## Year 12 and 13 Geography Tautuku Trip

On the 1<sup>st</sup> to 3<sup>rd</sup> July the Year 12 and 13's had the privilege of going to Tautuku to conduct research for a NCEA internal we are doing. We had to go down the Tautuku beach track where some of us took temperatures of the soil, others soil moisture and we counted the different types of vegetation in the area. The Year 13's were on the beach counting waves. The weather was mostly good on the trip so no one got too wet. Most people slept by the fire as the temperature dropped at night.

We kept ourselves entertained by having Ping-Pong competitions. We all found out how good Mrs Sim is at playing Ping-Pong when she came to visit.

The food was amazing, thanks to Wanda Maybee and the other people in the kitchen. We also got to enjoy eating the amazing cake Kelsi McKechnie had made for Abby McKay who celebrated her birthday while at camp.

On behalf of all the year 12 and 13 students, we would like to say a special thank you to Sue Nelson and Wendy Flett for helping us and making this camp possible.

## SWPB4L

(Schoolwide Positive Behaviour For Learning)

This week we see students from Year 9-10 music with Mr Rayner. Currently, as part of the SWPB4L programme there is a focus on students moving smoothly from one part of the lesson to another. In this photo, students demonstrate how to do it as they set up for keyboard instruction.

## FROM THE PRINCIPAL'S DESK

### *Tena koutou katoa* Cultural Competition

I have really enjoyed visiting the different venues around the school where the four house groups have been practising their items for the inter-house Cultural Competition to be held on Friday. It is great to see the senior and junior students working together as they build the skills of everyone in the house. I am certainly looking forward to seeing the groups perform on Friday afternoon. A reminder that members of the public are welcome to come along to watch the event.

### Netball

On Saturday morning I went to watch the junior netball teams play their last games of the season. When I arrived I noticed a team of players with black plastic bags as their uniform. I thought to myself, "That poor school. They can't afford to buy uniforms for their netball team!" As I walked down the courts I realised every team was dressed up and it was the netball final fun day. One of our Toko teams was dressed as super heroes and the second as princesses. They looked great and were definitely having a fun day.

### Fundraiser

We are continuing to prepare for our community fundraiser on Thursday 21 August. It promises to be a night to remember and I encourage you all to buy a ticket – contact any of the four schools in Milton. Dave Upfold, Hypnotist, Magician and Auctioneer, promised to provide an unforgettable experience. There will be an auction at half time, refreshments available for purchase and some raffles.

### Items for Auction and Raffle

As part of the fundraiser evening each of the four schools involved can provide three items for auction. Examples of items which could be suitable are: a week / weekend in a Central Otago holiday house, meat (eg hogget or beef), some art work, firewood, etc. If you are able to help out with any items which could be used for the auction, or to raffle, we would be very grateful. Please contact me at school.

### Log books

A reminder to use the student log-books for communication

between home and school. You will quite often find a teacher has written a note in the student logbook. Please make sure it is signed off. The theme of Study Techniques and Approaches continues with a focus this week on problem solving. There are some very good tips in both the junior and senior logbook.

### First Aid

As I write this article all the staff are involved in doing their first aid course under the tutoring of a representative of Red Cross. This teacher-only day has been a great opportunity to up-skill the first aid skills of all our teachers. We will now always have qualified first aiders with any school group going out of the school.

### Senior Exams

This is advance warning regarding the senior school exams. These have now been scheduled for the week from Thursday 11 September through until Wednesday 17 September. These exams are vitally important – both as an indicator to the students as to their readiness for their external exams in term four, and to use as a grade predictor if a student is unable to complete the external examination in November. It is really important students work hard to achieve their very best in these examinations.

## Sports Talk

### Netball

The A Netball team had a win over East Otago High School in the Secondary School League through at the Edgar Centre last Wednesday. The final score for the game was Toko 33 and East Otago 28. Toko made a good start to the game up 9-3 after the first quarter. This was followed by two rocky quarters with the scores even at the end of the third quarter. Toko luckily made a comeback in the final quarter to clinch the win. The next game this Wednesday is at the High School Gym at 5pm against Queens High. Good luck to the girls.

### Hockey

The two teams are into the final stages of the season. The Year 7/8 team had a great win over Strath Taieri on Friday, dominating the game and winning 3-1. It was a vital win and gives the team a real chance of making the top 4 in the Premier Division, which would be a great accomplishment. Laura Wilkinson scored 2 goals and Clara Scoon was the Player of the Day with her strong work in the midfield. The Senior Girls team continue on their merry way in Division 3, crushing Columba Juniors 7-1, and looking good to be one of the top two Division 3 teams.

## Milton Area Cross Country

On Tuesday 29 July, Milton Primary School and St Marys went to Tokoiti for the cross-country. The Year 3, 4, 5, and 6 did a very long run, about two and a half km back behind the school and then around the school and onto the finish line. The younger kids did a shorter course. The weather was sunny but it was very muddy so many children slipped over! The children who came first, second, third, fourth and fifth from Years 3,4,5 and 6 are going to the South Otago cross country in Clinton on the 20<sup>th</sup> August. All the children tried hard and did very well. They should be very proud of themselves.

## Milton Elder Care

With many clients suffering from colds and flu our numbers have been lower than usual this month, but those that managed to attend have all enjoyed themselves.

Entertainment started the month with Sylvia and Eddie playing well known songs that some sang to. Jen Paul once again produced beautiful flowers that look so easy when she does it, what a talent. Our in house lunch of pea pie and spud is always enjoyed and the dessert that follows. An afternoon of DVD's and happy hour was enjoyed. One of our volunteers Rosemary came with her paintings and displayed to all. A trip to Balclutha for lunch at the Captains Café was popular with everyone. Once again our thanks to Gunner for the use of his van for our away trips. Housie again was played with great prizes up for grabs. The month finished with guest speakers Rev. Malu and Luisa Freuan speaking on their lives and how they came to be ministers, all enjoyed the talk with lots of questions. Next month we will be celebrating our 20<sup>th</sup> Birthday with a three course meal and welcoming back some old faces.

## Milton Garden Club

There was a small attendance of members at the July meeting of the club, held in Senior Citizen's rooms.

Deborah McQueen, from Otago Hospice spoke on all aspects of hospice care, explaining that joining the hospice program, does not necessarily mean one is admitted to the inpatient unit.

Wherever possible, care is provided in the patient's own home, with visits and support for the whole family and caregiver.

It was all very enlightening and I'm sure we all came away understanding how the hospice is there to help, in so many ways.

Deborah joined us for afternoon tea and was still happy to answer any questions.

Raffle winners for the day was Elsie Keast, Pat Clark and Jenny Forde.

Competition winners: Spike - D Orr, D Clark, C Beattie. Shrub - N McGruther, F Grant, O Williamson. Bloom - C Beattie, V Fisher, F Grant.

On Monday August 11<sup>th</sup>, the Annual Meeting will be held in the Senior Citizen's Rooms at 1.30pm. Speaker - Jeanne Barclay. Competition - Bloom, Spike, Shrub. Please bring a small plate.
