# 2nd September 2026

RESPECT WHAKAUTE | RESPONSIBILITY HAEPAPA | EXCELLENCE HIRANGA

**Tēnā koutou katoa,**

This week's whakataukī is "Kua tukuna iho e ō tātaou tīpuna ngā mea katoa kia ora pai ai tātou i te ao - Our ancestors have given us everything we need to live a healthy, happy life." Most reasonable people would agree that if there was anyone who served as an exemplary role model for living a happy, healthy life, it was Dolly Parton. Dolly was proof that the secret to good health and happiness is existing to make others feel valued, happy, safe, respected and cared for. Now that she is no longer with us, the rest of us are now responsible for doing the work of actively looking for ways to accomplish this in our lives and the lives of those around us, by being generous and compassionate with our resources, be they finances, time or skills.

**Daffodil Day / Reading Week**

One way to be able to bring comfort and care to others is by supporting Daffodil Day, which our school was able to do last Friday. The daffodil is the first flower to bloom in spring, and a symbol of new life, resilience, and hope. We embraced the opportunity to make our donations to fund the work of researchers working toward a cure for cancer, as well as funding support services for those cancer patients and their families. Friday was also an opportunity for students and staff to dress up as their favourite character, and Tokomairiro High School responded with its typical whimsy and creativity. Ka pai to everyone who took part!

**CELEBRATE Art Exhibition, Dunedin**

It is a well established fact that good art can be a ray of sunshine in an otherwise dull and often dark world. We are very proud that three of our senior art students had their work displayed at the CELEBRATE Art Exhibition in Dunedin. The exhibit recognises excellent pieces produced by Level 2 and 3 art students from the Otago region, and Bea, Nevaeh and Reily demonstrated that their mahi is on par with the work of students from any other school!

**Tournament Week**

You don't play 4 15 minute quarters of netball without excellent fitness. Sport and exercise are also well known sources of good physical and mental health and happiness. Dominic Dobson, Cash Scott, Evan Anderson, Leon Healey and Ty Fraser are travelling to the U15 Co-ed Rugby Tournament in Westport, Lucas Stevenson will be at the South Island Secondary Schools Hockey Tournament in Nelson, and Pippa Greene, Caitlyn Scott, Sarah Jane Norman, Daiha Coulter - Lawlor, Saffron Healey, Joelle De Seymour, Shilah Milligan, Natalie Dobson, Sophie Greer and Lilly Browne will descend on Nelson as well for the 2026 SISS Netball Tournament. We send along our best wishes and hopes for safety and success to these athletes!

**Common Assessment Activities - 8th, 9th and 10th September**

Understandably for some, these exams have the potential to be anxiety inducing. But for those who are able to, the benefits of sitting these assessments - regardless of the outcome - far outweigh the drawbacks. If you have been entered to sit one or more of the CAAs, it is vital to remember that you don't face challenges such as these empty-handed or alone. Remember, you carry with you the knowledge you have gained, the resilience you have developed, and the encouragement and wisdom of whānau, teachers and those who have gone before. All of us have a part to play in helping our students draw on those strengths. Classmates can encourage rather than add pressure, whānau can help create calm routines around sleep, food and preparation, and teachers will continue to reassure and prepare students about what to expect. The goal is not to remove every nervous feeling. A little nervousness tells us that something matters. Rather, it is to help our young people arrive on 8, 9 and 10 September rested, prepared and confident that they have people around them who believe in t/hem, whatever the result.

**Polyfest**

On Tuesday 8 September, our kapa haka rōpū will take the stage at the 33rd annual Otago Polyfest, performing at the Breeze Arena, Edgar Centre in Dunedin at 7.30pm. Kapa haka provides a meaningful opportunity for our rangatahi to draw upon and express the language, stories, values and traditions handed down through generations, while strengthening their own connections with one another and with those who have gone before them. We are extremely proud of the commitment our students have shown in preparing for Polyfest, and grateful to the staff, whānau and supporters who have shared their knowledge, time and encouragement along the way. We wish our rōpū every success and encourage members of our school community who are able to attend to come along, support them, and celebrate what promises to be a very special performance.

**Senior Subject Selection Evening**

Our Senior Subject Selection Evening on Wednesday 10 September marks the beginning of an important conversation for students currently in years 11, 12 and 13 who are planning their learning journey for 2027. We encourage students to come prepared to ask questions: What subjects will help me get where I want to go? What am I good at? What do I enjoy enough to work hard at? And, perhaps most importantly, what possibilities have I not yet considered? This week's whakataukī reminds us that we do not make these decisions alone. Our young people can draw on the experience and wisdom of parents, whānau, teachers and those who know them well. Over the weeks that follow, we encourage families to keep those conversations going at home, helping students make thoughtful choices that reflect both who they are now and who they might yet become.

Kua tukuna iho e ō tātou tīpuna ngā mea katoa kia ora pai ai tātou i te ao: encourage one another to draw strength from those who have gone before, and value those who walk alongside you, and let's all use well the opportunities that have been placed before us!

Ngā mihi,
**Bill McClure**

## Students CELEBRATE their ART

Three of our senior art students had a visit to see their work on display at the CELEBRATE art exhibition in Dunedin! It was great to see work from Tokomairiro up with other schools from the region. Ka rawe, well done to Bea, Nevaeh and Reily, pictured here with their mahi.

