## Winter Health Reminder

Like many schools across New Zealand, we have been significantly affected by Influenza A this week, with a large number of students and staff absent.

If your child is unwell, please keep them at home until they are well enough to return to school.

We also ask that families notify the school as early as possible each morning if their child will be absent.

Your support helps minimise the spread of illness and ensures we can continue to care for our school community.

For more information on Influenza, please go to: https://healthify.nz/health-a-z/i/influenza

**Are your contact details correct?**

**Please email any changes to office@tokohigh.school.nz**

# Tokomairiro High School Newsletter
# 5th August 2026

RESPECT WHAKAUTE | RESPONSIBILITY HAEPAPA | EXCELLENCE HIRANGA

**Tēnā koutou katoa,**
One of the great privileges of working in a school is seeing young people grow in confidence as they embrace new experiences and challenges. At Tokomairiro High School, we want every student to be challenged, inspired and well prepared for whatever lies ahead. This week has been a wonderful reflection of that. From celebrating together at the School Ball and welcoming students from Japan, to exploring future career pathways, continuing to invest in our facilities and celebrating success on the sports field, there has been much to celebrate as we continue to build a school where every student is challenged to grow, encouraged to belong and inspired to achieve.

**A Night to Remember**
Friday night's School Ball was a wonderful evening and one that our students can be incredibly proud of.
A special congratulations goes to our Student Ball Committee, who did a fantastic job transforming the hall into a vibrant Tropicana-themed venue. Their creativity, organisation and attention to detail created a truly memorable setting for the evening.
What struck me most, however, was the inclusive atmosphere throughout the night. Students mixed naturally with one another, regardless of year level or friendship group, and there was a genuine sense that everyone was there to enjoy the occasion together. It was wonderful to see and reflects the kind of culture we continue to build at Tokomairiro High School.
Our students also looked fantastic and represented themselves and the school exceptionally well throughout the evening.

**Nau mai, haere mai – Welcome to Our Japanese Visitors**
This week we were delighted to welcome the first group of students from Yasuda Gakuen to Tokomairiro High School.
Many of our own students had the opportunity to visit Yasuda Gakuen last year on their Japan trip and spoke highly of the warm welcome they received. It is now our turn to return that generosity, and we hope our visitors leave with a wonderful impression of Tokomairiro High School, Milton and New Zealand.
International exchanges like this broaden horizons, build understanding and remind us that learning extends well beyond the classroom.

**Open Evening – Wednesday 12 August**
Our annual Open Evening takes place next Wednesday, and we are looking forward to welcoming prospective students, their whānau and members of the wider community into our school.
Last week, Erica Milligan, our Year 7/8 Dean, and I had the pleasure of visiting each of the three Milton primary schools. It was wonderful to meet the Year 6 students, share a little about life at Tokomairiro High School and personally invite them to our Open Evening.
Whether you have a child starting secondary school next year, in the years ahead, or would simply like to see what is happening at Tokomairiro High School, everyone is welcome. It is a great opportunity to meet our staff and students, explore our learning spaces and facilities, and discover the many opportunities available to our young people.
We look forward to welcoming you on Wednesday 12th at 6pm.

**Preparing Students for the Future**
Last week our senior students attended an engaging careers presentation from the New Zealand Defence Force.
Students gained an insight into the wide range of careers available across engineering, healthcare, aviation, logistics, trades, intelligence, communications and many other specialist fields. They also appreciated the opportunity to ask questions and better understand the many pathways available after leaving school.
We sincerely thank the New Zealand Defence Force for taking the time to visit Tokomairiro High School and inspire our students as they consider their future.

Check us out on Facebook!

**Stage Two of the Turf**
The positive response to our new all-weather turf has been overwhelming, and it has been wonderful to see students already making the most of this outstanding facility.
Our attention is now turning to Stage Two, which will add basketball, tennis and pickleball courts and further enhance opportunities for both our students and the wider community.
While we continue to apply for grants and funding, our *Buy a Square Metre* campaign remains open. For $150, supporters can purchase a symbolic square metre and become part of this exciting project.
If you would like to support the campaign, or know of a funding organisation or business that may be interested in helping us complete Stage Two, we would love to hear from you.

