Year 7 Quarantine Island Camp

On Wednesday the 18th of March the year 7 Tokomairiro High students set out on Camp Quarantine Island. Their camp consisted of a trip to Toitu Museum to learn about immigration to New Zealand, a trip to the Tairaroa Heads to view New Zealand wild life, sleeping aboard a 12 meter yacht, kayaking, bush walking, treasure hunts, conservation and painting t-shirts. The main focus of the camp was: To learn about immigration to New Zealand and how culture and heritage is passed on. (Students presented their new learning in the form of a skit on the last night.) To challenge themselves and strive for personal excellence. To build relationships with students in their year group.

The highlights of the trip were: Kayaking around the coastline of the island in small groups. Students got the opportunity to see seals, shags, octopus and starfish. They enjoyed a hot raro on the beach before making their way back to the main bay. Travelling aboard the yacht 'Caprice' out to the Tairaroa Heads for a two and a half hour wild life cruise. Students saw lots of albatross both swimming and flying. They also saw seals playing in the sun.

The skit night was a great laugh. Students prepared a short skit in small groups. Each skit was full of hilarity and humour. The winning team was Jake, Ezra, Harley, Jack and Matthew Laing.

Sleeping aboard the boat. Some of the students were a bit nervous about staying out on the boat, but ended up enjoying it. This was especially because they got to stay up later than those staying in the lodge. The boys sleeping aboard the boat were lucky enough to have a late night cruise as they moved in the night due to the change in the weather.

Tokomairiro High School Newsletter ...

FROM THE PRINCIPAL'S DESK

Ngā mihi nui kia koutou katoa

It is hard to believe how quickly this first term has sped by. Summer has well and truly passed and we now get ready to prepare for the winter terms. The best thing about new terms is the chance for new beginnings for any who want to take advantage of that opportunity.

Lip Sync Competition

Last Thursday I had the genuine joy in attending the school's annual lip-sync competition. I was deeply touched by the generosity of the students participating and the audience, as act after act came on stage with the single idea of entertainment. To see shy students, who normally have to brace themselves to speak to anyone, perform on a stage is magical; to see those who would happily take all the limelight, step back to let others shine, equally magical. To see friends, classmates, brothers perform with tenderness and respect and to feel the audience responding accordingly was a privilege. Congratulations to everyone who had any part to play in that evening. The icing on the cake, perhaps, is all the money raised is being donated to the Cancer Society.

Congratulations

We congratulate Nicola Gowing on her recent promotion to Assistant Principal. We are very sad she is leaving our school to work at Taieri College early in Term 2. Her contribution to our school drama, classroom teaching and many other aspects of school life here have been highly valued and appreciated, and we wish her every success in her new career path.

Blind Dog Appeal

A group of Year 10 students volunteered their time to help with the Foundation for the Blind Dog Appeal. This service to the community is valuable for teaching our young about the importance of volunteering their time for the benefit of people other than themselves, along with developing skills in interacting with the public. We know these students want to get things right and we take pride in their willingness to help. We thank the community for their understanding when working with school students and for giving generously to this cause.

Parent Interviews

Parent interviews were held on Tuesday evening. It is always constructive to meet face to face and we trust that, for the parents attending, the interviews were of

value. If any parents missed out, please feel free to make interview times with any teachers through the students' logbooks, or by phoning the office.

Tokomairiro Way

Malcolm house has crept ahead in the Tokomairiro Way values competition by inserting more vouchers into the box last week than the other houses. This competition has been embraced across the school as students battle it out in the most positive way. The weekly draw for prizes is well received and fun to be a part of.

Shave for a Cure

There can be few more generous or brave acts than allowing someone to cut off your hair in order to raise money for a cause and yet this is exactly what a group of students did, along with a parent, last week. Students donated money to watch the event and continue to do so. If you wish to support Jasmine Flett, Molly Flett, Reuben Wilson, Sam Walker, Chase Cole and Kaleb Fegan in their fundraising, please feel free to drop money off at the school office this week.

