williams and Hayden Warnes.
The fours were played on Saturday and was won by the star studded team of Daniel Frenc and Keri Te Tamiki from Green Island, and former Poverty Bay players Nathan Trowell and Mathew Farquhar. Runners up were former Kiness and now Finegand players Robert Wilson and Jane Wintringham and Waikari's John and Jacque Williams. The triples will be played on Monday.
