Cultural Competition

Last Wednesday we held our annual Cultural Competition, and once again it was one of the highlights of the school year.
The atmosphere throughout the afternoon was incredible. Students demonstrated tremendous commitment, courage and teamwork as every house took to the stage to perform. What makes this event so special is that it is about much more than winning.
It is about students standing together, supporting one another and celebrating our culture, our identity and our school values. It was wonderful to see so many students participating with such enthusiasm and whakaute for one another.
Congratulations to all of our winners:

- Waiata Tira: Reid
- School Waiata: Reid
- Haka: Ayson
- Manukura Tāne: Millanian Potae
- Manukura Wāhine: Saffron Healey

Overall placings were:

- Reid
- Malcolm
- Ayson
- Ross

Congratulations to Reid House on a fantastic performance. The results have certainly made the race for the House Shield even more interesting, with updated standings to be announced at the beginning of next term.
A huge thank you also goes to our staff, students and judges for making the afternoon such a memorable celebration of talent, culture and community.

Upcoming Events

Start of Term 3 Monday 20th July
School Ball Friday 31st July
Blue Mountain Sports Exchange Friday 7th August

Tokomairiro High School Newsletter
8th July 2026

RESPECT WHAKAUTE · RESPONSIBILITY HAEPAPA · EXCELLENCE HIRANGA

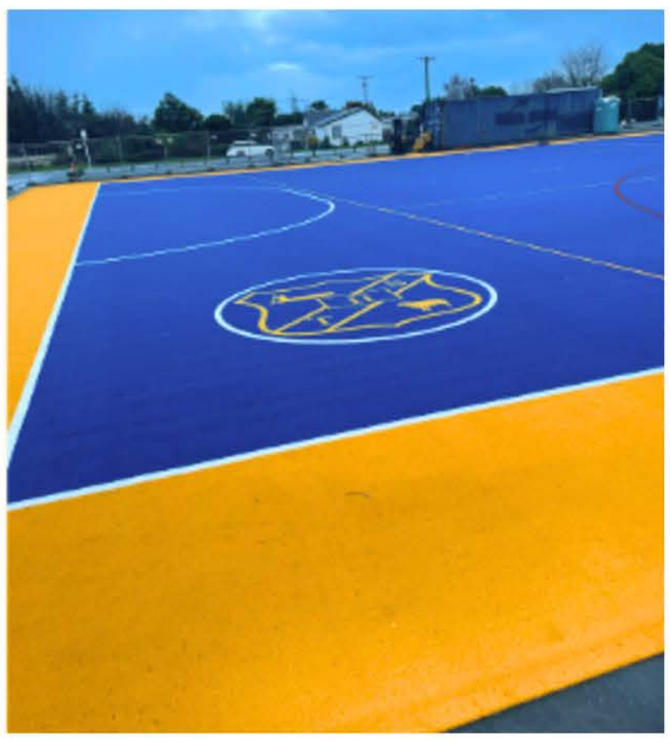
Tēnā koutou katoa,
I hope everyone managed to stay safe and dry over the weekend after the wet weather that swept across the region.
With the longest term of the school year now behind us, our students and staff have certainly earned a well-deserved break. While the classrooms may be quieter over the holidays, the school is anything but. Over the next two weeks a number of important property projects will be underway, including repainting the interior of the gymnasium and completing the long-awaited roof repairs to D Block following last October's storm damage. It is always exciting to return after the holidays and see improvements that continue to enhance our learning environment.

Sports
We would like to wish our Senior A Netball team all the very best as they travel to the Gold Coast during the holidays.
The team has spent many months fundraising and preparing for this exciting opportunity. We know they will represent Tokomairiro High School with pride both on and off the court. Safe travels, and we look forward to hearing all about your experiences when you return.

Staffing Update
At the end of the term we said haere rā to Olivia Leonard, who has accepted a position at John McGlashan College. We thank Olivia for everything she has contributed during her time at Tokomairiro High School and wish her every success in her new role.
We also wished Natasha Freeman all the very best as she begins her maternity leave. We hope she enjoys this exciting new chapter with her growing whānau.
We are equally excited to welcome three new teachers to our staff during Term 3.