Sports

Sporting wise our students have continued to be busy. Last weekend the school's Mixed A Touch Team travelled to Christchurch for the South Island championship touch tournament and while they did not win overall, their coach said they made some wins over better teams and were beaten by others. They nonetheless, worked hard throughout the competition.

The Year 12s took part in an aquathlon, which had them swimming 200 meters then running two kilometres with the goal of doing this in less than 14 minutes.

The weekend was also full of activity with some students attending the Otago swimming champs and some Year 11s are walking the Routeburn. We expect them back on Tuesday. These events can only go ahead because of the generous time given by teachers and parents. It is easy to take this for granted and so it is important to acknowledge the personal time they give up for our students. Thank you.

Farewell

It was a sad day on Thursday when the staff finally farewelled Matua Tiaki who had been employed by the BOT to teach Te Reo and Tikanga Māori. Unfortunately, due to deteriorating health, he has found it necessary to retire from teaching. He is returning firstly to the Taranaki to be with whanau then continuing to his birthplace at Tolaga Bay. He will be missed and we wish him well. Mrs Whaley will continue with and develop the work he has started.

Winter Uniform

Next term all students change into winter uniform. Please make sure you check what this means by reading your child's logbook which has the full details. For all students, it means a school tie is worn. Kilts should have been ordered by now; these take several weeks to be made. It is especially important to check shoes are suitable for the cooler, wetter weather.

Tokomairiro High School Newsletter Continued ...

Welcome Home

This week we are welcoming Mrs Sim home from her overseas travel. She has made some good connections and hopefully we will have a growing number of international students attending our school as a result.

End of Term

The students who gained top levels in the Tokomairiro Way Credits will attend the Principal's Lunch on Tuesday and we have our final assembly on Thursday, starting at 2:10. Family and caregivers of students attending our school are warmly invited to attend that assembly.

We trust all our students and staff will have a safe holiday and use it as a time to recharge their batteries. We know Mrs Devlin will certainly be doing that as she embarks on a six week sojourn in Europe. We look forward to hearing her tales when she returns and are grateful Mrs Flett has stepped in to make sure classes will be ably taught in Mrs Devlin's absence.

Hei kona mai i roto i ngā mihi

Karen Vollweiler
(Acting Principal)

PEER TUTORING

Opportunities for younger students to be tutored by older students after school in the library are being finalised for the start of next term by Ms Eames.

If you wish to involve your child and haven't already arranged to do so, please leave a message at the school office stating the student's name and preferred time(s). Tutoring is available Monday -Thursday until 4.15pm. Students can attend one or more afternoons.

YEAR 11 SPEECHES

Parents and caregivers are advised that these have been postponed from the original assessment date of 27th March. Instead students will be assessed early next term. Students should be allowing time at home for preparation including rehearsal. If you wish to know more please contact Ms Eames or Miss Hart.

OVERDUE BOOKS

Overdue reading books Year 11-13. There are a significant number of reading books still unreturned from 2014. Could parents and caregivers please check at home and get books back to school. Many books will have Library, English Department, Miss Hart or Ms Eames on the inside of the cover. We thank you with your assistance in this.

COMING EVENTS

Wednesday 1 April – East Otago Sports Exchange

Thursday 2 April – Last Day of Term 1

Monday 20 April – First Day of Term 2

THS Sports Talk

School Sports Hoodies

The Tokomairiro High School Sports Council are introducing sports hoodies for those students who would like a Tokomairiro High School hoodie. These will be part of the sports uniform to be worn at sports events and not part of the school uniform to be worn around school. We have selected a good quality navy blue hoodie with the Toko crest embroidered in gold on the front. On the back students will be able to get their first name or surname printed (no nick names). Students who represent the school in A teams will be able to get their respective team names and year printed on the front. Please support the Sports Council's fundraiser as all raised funds go back into sport for the students at Tokomairiro. Order forms can be collected and then returned to the Gym office and they will sell for \$63.

