FROM THE PRINCIPAL'S DESK

Tena koutou katoa

Week one of term 3 has been completed and what a wonderful way to end it with the school ball on Friday evening. Our year 13 ball organising committee, under the guidance of Mr Stevens, must be congratulated on a wonderful effort, culminating in an excellent evening. The Coronation Hall looked set for a wedding with Chinese lanterns hanging from the ceiling and table decorations supporting the Asian theme. Our young people looked amazing with our young women dressed in beautiful evening dresses and our young men looking dashing. There was an array of entertainment on the evening and a DJ who quickly had music blaring and the young people on their feet.

I am very proud of our students and thank them all for making it such a pleasant evening.

Fundraiser Night

Things are organised for our fundraiser evening on Thursday 21 August. I encourage you all to come along for a great night of entertainment. Dave Upfold, Hypnotist, Magician and Auctioneer, promised to provide an unforgettable experience. There will be an auction at half time, refreshments available for purchase and some raffles. Tickets are available from the school office.

Items for Auction and Raffle

As part of the fundraiser evening, each of the four schools involved can provide three items for auction. Examples of items which could be suitable are: a week / weekend in a Central Otago holiday house, meat (eg hogget or beef), some art work, firewood, etc. If you are able to help out with any items which could be used for the auction, or to raffle, we would be very grateful. Please contact me at school.

Careers Evening

Our Careers Evening for 2014 is on **Tuesday 5 August** at 7.00pm. This is an opportunity for parents and students to come along to hear about the options for next year, about NCEA and also have the

opportunity to discuss individual plans for 2015 with HODs, senior staff and the careers advisor. Representatives from Southern Institute of Technology will also be with us for the evening and be available to discuss courses. I encourage all our students from year 10 up, along with their parents, to put this date in their diaries. Student option selections for 2015 are due by Friday 15 August.

Cultural Competition

Preparation for this House Competition is underway and students are spending form times practising in house groups. Each group must perform a waiata and a haka. I am really looking forward to the competition performances on the afternoon of Friday 8 August. Parents are most welcome to come along and watch these performances.

Teacher Only Day

A reminder that Monday 4 August is our Teacher-Only Day.

School-Wide Positive Behaviour for Learning

This week we feature a photo with a difference. Each year the Year 13 group puts in a lot of effort in order to organise the school ball. Lots of planning and organisation are needed and it does not just stop on the night. Here Eleanor Scoon is taking photographs. Students put in a lot of time developing skills around participating and contributing. Relating to others is also a huge component of what goes on.

Sports Talk

Netball

With the ending of the Saturday netball competition for seniors last weekend, a new concept of a weekday Secondary Schools Netball League commenced last Wednesday. The Toko A team played Catlins A at the Cross Recreation Centre and started the round with a fantastic win 53 to 9. Hopefully the girls will continue this great form playing other Dunedin schools leading up to the South Island Netball Championships in early September. The game this week was against East Otago High School, results next week. The remainder are home games at the Tokomairi High School gym at 5pm. Next week will see the girls take on Queens High School, this will be a competitive match up, so come along and support the A team, 5pm, Wednesday 6 August at the High School Gym.

Track Cycling

Did you know Mosgiel has a velodrome? Well it has and the club are keen to get a Secondary Schools League going this year. They are offering any interested students an opportunity to "have a go" on track bikes at the outdoor velodrome in Mosgiel. Have you been inspired by New Zealand's success at the Commonwealth games? Well come and see Mrs McElrea or Mr Buschl, track cycling is exciting, sociable, fun and excellent for fitness.

School Sports Uniforms

With some sports coming to the end of their season, can students please return any surplus uniforms. If you see a Toko jersey or singlet in your room that you no longer need please return to the Gym, these are costly to replace and we would rather spend the money on equipment and not replacing uniforms!

Milton Ladies Probus Club

A small number of members and two visitors met at the RSA rooms for our July meeting and entertainment, followed by a 'Soup, Buns and Savouries' lunch and a social time.

Our guest speaker was June Waters, formerly from Milton and now living in Balclutha, and a past member of the Milton Ladies Probus Club. June was recently awarded a Women's Institute Gold Honours Badge; these are awarded to only five women nationally each year and this is the top Women's Institute award. June has been a member of Women's Institute for nearly 60 years, has belonged to six Women's Institute branches and has held office in each. Her Golden Honours Badge was presented by Lady Janine Mateparae at the Women's Institute National Conference in Wellington last month, and June described the event as the highlight of her involvement with the WI movement.

Next meeting: Thursday August 7, at the RSA rooms, committee meet at 9.30am, morning tea and meeting at 10.00am and speaker at 11.00am.

Speaker: Max Quinn, Producer/Cameraman with Natural History New Zealand.

Milton Ladies Probus Club members are invited to bring a guest to hear this outstanding speaker. A gold coin donation is requested to help defray expenses.