**Sporting Success**
Our winter sports season continues to provide plenty to celebrate.
Congratulations to our basketball team, who have qualified for this week's finals. We wish the team every success.
Several of our students were also recognised at the recent Milton Junior Rugby Club Prizegiving:
- Nathan Senada – Most Improved Player
- Paraurahi Hauraki-Joseph – Coaches' Choice Award
- Ben and Adam Woodhead – Best Defenders
- Riley Milligan – Player of the Year

These awards are a reflection of the commitment, perseverance and sportsmanship these students have shown throughout the season. Congratulations to each of them on their well-deserved recognition.

Ngā mihi,
**Vicki Wish**
**Principal | Tumuaki**

## Making an Appointment

If you would like to see a member of the Senior Leadership Team or your child's Dean or Teacher, please call or email the office to arrange an appointment at a mutually convenient time.

Although we like to meet with parents/ whanau, we are not always available at short notice and may be teaching or working with students or other staff.

## Bible Reading for the Week

He heals the brokenhearted and binds up their wounds. - Psalm 147:3

# A Fresh Look for Our Gymnasium

Our gymnasium has a fresh new look, with the words Stronger • Faster • Higher • Together now taking pride of place.
Inspired by the Olympic motto, the message is intended to be aspirational. While it reflects sporting endeavour, it also represents something much broader. We want every student to challenge themselves, keep improving, support one another and strive to be the very best version of themselves.
Together with our new all-weather turf, it is another visible reminder of the aspirations we have for our students and our school.

# NZ Defence Force Inspires Toko High Students

On Wednesday 29 July, Toko High School welcomed representatives from the New Zealand Defence Force for an informative and engaging careers presentation for our senior students.

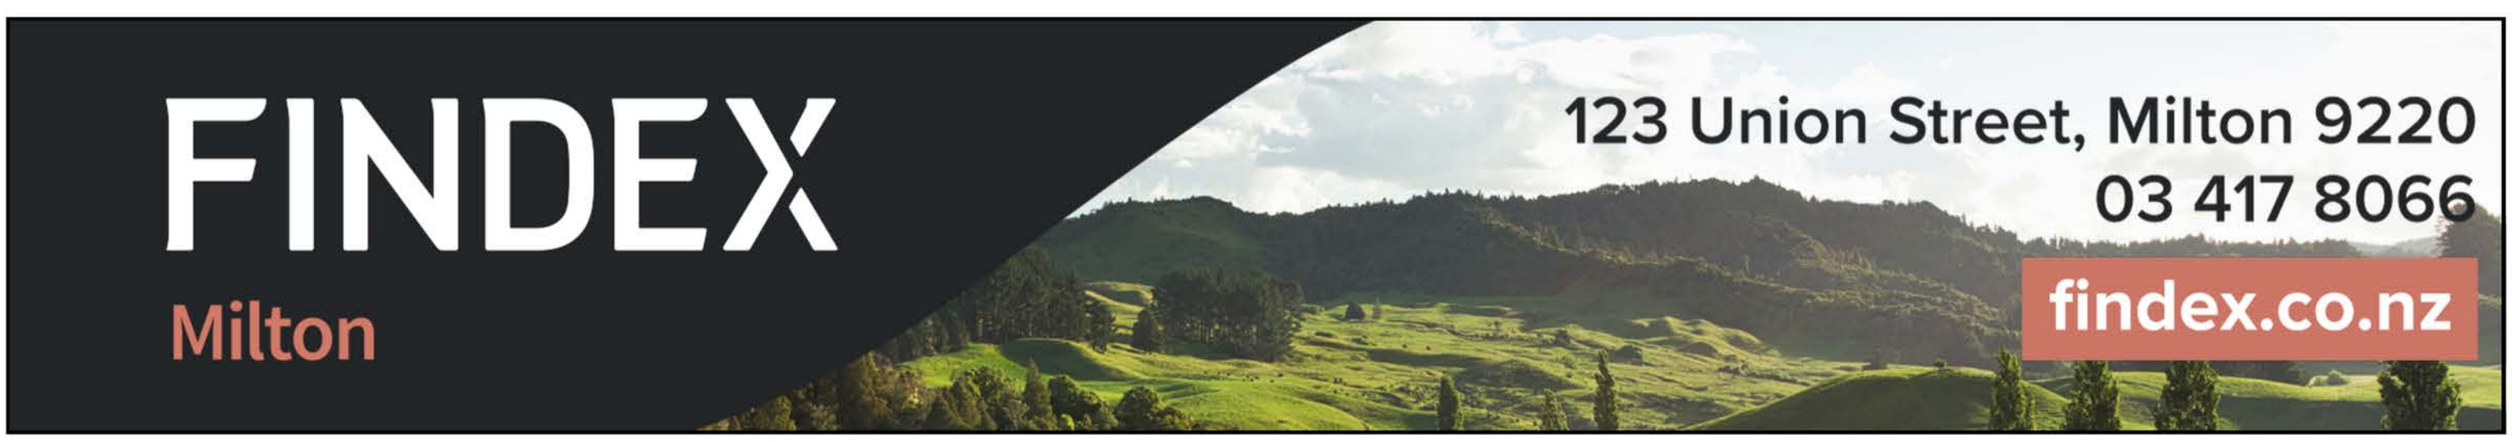
Students learned about the wide range of career pathways available within the Defence Force, discovering that there is far more on offer than military training alone. The presenters highlighted opportunities across engineering, healthcare, aviation, logistics, trades, intelligence, communications, and many other specialist fields. They also discussed the many benefits of a Defence Force career, including fully funded training, sporting opportunities, medical and dental care, reserve service, travel, leadership development, and generous scholarship opportunities.
The presentation concluded with an interactive question-and-answer session, allowing students to ask about careers that matched their own interests and future goals.