## The Genesis – Our Community, Our Stories

The Genesis is a weekly publication produced by Tokomairiro High School, sharing school news while also providing a community newsletter and noticeboard for the wider Milton community.

**Our goals are to:**

- Celebrate positive local news, stories and achievements.
- Promote the activities of our schools, particularly Tokomairiro High School.
- Share information about local clubs, groups, activities and events.

The Genesis is delivered free to households and businesses throughout the wider Milton community. We proudly employ students and other local people to help with delivery.

It costs almost $50,000 a year to produce and distribute The Genesis. This is made possible through advertising, donations, sponsorship and support from Tokomairiro High School.

We are extremely grateful to our local businesses, organisations and individuals who continue to support us. Our regular advertisers and sponsors play an important role in keeping The Genesis going.

The Genesis has no paid reporters. We rely on our community to provide stories, news and photographs, and we are especially grateful to the many clubs and groups who regularly send us their reports and event information.

**Donations:** Donations are always welcome: Tokomairiro High School, Account: 03 1736 0009803 000, Reference: GENESIS DONATION

Donations can also be placed in the secure box in the Genesis office door or payments can be made via the Kindo QR code.

Thank you to everyone who supports The Genesis. Your contributions help us keep our community connected and ensure local stories continue to be shared.

**Genesis Deadline - Monday at noon**

## Rugby Awards

Congratulations to those Tokomairiro High School students for their recognition in this year's SOHS Rugby Awards. It's great recognition of the effort put in over the season.

**2nd XV**
Player of the Year - Andrew Scanlan
Most Valuable Back - Rory Hancock

**Intermediate Boys**
Player of the Year - Evan Anderson

**Junior Red Boys**
Most Valuable Forward - Brennan Savage
Player's Player of the Year - Ty Fraser

Thank you to the parents who have helped out with coaching and managing teams, and also parents that have helped out with driving vans. Without our volunteers, our students couldn't enjoy the sports on offer.

All the best to Mr David Matsas (Head of Rugby) for his overseas adventure. He has put in a lot of hard work in his years in the job and will be missed.

## Building Bridges!

Last week saw the weight bearing competition for our Bridge Building challenge! Ayson came out triumphant with an incredible bridge - it held 52kgs! Second place went to Malcolm with 22kg. Shout out to Reid House who correctly identified the breaking point, earning them an extra 50 points. A big thank you to Mr Samson and Ms Freeman who set this up for us.

## Milton Elder CARE Report

August has been a very cold month but we have been doing lots of activities to keep warm.

During August we had lunch at the Concord Hotel, Housie, Craft demonstration by Willie Powell ,Games Day, Daryll singing, and Exercise class Tuesday.

Also we had a very interesting talk from the Westpac bank about scamming either calls on the phone or the internet . Everybody sat up and listened to this as some of the people in the room had a scam one way or another.

Once again thanks to our cook and the volunteers - we have had a wonderful month with plenty of activities, food, and laughter.

Remember this group runs on a Tuesday and Thursday
All welcome if interested please call 021 0866 6054.

# School Holiday Touch Programme

# Rebus Club of Milton Report

Milton Rebus Club met in the RSA on August 18th at 10.00am. Our speaker was Heidi Beckett who talked on her trip to Iceland. This trip was timed to see the Northern Lights and the Autumn colours showing in trees. Heidi`s photos were spectacular and we saw the houses in Reykjavik which are all painted in bright colours. The buildings are thermally heated all year around. After touring the towns it was into the country side, where autumn colours showed up very well in photos, alongside churches sitting in very green paddocks and painted red or white. Animals are kept inside during winter and their buildings were wooden. We were shown glaciers, and bits of glaciers that had broken off into little icebergs. The lack of trees in the country side was replaced with rivers flowing through steep rock gullies with many waterfalls, caves, larva fields. The Northern Lights put on an incredible showing with the green lights appearing to be flowing with wind.
After Iceland, Italy was visited of which more beautiful scenic photos were shown.
For our September meeting the speaker is Eileen Steven from St John and the topic is Medical Alarms. Everyone is welcome to attend.

## News from the Trenches

Weather has been rough, but plenty of heat coming from RSA at present. On Saturday we hosted Colin Calteaux 70th birthday party which was a very successful event which reinforced our standing as the Ultimate Social Facility. Lock in Friday 2 October for a quiz night. Get your team of 4 lined up as we have the supreme Quiz Master lined up. There will be awesome auctions and raffles so get your most intelligent mates to form a team. Did you know George Henderson made semi final of 1975 Mastermind with his specialist subject Flag's of the World?? That's the level of competition you are up against.

We are also thanking our amazing volunteers who helped with Daffodil Day along with other volunteers with a afternoon tea on Monday 7th September so come along, we appreciate your efforts.

From this week our NPC Comp picks will be covered up and now the stress level will be cranked up. So far Lammy Moana has taken a bit of a lead, but he has been known to choke and there are lots breathing down his neck. The joker draw is getting close to reaching the maximum which I predict will have to be won in the next fortnight. Don't miss out along with Pick the Scores with AB test series almost being struck. Just a reminder to make sure you deposit the funds when making your selections.

Having mentioned RSA member called Caramel Square last week, he has taken another step in being a MasterChef with sampling his Chilli Con Carne last week. Finally we have a new section called Pikes's Fact Hunt, did you know Sharks are older than trees and Sea Otters hold hands when sleeping so they don't get separated. Stay here for more wisdom.

. Take it easy. *Private Spike Pike*
