Tania McNamara, [tania@milton.school.nz](mailto:tania@milton.school.nz) or Glenis Sim, [thsprincipal@tokohigh.school.nz](mailto:thsprincipal@tokohigh.school.nz) for more information or apologies for the meeting.

### Genesis Office

There have been some changes at the Genesis office. Connie Smith has a new position in the school but is still involved in the background. Jocelyn Gilling's hours have been extended and now she has taken on the full production of the paper. With these changes this means the Genesis office will only be open on Mondays and Tuesdays (except when Monday is a public holiday, then it will be Tuesday and Wednesday). See the office hours on the back page.

When the office is unattended please ring the high school office on 417 8620 or visit Connie at the school office. Notices and payments can also be left in the box in the Genesis office door. The Genesis will still be bringing you all the community news, reports and information about what is on in your town. Thank you for your support.

#### Options Information Evening

It was great to see a good number of parents and students at our Option Information Evening last week. I hope you managed to get answers to your questions. Year 10 to 12 students need to have selected their options and entered them through the portal by the end of this week.

#### Visit from Grant Robertson

Labour's MP for Wellington Central and Finance Spokesperson, Grant Robertson, is visiting next week. Grant is scheduled to visit Tokomairiro High School on Tuesday 1 September. He will speak to our year 11 to 13 students at an assembly. Members of the public are also welcome to attend. This will begin at 9.50am

#### Tournament Week

Our senior 'A' netball team is off to the South Island tournament next week. We wish them all the best for their games. I know they will be great ambassadors for Tokomairiro High School.

#### School Reunion

2016 is a very special year for Milton Primary School and Tokomairiro High School. It will be 50 years since the two schools became separate schools. We are planning a reunion during Labour Weekend next year. We would love to have as many ex-students and staff involved as we can and are especially keen for people to volunteer to be part of the organising committee. The first meeting is next Monday evening at 7.30pm in the staffroom.

#### Small Engines Course

Last week, twelve year 12 and 13 students completed a course on small engine maintenance, with particular emphasis on agricultural machinery. It was two very busy days for the students who gained a number of credits towards their NCEA qualifications.

#### Senior Examination Week

This is coming up very quickly. It is really important that students work hard and aim to achieve their best. If, for some reason beyond their control, students are unable to sit their examinations at the end of the

year these examinations are used to provide an estimate of the students' grades. They are also a great opportunity for the students to test themselves against the standards and identify what they need to focus on before the external examinations. I encourage all senior students to develop their study timetable and start preparing for those examinations

#### Science Extension Programme

Congratulations to Rhys Davie and James Scanlan who have been part of a science extension programme this year at the University of Otago. The programme involved Rhys and James taking part in three 3-day camps based at Quarantine Island and the Marine Aquarium. On Monday in assembly we heard about the projects they have been involved in. The key things Rhys and James learnt from the experience were better understanding on how to carry out scientific investigations (Making

sense of the marine world: Aids survival and enriches life) and also understanding how they think to improve our thinking (Metacognition)

#### Representative Players

Congratulations to the following students who have been selected for representative honours for hockey and rugby:

#### Hockey

Hoani Wipaki - Hatch U13 Team  
Harley Herbert - Hatch U13 Team  
Liam Grant - Otago Development Team  
Morganne-Lee Greene - Otago Development Team

## Milton Ladies Probus Club

President E Keast welcomed members and two visitors to the monthly meeting on August 6.

The speaker, Jill McIntosh, outlined services offered by the council. She was very informative and covered topics such as rates and rebates and how to make a request for maintenance or problems to be addressed, either online or through the local office. She explained what rates are used for and how to find information about our local facilities such as the transfer station, library, Coronation Hall as well as services available such as photocopying, faxing, scanning to email, laminating, internet and signing of documents requiring a JP. Various questions were put to her by members, with discussion to follow. The information was very useful and members were appreciative of her offer to help. Jill was thanked by E Keast and presented with a gift basket.

The next meeting will be held on Thursday September 3 at 10.00am at the RSA rooms. The speaker is Todd Barclay, the Member of Parliament for Clutha. Committee to meet at 9.30 am.

If you are interested in any speaker at a meeting, please join us. You are most welcome.

For further information, please contact the secretary, Jill Lowery. Phone 417 8080

## Milton Senior Citizens Report

Over 200 people attended our Annual Concert last Friday. Peggy welcomed everyone and asked that we hold a moments silence for two members we had lost in the past two weeks, Betty Bowie and Merle Dickinson. Peggy then held the Roll Call. Lawrence Senior Citizens, Mosgiel/Outram Senior Citizens, South Dunedin Senior Citizens, Green Island Fireside Club, Clinton Senior Citizens, Owaka Senior Citizens, Jenny's Group from Balclutha and clients from Ashlea Grove Rest Home.