- Nigel Scarth joins us from South Otago High School.
- Nadine van der Merwe joins us after relocating from Wellington.
- Later in the term we will welcome Anrozelle Lategan, who joins us from Southland Girls' High School.

Each brings a wealth of knowledge, experience and enthusiasm, and we are looking forward to the positive impact they will have on our students and school community.



Turf Update
Our new multi-sport turf is looking absolutely fantastic and, weather permitting, should be ready for students to enjoy early in Term 3.
This project represents a significant investment in opportunities for our students and wider community. The new facility will provide an outstanding space for a range of sports and physical activities for many years to come.
There is still an opportunity to sponsor a square metre of our new turf for $150 and help us complete Stage Two of this exciting project. Every square metre sponsored brings us one step closer to creating an outstanding facility for both our students and the wider community. Please scan the QR code in our sponsorship advertisement or contact the school office if you would like to support the project.

Mid-Year Reports
We are currently making some significant changes to the structure of our mid-year reports for Years 7–10.
These changes are designed to better align with the new English and Mathematics performance indicators being introduced nationally. Because data from the new SMART testing system will not be available until close to the end of term, mid-year reports will now be published at the beginning of next term.
In the meantime, NCEA students can continue to monitor their progress through the NZQA portal, while the Parent Portal provides families with up-to-date assessment information throughout the term.

Ngā mihi,
Vicki Wish

Ngā Manu Kōrero Speech Competition

In June, our senior tikanga / Te ao haka class travelled to Invercargill to attend the Ngā Manu Kōrero speech competition. Ngā Manu Kōrero is a prestigious event that celebrates excellence in public speaking and encourages rangatahi to express their ideas, perspectives, and aspirations through both te reo Māori and English.

Throughout the day, students had the opportunity to listen to a variety of inspiring speeches from secondary school students across the region. All speakers demonstrated confidence, passion, and a deep understanding of important issues affecting their hapū, iwi, whānau and communities.

Attending the competition was a valuable learning experience for our students. They were able to observe different speaking styles, learn about effective speech delivery, and gain a greater appreciation for the power of language and storytelling. The event also provided an opportunity to connect with other schools and celebrate Māori achievement and leadership.

Our students represented our kura with pride, showing respect, enthusiasm, and excellent behaviour throughout the day. We are grateful for the opportunity to attend such an inspiring event and look forward to applying what we learned in our own speaking and leadership journeys.

Bible Reading for the Week

Love must be sincere. Hate what is evil; cling to what is good.- *Romans 12:9*

Dodgeball Finals Held

In week 10, we held the final round of our House Sports dodgeball competition. After the round robin in week 9, the three final games were all Ayson meeting Reid.

A stellar effort from Reid but Ayson took out each game on the day!

Genesis Deadline
Monday 12 noon

Students Visit *Top Art* Exhibition

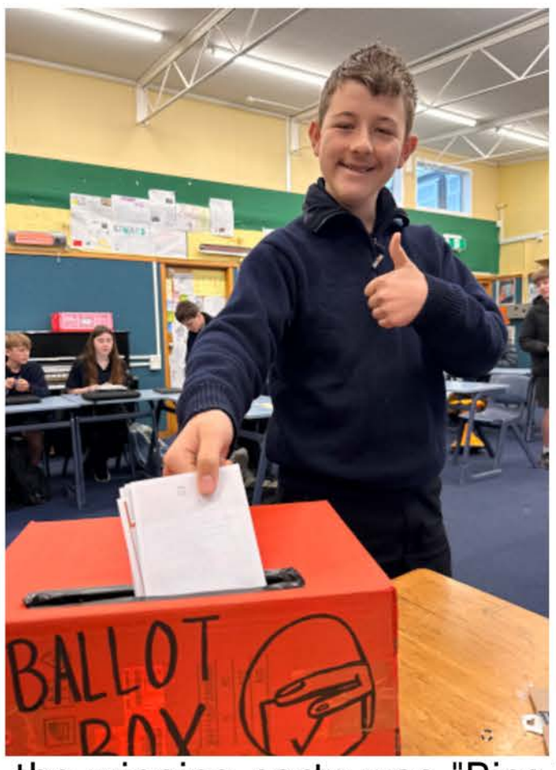
In Week 10, the Year 12 art students visited the Dunedin School of Art to see the Top Art Exhibition. The exhibition presented the senior folios from around the country that were marked high Excellence in 2025. We were very inspired and amazed to see the range of work on display. The painting, photography and printmaking portfolios were a real highlight. We returned to school full of ideas for the coming year!