*"I found them really helpful, especially the question-and-answer session at the end where I could ask specific questions." ~ Payton*
*"I liked how they explained that there were multiple job opportunities in each area of the Defence Force, not just basic training*." ~ Franco
A big thank you to the New Zealand Defence Force for taking the time to visit Toko High and inspire our students as they explore the many pathways available to them after school.

## Articles & Reports

Genesis relies on articles and reports supplied by the community to fill our pages. Please email these to genesis@tokohigh.school.nz

## Genesis Deadline: Monday 12 noon



# Yasuda Students Return to Tokomairiro High School

*Yuri Takeuchi (15) Ayuka Hongu (14) and Shiho Okumura (14) wear their Yasuda Gakuen uniforms. Above right: Enjoying games with our students in the library.*

We currently have three students from Yasuda Gakuen visiting our school. Yasuda is the school that THS students and teachers visited on our Tokyo trip last year. This is the third year for our school to host students from Yasuda. The Japanese students are being homestayed in Milton and are attending classes at Tokomariro High School. Ayuka, Shiho and Yuri are here to improve their English and learn something about life in New Zealand. The students say that they are enjoying their time at school and with their host families, but are finding it very cold (it's 33 degrees in Tokyo today).They will return to Japan next Wednesday. We will then host three boys from Yasuda for two weeks.

# Snow Closures or Late Starts

At this time of year, snow and ice can occasionally affect travel. If we need to delay the start of school or close for the day, we will notify families as early as possible through:

- Our Tokomairiro High School Facebook page
- Email to parents and caregivers

Please make sure your contact details are up to date with the office so we can reach you quickly if needed.

# Clutha Panel Repairs

- ChassisStraightening
- StructuralRepair Centre

Free pick up and delivery from Milton and surrounding areas.

# Year 12 and 13 Geography Camp

We had a lovely experience with the Geography students at Tautuku last week.
Fantastic weather, great food, beaut company. We learned all there is to know about native trees, how big the waves were and are how to count them.
The geography students are now compiling research assessments.

