## Milton Pink Ribbon Breakfast

The guest speaker Mary Grant, pictured above addressed the ladies who attended the Pink Ribbon Breakfast at the RSA, followed by Marlene from Nutrimerics who gave a presentation and sold items from her display table. This was followed by an auction of donated goods run by professional auctioneer I Carruthers.

After all the raffles were drawn it was found about \$1200.00 had been raised for the Breast Cancer Foundation. This was a great outcome, which organiser R Fox was very pleased with.

## Gym Report

It was great to see some new faces at the Rec Centre's Keep Moving class last week. These classes run from 2.30 – 3.30 pm on a Tuesday and Thursday for \$3.00 but you are welcome to stay longer than an hour if you wish. There is plenty of room for more people so if you have been thinking about coming along, please do.

On Sunday 7<sup>th</sup> June the gym will be open from 11am until 2pm for people to come along and look around, ask questions and try out some equipment. There will be some special deals available on the day for joining the gym so don't miss out! Concession cards are available too – eight sessions and get two sessions free. Upon entry to the open day, put your name down

and go into the lucky draw for a free membership for a month. There are two of these to be won for brand new people. So, if you have always thought about coming to try out the equipment and never got around to it – Sunday 7<sup>th</sup> June will be the day to do this.

I would like to start up a Good Health and Wellbeing Club where you can come to the gym, weigh yourself, record your weight on your own personal card and set a goal for the week ahead. Your goal could be how much exercise you can do and what foods to eat for good health and weight loss or maintaining your weight. The cost will be \$5 (the cost of a casual gym session) for a weigh in, goal setting for the week and a work out in the gym for an hour or longer if you wish. For current members of the gym there will be no charge. I am gauging interest for this at the moment so if you are keen please email: [tokogym@xtra.com](mailto:tokogym@xtra.com) or phone 417 7066 between 11 am and 6 pm to let me know. Times for this would be 10am on a Monday and 5.30pm on a Monday.

Have a great week and stay safe, healthy and warm. Hope to see you at the open day. *Robyn Mathieson*

### Teacher Only Day – Tuesday 2 June

Our teachers spent the morning with Education Consultant, Margaret Ross, discussing the importance of academic mentoring to raise the achievement levels of students. The model discussed involved a teacher, student and parents meeting together to look at the student's strengths and goals. Planning is now underway as to how we can manage this in our school community.

### Health and Safety Course

Seventeen students took advantage of the opportunity to come into school on Tuesday to complete the Health and Safety Course. Congratulations to all those students who completed the course and earned credits towards their NCEA.

### Cyber-Safety

All our year 7 to 10 students will be involved in a Cyber-Safety course on the morning of Wednesday 3 June from 8.40 – 10.15. We are lucky enough to have John Parsons, an Internet Safety and Risk Assessment Consultant who works with students, teachers and parents all over the country.

There is also a workshop for parents of all Milton youngsters – 7.00pm in the Tokomairiro High School hall.

### Year 12 and 13 Geography Camp

The last three days of this week involve our year 12 and 13 geography students being based at Tautuku camp carrying out data collection for their research

projects. This is an excellent hands-on learning experience.

### Charity Collection

On Friday 5 June we will have a group of students collecting at the Four Square for the annual **Ronald McDonald House** collection. Please support our students in this very good cause by making a donation.

### Representative Honours

Congratulations to all those students who have been selected for representative honours. We will publish a list very soon. Remember you can make an application to the Sports Council for a contribution towards your travel costs. Contact Lisa McElrea for more information – [lisa@tokohigh.school.nz](mailto:lisa@tokohigh.school.nz)

### Reports

Teachers are currently very busy writing reports. These will be completed and given to all students on the last day of term. Copies can also be emailed home or can be accessed through the parent portal to the student management system, KAMAR.

## Tokomairiro Early Learning Centre

Recently we have had several children graduate from our centre and move onto school and we wish these children all the best for the next step in their learning journey. As each child finishes at TELC, a special graduation ceremony is held to acknowledge this most important occasion and the child has the opportunity to wear our centre korowai cloak and graduation hat as they proudly stand on the stage before all their family, friends and teachers. After a short speech acknowledging their contribution to our centre and receiving their graduation certificate, one of the most poignant moments is when they then go round the circle and say goodbye to everybody (usually with a goodbye hug). It is lovely to watch the teachers and children openly embrace our graduate, as they demonstrate how much they mean to our centre whanau. Our graduates also receive a pounamu as a leaving gift and a packet of sunflower seeds, which have been collected from the gorgeous sunflower plants that bloomed so beautifully over the summer months. With all the graduations we have had over the past few months, there are now some spaces available if there are any families in the community considering their options for early childhood education. We offer excellent teacher:child ratios, qualified and registered staff and a fun filled learning environment for children. For any enquiries please phone our centre manager Lynne on 417 8180 or better still, come and visit our centres at 94 Johnson Street and 71 Spenser Street and see for yourself what we can offer you and your children.