Te Kaika Students Get Dramatic!

On our last Friday of school, 78MiL ended their drama option with a mini performance of some different plays.
78Gig and 78Fre went along to watch and thoroughly enjoyed it. Some standouts from the children were Little Red Riding Hood and The Three Little Pigs!

Election Fever Hits Year 9/10

This term, our Year 9/10 Social Sciences students have been learning about New Zealand's electoral system. As part of their learning, students worked in groups to create their own political parties, develop party policies, and campaign for votes from their peers. The activity gave students a hands-on understanding of the democratic process while encouraging creativity, teamwork, and critical thinking.

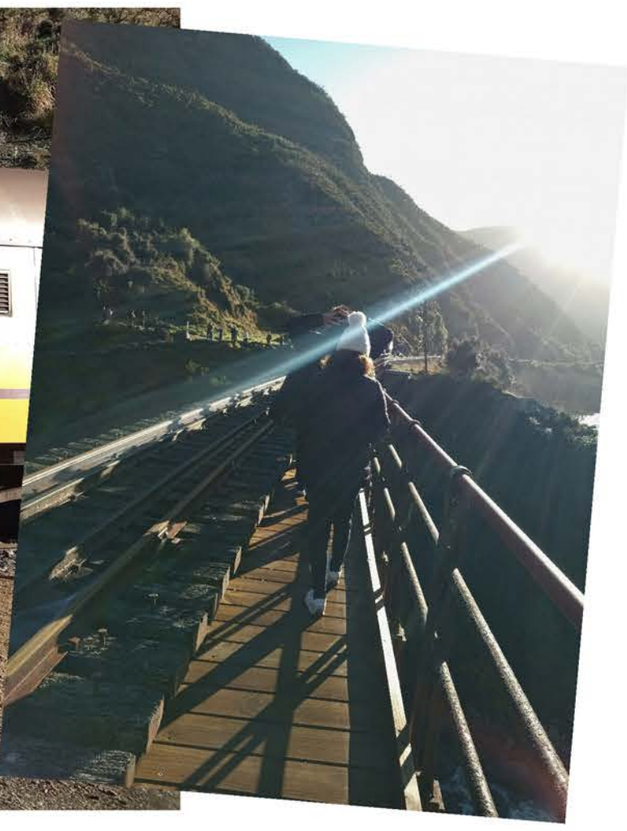


After a closely contested election, the winning party was "Rice To Meet You", (pictured below), led by Ivy, Annalise, and Matthew, whose policies and campaign proved popular with voters. Students also took part in an electorate vote, with Rory emerging as the successful electorate candidate.

Design Opportunity for Year 9 &10 Art

The Year 9/10 art class was tasked with an important job recently: come up with a design for a panel to contribute to the Clutha gaga ball set. Gaga ball is similar to dodgeball but played in a hexagonal pit. Our panel shows the locally famous Banana Bridge with our awa travelling under it, once the design was sorted we got to work with paint and brushes. A good result!

Taieri Gorge Trip for SPEC Class



On Friday the 26th of June the SPEC class went on a train trip to Pukerangi. We went on the Taieri Gorge Railway. On the way we saw the Taieri River and great views. A man did commentary on the train and Tokomairiro High School got a shout out! We saw a waterfall too - well, a so-called waterfall, it was about 1m long! We met tourists from Australia on the train and we went out on the viewing platform and sang our school waiata across the gorge.