# Year 7 and 8 Digital Technology

Students are enjoying researching local Milton landmarks or events and designing posters. They are learning how to store research, develop inquiry questions and manage images. Some images need editing which they do by resizing or changing the background. Here they are busy at work.

## Building Pathways to Employment

Today our students welcomed Ollie from Jobbortunities, a locally based employment service supporting people throughout the Clutha and Milton communities.

Ollie gave an informative presentation explaining the role Jobbortunities plays in helping job seekers prepare for and secure employment. He discussed the wide range of support available, including assistance with CV preparation, interview skills, job searching, and connecting with local employers.

Students also learned about the importance of creating a professional CV and obtaining strong references, with Ollie sharing practical tips on how these can make a positive first impression with employers. The session concluded with an engaging question-and-answer segment, giving students the opportunity to ask about employment pathways, workplace expectations, and how Jobbortunities can support them as they transition from school into the workforce.

A big thank you to Ollie for taking the time to visit and provide our students with valuable advice and insights into preparing for future employment.

## Jarred Fell Live — Comedian Magician

An R18 blast of razor-sharp comedy, jaw-dropping magic, and chaotic audience-fuelled fun in a fast, fearless, one-night-only show!

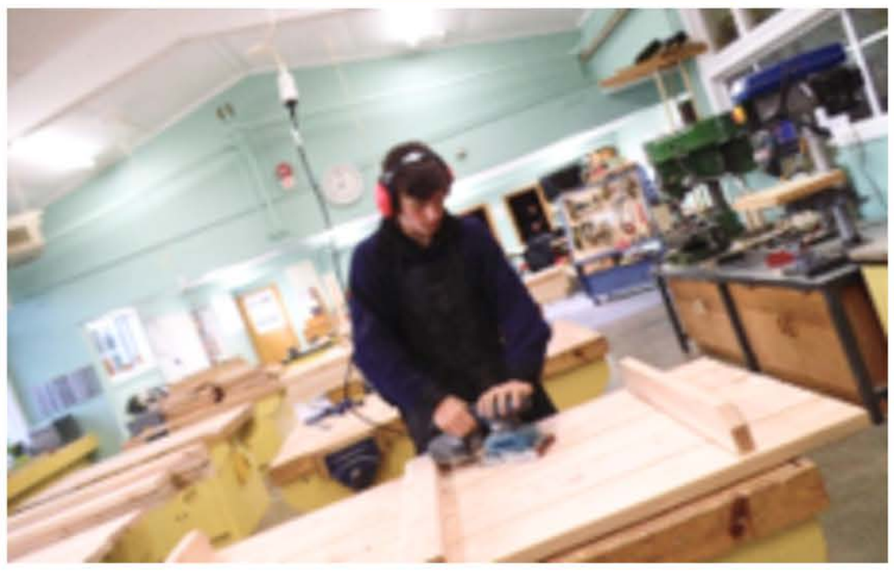
Join us for a fantastic night out in support of the Tokomairiro High School PTA as we raise funds for our school. Enjoy an unforgettable live performance from Jarred Fell, filled with quick-witted humour, astonishing illusions, impressive sleight of hand, and lively audience interactions from one of New Zealand's most entertaining comedian magicians. As seen on NBC and TV3, Jarred blends world-class sleight of hand with laugh-out-loud chaos in a high-energy show that's fast, fearless, and wildly entertaining.

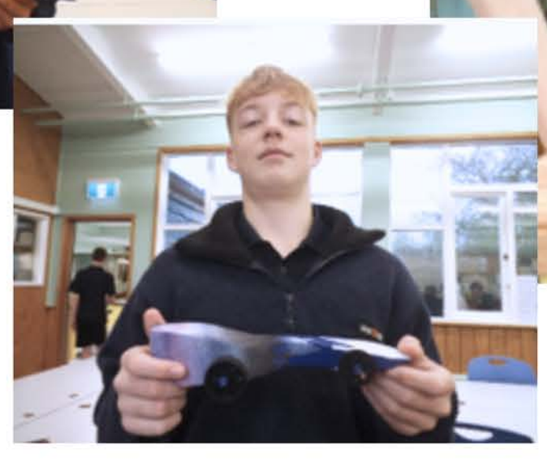
## Volunteering Outside the Classroom

The SPEC class is continuing to work through our Community Project module. Part of this module asks that we volunteer outside the classroom.