## Tokomairiro Young Farmers

Hello everyone. The last meeting of the Toko Young Farmers was good, we had Hazel Willis from OSPRI/ TB Free join us. She gave a very good informative talk to us about their TB free programme and their mission to eradicate bovine TB from New Zealand. The quiz she set at the end of the meeting was great fun. I was luckily on the winning team heading away with a great prize. In May we had our outing to the Mornington Tavern for a meal out. It was a good night out with a fantastic meal, a good night enjoyed by all. Coming up this month, there has been organised a couple of health and safety network evenings for Young Farmers clubs in the Otago/ Southland Region. These should be a good opportunity to catch up with members from other clubs and find out about the latest in Health and Safety, a big issues these days, with guest speakers from Worksafe NZ. On the 2<sup>nd</sup> to 4<sup>th</sup> of July is the Grand Final of the ANZ Young Farmer Competition held in Taupo this year. Good luck to all the competitors, especially Steve Henderson from this region. The next meeting for us will be at a new location. In an effort to try to attract new members from further north we will be trying a meeting in Waihola. So please spread the word to young people up in the Taieri and Mosgiel areas that they are most welcome to come along. At the meeting we will be joined by the New Zealand Army Reserves - Territorial Forces, they will be talking to us about joining up with them. The next meeting of Toko Young Farmers is next week on Thursday 11<sup>th</sup> June, at 7.30pm at the Lake Waihola Café and Bar. New members and associate members are most welcome as always. Contact Stef on 027 636 4881 or James on 022 361 8975 for details. Facebook - Toko Young Farmers - for information and events. Remember the Toko Young Farmers club is for everyone not just farmers!

## Milton Senior Citizens

Our fortnightly meeting was held last Friday with about 25 people attending. Peggy welcomed everyone present to the meeting and many apologies were received. The list was passed around for those wishing to go to the mid-year dinner on 26<sup>th</sup> June at the Bruce Country Club catered for by Kelly Wicks and her team. The list will be out again next meeting, so if you want to go please let someone know, if you are unable to be at the meeting. The raffle was won by Greta Jenkins. Our entertainers were Sylvia and Eddie Woodhouse. Sylvia was great on the keyboard which she plays by ear. There was a great sing-a-long and everyone enjoyed the afternoon. Our next meeting is to be opened to the public and our speaker will be from the Otago Community Hospice. We are asking all who attend this meeting to either bring along packet food or tinned food (NOT baked beans, spaghetti, or tinned fruit in syrup and no perishables thanks). Or if you wish to give a monetary donation that will also be gratefully received. This meeting will be held in our rooms on June 12 at 2pm. Members a small plate please. Our next committee meeting will be on Thursday June 11 at 10am. (Please note change of day.)

## Milton Elder Care

On the 1<sup>st</sup> June, three carloads went to the open day at Ashlea Grove, where we were made very welcome and given a beautiful afternoon tea, then we were invited to have a look at the beginning of the upgrades in the rooms. They look very nice and a lot more homely. Thank you to all involved in the afternoon. Housie started the month at the rooms, clients would play housie every day if given the chance. On Wednesday, the clients each gave a talk on 'this is my life', some very interesting times. Doug Nesbitt came and spoke to all and was found to be very interesting and a fun speaker. Thank you for your time Doug. Rex and Joyce Spence came and played for the afternoon. At the start of the next week, Sylvia and Eddie came and kept everyone on their toes with jokes and good music. A lunch was held at the rooms with Pie, Spuds, Peas and dessert, this is always enjoyed by all. On Monday 25<sup>th</sup> with snow on the ground in Dunedin, Terry Byers was unable to come down so yes you guessed right, Housie was the choice of the afternoon. The final day of the month was a trip to Balclutha to the Captain's café where all were able to choose what they fancied, it was enjoyed by all. Thank you to Gunner for the van, the afternoon finished with shopping at the Warehouse. The hall now has two heat pumps in the rooms, so all will be warm.