We were given the option of walking over one of the bridges. A bit scary but worth it! The staff were awesome and let us see the engine room and let us go out on the very end platform of the train. This is where the best views were! To fund this trip, we made bags and sold them. We learned a lot about organising a fundraiser. So a big thank you to our kura and community who supported our learning and our mission.

French Café

78Gig celebrated the end of their taster French language and culture course with a French 'café in the classroom.

Students had to order their croissants, pain au chocolat and toppings such as 'fromage' and 'pâté ' using French.

According to the students, the French food was 'delicieux'!

We are grateful for the help of Madame Trudy who was a 'serveuse' and assisted Madame Hart with the waitressing.

Farewell Miss Freeman!

On Friday 78Fre and The Te Kaika Hub farewelled Miss Freeman as she heads off on maternity leave.
We wish her all the best and will miss having her around!

Primary School
RESPECT ~ RESPONSIBILITY
CONFIDENCE ~ TEAM WORK

Milton Primary School Community Newsletter

Term 2 2026

Tūhura

From local streets to the deep bush, our Tūhura learning has been researching the amazing teams that keep us safe! We had a fantastic time walking down to our local Fire Station to visit the Fire Brigade and St John teams. Tamariki loved exploring the fire trucks, learning about the firefighters' roles, and checking out the ambulance stretchers and heart monitor.

The learning continued back at school with a visit from LandSAR volunteers, Ben and John. They shared real-life rescue stories, showed us their emergency gear, and gave us a hands-on lesson in shelter-building and what to do if we get lost.

A huge thank you to Fire and Emergency NZ, Hato Hone St John, and LandSAR teams for inspiring our tamariki and keeping our community safe!

Arts Week

Arts Week is always a highlight at Milton Primary, and this term's sessions did not disappoint! Our students eagerly jumped into a fresh selection of afternoon electives, developing their sketching skills, trying their hand at weaving, making music, and creating amazing papier mâché jellyfish.

Line dancing was a massive hit, too! It was wonderful to see children from different year levels collaborating, making new friends, and exploring their creative passions.

Giving it a Go!

Milton Primary students have been stepping out of their comfort zones this term with some fantastic sporting opportunities. A group of our tamariki have been traveling to Balclutha each week for horse riding with Clutha Community Riding. Additionally, students eagerly participated in the local Enabler Day, trying out new sports in a highly supportive environment. Both initiatives have been wonderful for building student confidence, fostering inclusion, and celebrating success through movement.

Pink Shirt Day

Milton Primary tamariki proudly dressed in pink this term to show their support for Bully-Free Week. The day was a fantastic reminder of the power of kindness, with students standing together to promote a safe and bully-free environment for all.

Life Education

Milton Primary students enjoyed a valuable week with the Life Education team this term, diving into lessons on friendship, conflict resolution, and positive community values. Tamariki explored how to navigate social challenges and learnt the importance of being an "upstander" in the playground. The sessions were a wonderful way to reinforce our school culture of kindness, inclusion, and mutual respect.

Transition to School!

Positive transitions from Early Childhood Education to Primary School are a top priority at Milton Primary. To help our future students feel at home, we offer:

- Regular School Visits: Building early connections with teachers and peers.
- Open Classroom Afternoons: Held twice a term for children aged 4+.

We invite all local families to reach out for more information on how we can support your child's journey into school life.

Gaining Skills in Gateway

Gateway students continue to gain valuable real-world experience through weekly work placements with local businesses, helping them explore career pathways while developing practical skills and workplace confidence.

This year, Dakota Coleman has been completing her placement at the Clutha i-SITE at Te Pou Ō Mata-Au, where she has gained firsthand experience of how a local visitor information centre operates. Working alongside the team, she has learned about travel bookings, visitor services, regional tourism, and promoting The Catlins and the wider Clutha District. Dakota has a strong interest in the tourism industry and hopes to pursue a career as an flight attendant after finishing school.