South Island Touch Champs 2015

This was the second year that our mixed Touch team has qualified for the SI champs in Christchurch. We qualified by placing 2nd in the Otago Champs behind South Otago High School. After an uneventful but highly entertaining trip up to Christchurch our young team took to the field looking pretty nervous. On the first day we had two heavy losses and one very good win. We lost against Lincoln (the phantom) High School in our first game and Queen Charlotte in our second. The inexperienced team was struggling to cope with the pace and intensity of the other teams. Then in our last game we had a great

game against Kaiapoi (who were the second ranked Christchurch team). Suddenly everything clicked and we totally dominated the first half, and held on in the second spell for a very good 10-8 win. This meant that we finished 3rd in our pool. Our recovery session included an ice bath at the beach where the team enjoyed the surf, and a drive to the city centre looking at the earthquake damage. On the second day we had two games and lost both despite a clear improvement in our play. We lost to Rangiora High (in a very close game) and to South Otago in the 7/8th playoff game. Finishing 8th was ok, and the team was happy with how they played. We lost nine members from last year's squad and the improvements made by all of the first timers were remarkable. Our leaders Dylan Greer, Nic Shaw and Charlotte Allan all had strong tournaments and Nikki Hall, Tayla Frost and Sam MacDonald were the big improvers.

The team were a close knit and happy group. Big thanks to Mr Sinclair and Mr Buschl, and our most helpful parents Novenne and Sandra.

East Otago Exchange

This annual tournament held between Toko and East Otago at the Edgar Centre is a much anticipated event at the end of term 1, with 70 students participating. Events include Touch Rugby, Netball, Basketball and Volleyball all being played on Wednesday 1 April. Results will be available next week.

Milton Elder Care

With summer still putting on her best face we played 'It's in the Bag', a very popular time spent by all present, with good prizes given out. The popular game of housie was played and enjoyed by all, with one or two taking home a small purse of cash. A trip to Kaka Point was enjoyed by all present. The weather there was lovely with no wind. Sylvia and Eddie came and entertained us with many well-known songs that some sang along to. On Monday 16, we celebrated St Patrick's Day and most dressed up in green. A lovely lunch was enjoyed in the rooms. On Wednesday we were lucky to have Kerry Dowling from Sumpter Moore come and tell us about making a will and ways of making sure that all your wishes are followed out. With Anniversary Day, it was a short week for Care and a trip to Lawrence was enjoyed by all present. Our thanks again to Gunner for the use of his van to help with transport. The month finished with a very enjoyable afternoon, with light entertainment by the Care Volunteer Players. All appeared to enjoy the afternoon.

Milton Garden Club

On Monday March 9, members travelled to visit gardens in the Outram area.

We were warmly welcomed to the Millbrook Lavender Gardens by Denise Chaplin. With beautiful views over the Taieri plains, this is a garden full of interest, a pond, waterfall, set among large rocks, rockeries and the beginning of autumn colours among some of the trees. The lavender is grown as a commercial crop and is processed on the property, into many products, which are sold in the shop on the grounds. Sitting in these beautiful grounds having our lunch was a very social affair, which we all enjoyed.

The garden of Daphne and John McFarlane in Outram was visited in the afternoon. Full of roses, dahlias, fuchsias and many other perennials in bloom, making a blaze of colour, and plants for sale make this a lovely garden to visit with Daphne and John being such keen and energetic gardeners who love to share their garden and their knowledge.

Last Outram stop was the reasonably new garden of Denise Ockwell, another garden full of colour also featuring rockeries, but the feature that made us all quite envious was the huge heavily laden tomato and corn plants.

A stop at the Momona plant stall on the way home was another chance to buy 'more plants', so the bus was well laden. We all agreed it was a lovely day out.