The crew has been underway painting the new container for the wood tech classes. This is to lengthen the life of the container by protecting it from rust. It's been a fun project so far, outside painting with the radio on... We just need Mr Samson to bring us smoko!!

## From the Workshop





The year 11 class has been working on building five picnic tables for local clients. The students worked in pairs or groups of three to complete the out door furniture.

The Junior classes have been busy with a range of projects from Co2 racers to gumball machines, bandsaw boxes, clocks and pencil boxes.

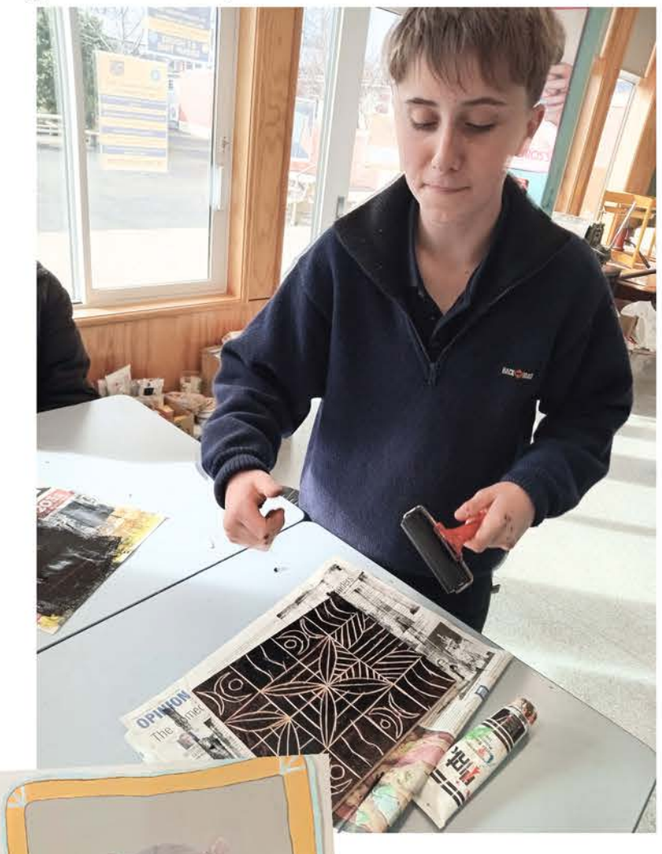
## Creativity Flowing in Art

The art classes got straight into it this term - creativity does not take a break.
Rory Lister shows his printmaking mahi after a quick look at master printer Fatu Feu'u.
Watch this space - the juniors are going to be putting the printing press to good use.
Paintings started rolling in from Sophie Greer and Bea Clarke for their folio boards.
More exciting things are being cooked up each week!



## Sports Results

**Hockey**
Toko Wahine 1st XI v Bayfield Snr Girls - Default Loss
Tokomairiro Gold (Yr 7 & 8) v Balmac Yellow - Cancelled due to Weather

**Basketball**
Tokomairiro Timberwolves v OBHS Snr Red - Cancelled due to Weather

**Netball**
Toko Tahake v SOHS D - 33-35 Loss
Toko Senior A v Hillend Spirit - Default Loss
Toko Senior A v SHCS Senior C - 24-37 Loss
Toko Steel (Year 7 & 8) v Country Saints White - No result recorded

## Year 9 and 10 Music

Students are enjoying exploring digital tools to assist their playing. Students are able to use various software supports in their practical work. Here are two students collaborating to play the Pirates of the Caribbean theme song.