Bronson, who has a keen interest in Information Technology, has been working with Carolyn on the weekly production of the Genesis.

His role has included assisting with the printing process and learning how to use Canva to help design and produce the publication. This hands-on experience has allowed him to build valuable digital and technical skills while contributing to an important community publication.

Work experience is a key component of the Gateway programme, providing students with authentic learning opportunities and the chance to be mentored by experienced professionals in their chosen fields.

We extend our sincere thanks to all the local businesses and organisations that have supported our Gateway students this year. Their generosity, guidance, and commitment play a vital role in helping our students prepare for their future careers.

Articles & Reports

Genesis relies on articles and reports supplied by the community to fill our pages. Please email these to genesis@tokohigh.school.nz

News from the Trenches

And just like that, our next Sports Competition has kicked off with an outstanding number of entries which covers International and NPC rugby along with other sports. Can Nick go back to back??? We have entries from the Toko Premiers squad so will be interesting to see how they perform. One ex player didn't pick Toko to beat Valley, so hopefully he picks up the pace in the following weeks. Already in Round 1 we have had 4 jokers played so they are looking to charge forward right from the onset.

Now we have had enquires about setting up a Milton RSA Darts team to play on Friday night. If you are keen, put your name at the bar.

No one struck the AB Pick the scores so it jackpots to the Italy test. Remember the RSA is the perfect safe haven to come to watch rugby. If your partner insists on watching Cooking Show or a Talent Contest, then the RSA is where you should be

It's come to my attention of a boating incident featuring Capt Pugwash and his first mate Blackbeard. Apparently Blackbeard needed the toilet while out fishing. It was necessary to head back to shore. You can work it out why. While the Capt went to get the trailer, he noticed the boat drifting out to sea while Blackbeard who was meant to be looking after the boat, was last seen disappearing to the nearest toilet.

And another member had his ring loosened up, so he is firing on all cylinders. As you can see the RSA is the place to be.

. - Pr*ivate Spike Pike*

The Rebus Club of Milton

The speaker at our June meeting was Carl Schiller who arrived to the RSA with a collection of accessories never seen in the RSA before.

Carl works at Momona airport as a fire fighter. He was born near Adelaide in a fruit growing area. He was always interested in extreme sports, beginning with water skiing, tramping and rock climbing in Australia. In NZ he took part in the same kind of sport in the Southern Alps, Mt Cook and Fox Glacier areas where he did some guiding as well.

After marriage, cycling took precedence, including the 90 mile Beach to Bluff by cycle - done in 18 days. Time was also spent in Queen Charlotte Sound.

However his biggest challenge was to enter and compete in the Iditarod Trail, which goes from one side of Alaska to the other. Practise for this challenge was done in the Fruitands area in the Old Man Range. Carl flew to Anchorage, in Alaska two weeks prior to the race, in order to become familiar with the rules of the race and the conditions he would have to negotiate. These included freezing temperatures, (up 40 degrees below), ice, rivers, tussocks, avalanches, fallen trees, snow, moose, bears and the weather conditions to be encountered. He got to meet the other competitors, many of whom had done similar sports to what Carl had done previously. Food was delivered to 10 check points where there was a stop for the night. Competitors slept, if they could get to sleep overnight in woollen tents while the supervisors slept in wooden cabins alongside. Cyclists were not allowed out at night or go out alone. Carl did!

Contact with family back home was kept online, so they could see where he was at all times.

The trail was often smoothed over by snow machines, to pack the ice down before the cyclists ventured over the track. The majority of the race was over a frozen river. Carl made it to the finish line in 10th place. Here he realised his flight out of Alaska was not for another week, so he stayed on helping in the kitchen and learning to be a volunteer.

This work has laid the foundations for future racing and organising the same trail.

Carl is grateful to the Bruce Stewart Foundation who helped with accommodation, flights etc.