Milton Senior Citizens

A soup and bun luncheon was served for the members on Friday 25th July. Three flavours of soup plus heaps of bread rolls and bread and butter

was more than enough to satisfy everyone. After a brief meeting a DVD, 'Gracie' was shown. It told the story of Gracie Field's life during WW II. The songs and storyline brought back memories for many members. Thank you Noel for the DVD and equipment needed, it was certainly enjoyed by all. Afternoon tea bought an end to a very good afternoon. Thank you to all who helped to make it a success.

Raffle Winner was Trevor Hight

Tokomairiro Toy Library

We have moved.

You can now find us at 51 Ajax Street. Call in and see what is on offer for your family.

With winter well under way cabin fever soon kicks in and we start looking for new and interesting things to keep our little ones entertained. We have loads of fun inside toys; dolls houses, a fire station with engine, space discovery centre, educational puzzles and games and loads of toys for those busy toddlers. When all else fails there is always that break in the weather to rug up and get outside in your gumboots for a splash in the puddles and a ride on the bikes and scooters! Our new ride-on toys are just amazing but some of our older tractors, trucks and bikes are just as popular.

So let us embrace these cold days and have some fun.

We are open on Tuesdays from 2 - 4pm and on Saturdays 10 - 12noon. 'Play is the way'.

Waihola District School

Rocketing our Reading!

This term we are having a focus on reading to help get students hooked into books! To help start our focus off, Room 2 students were asked to bring in their favourite books from home. We shared these books as a class with students explaining what their books were about and why they liked them. We also talked about who they might recommend their books too.

School-made Soup

A winter warming delicious addition to our 'home' lunches. The pumpkins were harvested in autumn and stored ready to use on a cold winter's day.

Milton Primary School

School Concert

On the Thursday night and the Wednesday afternoon of the last week of term two, Milton Primary School students performed a concert at the Tokomairiro High School hall. Each class performed an amazing item and the school band, MP3, performed three songs during the concert. The items consisted of; an amazing song about being superheros by Rooms 1 and 2, a scary Thriller jump-jam by Room 7, a hilarious act about how to Reduce, Reuse and Recycle by Room 3, a crazy performance about being parents by Room 5, a stylish performance of 'What Does the Fox Say' by Room 4, and last of all, a marvellous performance about Mr. Willy Wonka and his Chocolate Factory by Room 6.

The juniors and the seniors each performed some entertaining syndicate singing for the audience. There was a raffle and many prizes were won. The hall was full to bursting on the Thursday night and nearly as full on the Wednesday.

The concert was enjoyed by everyone. It was a wonderful afternoon on Wednesday and an even better performance on Thursday evening.

Milton Area Promotions Update

Thank you to all who attended our ninth Annual General meeting last week, we regards ourselves as lucky to have such a supportive community behind us.

Our Christmas tree at the Presbyterian Church just gets bigger, brighter and more impressive each year and a real focus for the Clutha region. Prior to the A & P Show last year the committee turned it's attentions to the unsightly and scruffy neglected South Bridge area. We started by spraying and clearing weeds and have followed up with a beautification programme due to start in the next month. The fundraising is almost complete and with the aid of some good weather we will have the Child's Cycle track (including landscaping) at Moore Park well underway by summer. None of this would happen without the help and support of our residents, businesses and local organisations, who have been so supportive with all our projects.

If you would like to lend a hand with any of these projects, without committee obligations, please contact Gunner, phone 0274046456, or Kay, phone 417 7477, or contact Jill McIntosh at the Milton Service Centre 124 Union St, Milton.

Toko took on a spirited young Owaka side at Owaka on Saturday. Toko started well putting Owaka under pressure early in the game with a good forward try to prop Matt Lyons, which was converted by Taylor Moeahu. Owaka then replied with a converted intercept try almost straight away under the posts. Score was locked at 7-7. Toko started to click together after Owaka's try with tries to flankers Mark Robinson and two to Semi Lackabuka, all converted by Taylor Moeahu giving us a half time lead of 26-7. Tries to second five Blaze Grant, wing Ben Adam and prop Kieran Calteaux were too much for Owaka, keeping them scoreless in the second half. Toko won the game 43-7.

Players to stand out were Semi Lackabuka, Dan Marshall and Ben Adam.

Saturday was our last game of the second round; we take on Heriot up there this weekend for the semi-finals. Be great to see our supporters there.

St Mary's Indoor Bowling Club

St Mary's Indoor Bowling Club held their annual tournament on Sunday 27th July at the Presbyterian Church Hall in Milton. The afternoon was enjoyed by the 14 teams taking part and from the laughter and chatter in the Hall, they were all having a great time.

At the end of section play, there were three teams that qualified for our very cut-throat post section play of three ends. Christine King and her team of Biddy Craig, Shona Preddy and Jill Rodgers came to a draw with

David and Wendy Roxburgh, Robin and Deanna Benington, and after an extra end we saw a great final with David's team being defeated by Ivy Grant, Ian and Diane Bennett and Phyllis Peek.

Our members this year donated some 90-odd prizes for a multi-draw raffle which is always a highlight of our tournament.

St Mary's Club Members thank all indoor bowlers who took part in our tournament and hope we may see you all back next season.