Our first item was Ron Gallagher from Owaka singing and playing his guitar along with his wife Kathleen. Ron sang several country songs. Then Amy Lockhart danced the highland fling, she was piped by Didham Dodds from Balclutha. Half of the raffles were drawn and distributed, then it was time for the Seniors Skit (The Birthday Present) presented by Iwi Mihaka and Moira Hastie. This gave the audience a little laugh. Then Amy danced the sword dance. A very polished dancer she is. Then the remainder of the raffles were held and lastly we had the ever toe tapping, clapping of hands, group Joyce (on the piano accordion) and Rex Spence (with his guitar) and Didham Dodds on the Bag Pipes. They played the old sing-a-long favourites and this was enjoyed by the crowd. Auld Lang Syne ended the afternoons programme and a welcome cuppa was served. We also had our usual baking and market tables. These were well received and the people who always come, are looking for their special something.

Thank you to all members who supported our annual Big Day. Next meeting is 4<sup>th</sup> September with the Milton Primary School children entertaining. Next committee meeting is 10am on 9<sup>th</sup> September.

### Can we fix it? Yes we can...!

Recently our Sports Trainer, Paul Skipper has been wearing 'two hats'. With the ground being so muddy and wet, our regular bi-weekly sports programme has been impossible to implement, so Paul has been arriving with other exciting experiences for our tamariki. They enjoy doing repairs and maintenance work around our outside environment. This week a group of tamariki had some problem solving to do as they worked out how to install a beautiful flag. Using screwdrivers, screws and nuts, the job was soon completed and the tamariki experienced a sense of achievement with the finished product. Real work provides tamariki learning around problem solving, how to use tools, new vocabulary and the necessary skills essential for successful team work.

Thank you to all those who attended the opening of our new classroom, including a big thank you to our Board Chairperson who came and officially opened the classroom. We had three trekkers go to the South Otago Cross Country and they all represented us very well. The BIG DAY OUT is starting to take shape and we are seeing updates on Facebook regularly. Head over to the facebook page to check out the latest goings on at school and the exciting developments as the BIG DAY OUT draws ever near.

### We need your help in Milton

To celebrate 25 years of Daffodil Day thousands of volunteers across the country will be selling daffodils. In Milton, Peter Mallon has been fundraising for Daffodil Day for many years.

This year he needs your help! Peter would love to make this year the best year yet and needs your help to make it happen. Along with selling daffodils, he would also like to hold a bake sale and a fresh produce stall.

## Cancer Society Daffodil Day

### Can you help?

- Can you make and donate a gorgeous cake or delicious biscuits?
- Do you have fresh produce and homemade preserves to donate?
- Can you spare time on Friday 28 August to help sell goods to raise essential funds for the Cancer Society in Milton?

Contact Peter Mallon, 021 617 887 or email; maryrose6@xtra.co.nz

## Tokomairiro Early Learning Centre

A key aspect of our teaching philosophy at TELC is the strong focus on teaching our children about helping others and this includes at a centre level, a community level and at a national level. This was demonstrated last Friday when our whole centre joined together and actively participated in the New Zealand Red Nose Day to raise funds for Cure Kids. A display of the tee-shirts, drink bottles, pens and of course the red noses we had for sale were hung in our main entrance way and all week we talked to the children about how the money we raised from the sale of these would go to help children who are sick. On the Friday we also dressed in red to show our support for this most worthy cause and many proudly wore their red noses. During the morning and the afternoon, groups of children and their teachers headed out into our local community to raise funds and when all the money was collected and totalled, it amounted to \$563.70. What a fantastic effort! We would like to say a big thank you to everybody who supported us, including our parents and whanau and also to the many individuals within the town who so generously purchased the products we had for sale and made donations. We really do appreciate your help and support.

# Nga Whanau O Tokomairiro Netball

What a season Nga Whanau Netball have had this year. The club was established back in 2012 by Nicole Sciascia and Jolene Martin with one adult team which did really well winning the A reserve grade. The next year we introduced one junior team and two players made the year 6 South Otago rep team and also took out their grade. Ka mau te wehi kotiro ma. Our senior team double graded that year, a first for the association. In 2014 we fielded a junior and a senior team and produced another three South Otago representatives as well as an U17 rep player from the senior team. Ka mutu pea!

Now we have three teams, two juniors and one senior. This year we had to develop the junior players as nine of them had never played netball. Big ups to our junior coaches, it was a challenging year. Tu meke koutou! Our senior team took out the Prem 2 grade so will be in Prem 1 in 2016, so over the summer period work on the fitness, kia kaha.

Last but not least we would like to thank all our sponsors, coaches and managers for all their hard work, contributions and time. (See thank you list in public notices). So once again nga mihi nunui kia koutou katoa, kia maia, kia kaha, kia toa! Nicole Sciascia