Carl then talked about the accessories he had brought along. The socks worn were about four layers, designed to keep sweat away from the skin, and to stay warm. Likewise the boots. His cross-country skis were about 6 feet long and about 4 inches wide along the length. The cycle was made in China to Carl's own description. About 150 phone calls were made during the construction. Once the cycle was back in Milton, Carl sewed bags especially designed to hold a sleeping bag on the back rack, and two other bags that fitted neatly in between the bike bars to ho!d water bottles, some food, clothes etc. The hand gloves were large enough to enable rubbish etc, to be stored till it could be disposed of later on. Goggles, GPS, a backpack, that also held water were among the essential items.

Brian thanked Carl for his talk and wished him well for more adventures. Carl's reply indicated there will be more adventures that he would be keen to tell us about.

Our meeting on July 21st will be a video courtesy of a member, followed by sandwiches and savouries. Committee to meet at 10.00am, the video to be shown at 10.30, followed by lunch.

All welcome to attend.

Milton Indoor Bowls

The first game of the second round was played. Glenledi had a bye and the Country Club came up against Moneymore. Moneymore had a slight edge beating the country Club in three out of their four games.

At the weekend South Otago hosted the zone playoffs at Balclutha. Although South Otago were not first in any of the events played they were certainly close. The N.Z. mixed fours were represented by a predominately local team of Alistair Allison, Ray Low, Elizabeth Read and Avis Rishworth.

Local Peter Grant has been named in the division three inter provincial team to play in Napier the last weekend of August. The team is in alphabetical order Alanna Moffit, Barry Gray, Chris Moffit, Hannah Botting, Jane Wintringham, Peter Grant, Robert Wilson and Stephen Preddy.

Toko Rugby Club Report

On Saturday we held our Club Day with all our teams playing at home. Right from the outset at 10am with the Rippa Toko teams leading off, the carpark was jammed full. This continued as the theme of the day which reflects how much community support is for Toko Rugby Club which is warmly appreciated.
In what was deemed as a quarter final, Toko Premiers took on Valley in a match where both teams were desperate for victory in order to maintain their aspirations for Top 4 contention. Toko dominated the first half with tries to Josh Sanders, Jared Hayes x2 to take out a strong 2- 7 lead at halftime.
Valley brought the power in the second half to whack Toko in the nose to make score 24-all with 10 mins left. A try to Arnold Dinh who sprinted 40m after Jared Hayes who was the best player on both sides slices through Valley defence. Right at full time Valley were denied a winning try after officials decided it was held up. Toko hung on grimly to win 34-29 to the delight of a large raucous crowd.
For Toko, Arnold Dinh and Brodie Ferguson were outstanding in the forwards while Jared Hayes was the class performer in the backs. This was an essential win as we take on Lawrence away next Saturday in a match Toko needs to win to ensure Top 4 qualification. Make sure you join the convoy to support the boys.

GEM LOCAL - FOR COMMUNITY GROUPS

Calling all community groups!

Clutha District Council has partnered with Strategic Grants to help local groups find funding more easily through GEM Local, a handy online database for small organisations.

Eligible non-profit community groups delivering projects that benefit the Clutha District can access the scheme if they meet all of the criteria (more info on our website), helping with grant opportunities, grant preparation tools and training.

We have 50 spots available for local groups, and its completely free.

Visit **www.cluthadc.govt.nz/gem-local** to check your eligibility and find information on how to register your interest.

A great opportunity to explore funding options for your next community project.

TEMPORARY ROAD CLOSURE

CIRCLE HILL RALLYSPRINT
Saturday, 11 July 2026, 9am - 5.30pm
(pursuant to the Local Government Act 1974)

The following roads will be closed between 9am and 5.30pm on Saturday, 11 July 2026 for the purpose of the Circle Hill Rallysprint:

- **Cullen Road** - from Berwick Road to Fort Hill Road.
- **Fort Hill Road** - from Cullen Road to Jensen Road.

It will be an offense to drive on this road during the time of this road closure. We apologise for any inconvenience that this may cause to the travelling public.