## Genesis Deadline: Monday 12 noon

# BUILDING STAMINA

This term, our school has partnered with Paul Skipper to provide fitness based sessions for some of our senior tamariki.
More than just physical growth, this program is designed to empower our students to build resilience, achieve personal goals, and learn how be a true team player. Each week, Skip guides them through tailored activities that push them beyond their comfort zones. In doing so, our tamariki are learning the value of perseverance during difficult tasks, the power of encouraging their peers, and the strength found in collaborative problem solving.
It has been great to see our tamariki excel outside the traditional classroom environment. We look forward to celebrating their continued growth and achievements as the program continues.

MILTON Primary School
RESPECT ~ RESPONSIBILITY
CONFIDENCE ~ TEAM WORK

## Fun Futsal Sessions for Te Kaika Students

Last week we had a visit from Futsal South who came and ran some skills sessions with our different Homeroom classes. This was fun for all the students, especially as we got to run the sessions in our newly painted gym!

## School Bus Safety Reminder

Students exiting and entering the bus are vulnerable to passing vehicles, and drivers must take great care when they encounter school buses.

- Reduce speed to **20km/h** when passing a school bus, and keep an eye out for children who may walk onto the road,
- If you are dropping children off, or collecting them from a school bus stop, stand well back from the edge of the road and out of the way of the bus,
- Wait on the same side of the road to collect your child in a rural area so they don't have to cross.

## News from the Trenches

The days are getting longer which hopefully brings some warmer weather in the upcoming weeks. Speaking of which, it's that time of the year to start sorting out your magic formula to create the ultimate in spuds as it's not too far away before the Spuds arrive for our World Famous Spud Comp. This coming week is our Pick the Scores jackpot which feature the game between Stormers and All Blacks which is being played on Saturday morning at 5am so make sure you have entered by Friday night. This would be tricky to pick. We have had some queries regarding when we cover up the scores for the NPC Comp, this will be at the halfway stage so approximately in around 3 weeks time. So this is when the clandestine approach and level of cunning cranks up several notches. Can the early leaders be reined in. Speaking of rugby come along on Sunday afternoon to view Otago vs Canterbury Ranfurly Shield match. Match kicks off at 2pm. Finally 2 questions this week, are Zebras black with white stripes or white with black stripes?? If Lightening McQueen had insurance, is it car insurance or life insurance??? Something to ponder - *Private Spike Pike*

## Milton Elder Care Report

July was a bit cold and wintry but we got through it and are starting to look forward to more daylight and even some little lambs. This is always going to make us feel better.
Never mind this has not stopped us having a great time at Care Group on Tuesdays and Thursdays.
During July we had Bag making, Lydia talking about her life and experience of becoming a dental hygienist This was very interesting. Thank You Lydia.
Robbie came along and we had a fire drill then went on to talk about fire alarms.
Herene from the Velvet band in Dunedin spent two days with us. There was a lot of singing, even a little dancing. We enjoyed this a lot.
We have also enjoyed lunch out at Kaitangata hotel, Housie, craft and the lovely Colleen Hosking singing, so in all we have had a fun filled month.
Want to join us? Call 021 0866 6054

## Tokomairiro Co-operating Parish Decorative Christmas Tree Competition

Our beautiful Heritage Church will once again be filled with the magic of Christmas as we host our Decorative Christmas Tree Competition. Local groups, families, businesses, schools, clubs, and community members are invited to create and display their own unique Christmas trees.
We invite everyone to get involved, unleash their creativity, and help make this a truly special community celebration. Let us share this year in the warmth, joy and the spirit of Christmas. Everyone is welcome!

Entries will be open in September. Therefore, gather your family, friends, club, school, or workplace team and take part in this much-loved community event. Whether your design is traditional, contemporary, or delightfully creative, we'd love to see your interpretation on display. To enter or find out more, please contact Gwynny 027 959 8570 or email gwynnyb@hotmail.co.nz

Do join in and get involved and help make this Christmas a true delight.

## Milton Indoor Bowls
