Sports Talk

Summer Hockey

A group of keen Year 7 and 8 Hockey players are participating in a Summer Hockey League at the turf in Dunedin. They had their first game on Monday night and started the season with a spectacular win 11 to 3 against a Dunedin team the Summer Sticks. Jadin Coulter-Butler scored 5 goals for the team. The player of the day for the Mighty Sandwiches goes to Liam Grant for his great defence and good attacking. Good luck for the season boys.

Touch Rugby

It was a very cold night down in Clutha last Thursday and it was great to see the kids give it their all in trying conditions. Meg Clark from the Elves scored her first ever touch hat trick of tries, awesome stuff for only her second ever game! Results from the Year 7 and 8 teams, Wizards lost 4-1, Elves won 6-3, Giants lost 4-1.

The Toko A team got their Clutha season underway with a hard fought 4-3 win over a tricky Waihola team. The team is very young this year with an eye to the future, there are 6 students in Year 9 or 10 in the team so things are looking bright. Dylan Greer, Nic Shaw, Terri Thomas, Charlotte Allan and Georgia Pringle are all returning for another crack and will look to guide these young chargers to the Otago Champs in 2015. Expect big things from this dedicated group of students.

Once again, thanks to those parents who helped with transport. Without you we couldn't get our students to the games!

Twilight Netball

Once again, the Tokomairiro High School Sports Council has organised a Twilight Netball Tournament for the Community. Last Tuesday was the first game in a six game round robin tournament. It was fantastic to see so many people out having a great evening playing sport. We have six teams entered in the competition and some very talented players. Don't forget to get those fees in and we always have soft drinks available for purchase on the night.

St Mary's School

Confidence Course

The Dads' of St Mary's School came together during the holidays to build a superb new confidence course making a wonderful new addition to an already excellent playground. Principal, Diane Hayes, said that there was a great deal of support from the parents in the school. That many families were represented in the fundraising, planning, organising and building of the Confidence Course. She said that the generosity of all involved was humbling and a true indication of the tremendous rapport that the school enjoys with all members of its school community.

Mrs Hayes said that the children are delighted with it and it will certainly help to enhance the physical agility of the children.

Rural Outlooks

NEW

27 Park Road, Milton

Nestled behind the hedge sits this well cared for home. The exterior has been repainted, all aluminium windows and insulation in the ceiling is approx. 2 yrs old. This substantial sized home holds vast storage and has 3 supersize bedrooms. The modern kitchen is approx. 5 years young (dble oven-gas hob) flowing to a spacious lounge room heated by a gas fire. Separate W/C, wet area and utility room. The sunroom addition serves as extra living. Established gardens and grounds, several sheds, glasshouse, PLUS a big double garage/workshop. An ideal Spot.

Senior Students

It is great to see most of our students working so hard and preparing for their external examinations, with some also finishing off internal assessments. It is important all our students have now designed their study timetable and are putting in the extra effort outside school time if they are to achieve to the best level they are capable of achieving. Teachers are putting in the effort to support the students in their final preparation, both in class and out of class times as well. Students need to make sure they make the most of these opportunities.

Learning Curve Logbook

This week's lesson has some great ideas about preparing oneself for exam day and focuses on "keeping your MARBLES". There is some great advice as our students head towards the examination period.

Junior Assessment Week

This is scheduled for the week 10th – 14th November. It is important the students work hard to prepare for this week. This is especially important for our year 10 students as their entry to some courses may be affected by the outcome of their results. I encourage all students to work hard and strive to achieve their very best.

PTA Fundraiser – Annual Lake to Sea Trail Bike Ride

The time has arrived and we all look forward to the trail ride this weekend. We are hoping for a really great day with lots of riders and the weather being kind. It is such a great community event and we are sincerely thankful to all those who have donated food for the event and to all those who are giving of their time on the day.

Thank you to you all.

Nga Manu Pounamu Awards

The Manu Pounamu Young Achievers' Awards are being held this Friday evening at the University of Otago College of Education Auditorium. We are thrilled to announce that our recipients for 2014 are: Senior – Jemima Aratema and Junior – Jackson Anderson. Congratulations to them both.

Junior camps

Both year 7 and year 8 have camps this term. Our year 7 students are heading to Waihola, one night camping out and a second night at the youth camp, Monday 3rd – Wednesday 5th November. I am sure they will have a great time. The year 8 camp is two weeks later

(Tuesday 18th – Friday 21st) and is being held at Waiora Scout Camp at Whare Flat. They have some amazing activities planned for this week.

PTA

A special thanks must go to the PTA for the support they give to the school and for the contributions they give towards students taking part in activities. A considerable subsidy towards the cost of students attending school camps, or representing the school in any way, is given by the PTA each year. We are truly grateful for the work they do to raise funds and support our students. Thank you.

Cricket Coaching

On Friday, Tim came from the Otago Cricket Association to teach us some cricket skills. First we warmed up by doing some passing and catching. We got a partner, then passed the ball to them when Tim said "throw". Every time your partner caught the tennis ball you moved back one step. Some people made it from one side of the court to the other!! After that we did some batting practice. We played non-stop cricket. We first had a practice run of the game so we knew what we were doing. The batting team started with three bats and if a batsmen got out they would lose a bat. Eventually they would run out of bats and the two teams would change over. Tim would underarm a tennis ball to us and we had to hit and then run around the cones. If we didn't run around the cones, that run wouldn't count. It was fun. At the end of the session, Tim gave us a bag of cricket things, like a Cricket World Cup ticket voucher.

Milton Ladies Probus Club

At the October meeting of the Milton Ladies Probus Club we were fortunate to have Janette Black from the BNZ in Balclutha speak to us about "Scams". Janette proved to be a most able, interesting and worthwhile speaker and gave members many useful hints on dealing with scams and scammers. She advised us to become "Scam Savvy" – Scams are designed to trick you into giving away your money or your personal details. She covered topics such as; what scams are, why they work, protecting ourselves, being good with our money and being online savvy. Janette was thanked by Nola Allan and presented with a fruit basket.

The next meeting will be held at the RSA rooms on November 6 at 10.00 am. The speaker will be Ebony Johnston from the Otago Community Hospice.

All members are asked to come to this meeting as we will be discussing the future of our Probus Club – do we remain with Probus South Pacific Limited, or join Probus New Zealand Incorporated?