Raffle winners; C Flett, J Hight, D Chaplin.

Later in the month, four members travelled to the Kindred Group day at Palmerston.

On Monday April 13, we are visiting two gardens in the Dunedin area, also the Botanic Gardens where we will have lunch, bring or buy! Bus leaves Elizabeth Street at 9.30am. Members will be telephoned.

Bible Reading for Today

St John 1:1

In the beginning was the Word, and the Word was with God, and the Word was God.

New Moore Park Cycle Tracks

Our community spirit is alive and well after another very productive Saturday, when another five truckloads of concrete (30 metres) was laid. Many thanks once again for the tremendous help of the 20 plus volunteers who showed up on Saturday, with racks, shovels, tools and dedicated passion, including our very keen Milton Area Promotions, Rotary and Lions Clubs members.

We managed to complete the big main tracks around the park and got a good start on the wee kid's tracks up in the top corner. Many thanks again to you kids for keeping away from the tracks under construction and of course off the wet concrete! We are having a break for Easter, then on the following Saturday we are going to box up and prepare the remainder of the small tracks and pour them the following Saturday, weather permitting. Then there will be painting, road markings etc, picnic tables and tidying up to do, before officially opening this tremendous great new attraction to Milton.

If any businesses wish to buy a street or corner etc, to have it named after them, then expressions of interest may be made with us, please contact me - Selwyn Wilkinson, phone 027 404 6456.

Thank you everyone for your patience.

Movies @ Milton

Tokomairiro Young Farmers

Firstly I am happy to say that after the success of the pea straw sale fundraiser last month it was decided, at the last meeting that the club would make a further donation on top of the funds raised. In total we have given \$1000 to the Otago Rural Support Trust.

Our monthly social BBQ was near Waihola on the 20th, it was well attended and a good night was had by all. A few members attended the regional AGM for the Otago Southland Young Farmers on the 22nd. Several positions on the regional exec were filled by Toko Young Farmers which is good for the club.

Coming up: this weekend we will be making a start on the firewood ready for sale soon, keep an eye out for that in the coming months. There is a ball in Middlemarch which several members will be attending which looks set to be a good night. As well as the regular meeting and BBQs.

The Next meeting of Toko Young Farmers is next week on Thursday 9th April, at 7.30pm at the Westside Café and Restaurant in Milton. New members and associate members are most welcome as always. Contact Stef on 027 636 4881 or James on 022 361 8975 for details. Facebook - Toko Young Farmers - for information and events.

Milton Senior Citizens Report

Our Annual General Meeting was held on Friday 20 March beginning with a shared lunch.

Not a large crowd attended, so there were not enough to form a quorum and we will now have a Special Annual General Meeting to elect the next committee. In addition, we need to make some changes to our Constitution. A notice advising members of this appears in the Genesis public notices. This meeting will be held in our rooms on April 17 at 2pm. All members are requested to attend if possible.

Our next meeting will be on April 2 (a Thursday) as the next day is Good Friday. We are to have a Bring and Buy Sale and if time permits a games afternoon, so please get out those things you don't want. Bring baking, veges or anything that will sell.

April 17 - special AGM at room 2pm.

Gym Report

Days are shortening, so now is the time to weatherproof your fitness programme. With the arrival of our new gym manager, Robyn Mathieson we are offering you a sweet deal to wear off the Easter excess. Robyn will be starting on Tuesday 7 April. She will be available from 11 am to 6 pm to introduce you to the equipment and help you start a cardio/weights programme. The physios will be offering specific exercise programmes for private clients on request. Paul Skipper and Sue Downs are personal trainers that will work with you on request.

April Manager's Deal: Save on three month memberships, join in with a friend and save, students and seniors save \$10 each when you join or re-join with a friend, adult membership save \$15 each when you join or re-join with a friend.

You would be a fool to miss this deal.
