**TOKOMAIRIRO  
HIGH SCHOOL  
NEWSLETTER  
AND  
COMMUNITY  
NOTICE BOARD**

[www.tokohigh.school.nz](http://www.tokohigh.school.nz)

Each year we appeal to the Tokomairiro Community area for support of the Genesis Newsletter and Community Notice Board. We rely on funding from Tokomairiro High School, sponsorship and community donations to produce the Genesis.

This week a postage pre-paid envelope has been distributed with the Genesis. We ask for your help in supporting your Community Newspaper.

### How much to give?

All contributions, from large to small, are appreciated. For example, some people calculate their contribution at \$1 per week and send a donation of \$50.

If you value the Genesis and see it as a useful community facility, then it needs your support. Do not take its automatic continuation for granted.

### What is the Genesis?

The Genesis is produced by Tokomairiro High School and comes free to every household in the Tokomairiro Community and Waihola.

### The Goals of the Genesis are:

To provide positive news about our community.

To communicate and promote the activities of our schools and especially Tokomairiro High School.

To provide a medium for communication about local activities and events.

### Cost Structure

The Genesis is funded by advertising, donations, sponsorship and Tokomairiro High School. Our major sponsors have been G West Mail Contractors and the regular advertisers you see featured weekly, fortnightly and monthly.

We look forward to the support of our Community for their Newspaper.

*ALL money received in the envelope will be treated as a donation to the Genesis.*

*Please do not use the envelope for any other use than for your Genesis donation.*

# Tokomairiro High School Newsletter ...

## FROM THE PRINCIPAL'S DESK

### **Tena koutou katoa**

Term two has begun and it was great to see our students back in their winter uniform this week.

During term one we had a focus on excellence, in particular, personal excellence – striving to be the very best we can be in all that we do. We want to continue to strive to be the best we can be. As well as that, this term our focus is on Wellbeing – looking after ourselves, looking after each other. This fits very well with our other two school values – Respect and Responsibility.

**Responsibility** – take responsibility for looking after yourself, for your relationship with others. **Respect** – show respect for those around you by keeping an eye out for them. Treat others the way you want to be treated. Help others when they need help.

### **Board of Trustee Elections**

Every three years, school Boards of Trustees are elected to serve the next three year term. The current term ends in June with the new BOT beginning in July this year.

*“School boards play a critically important role in New Zealand’s schools and by extension, New Zealand’s future. Our boards need people who have the skills to ask the right questions and make the necessary decisions to influence and support educational opportunities for each and every student in our schools. Being a school trustee is an important role that needs people with a range of skills and experiences, who can make a positive difference to our children’s learning.*

*It is important that the board reflects its community therefore we need a good balance of gender, ethnicity and skills around the board table. We therefore encourage people to put their names forward to be nominated for election to a school board.”*

Check out the website <http://www.trustee-election.co.nz/> for more information on the role of a Board of Trustee member.

If you are interested in standing for the position of Board of Trustee member in the Milton community I encourage you to contact your local school. Nominations need to be in by 20 May.

### **PTA**

The Parent Teacher Association at Tokomairiro High School has always been a very important part of our school and a strong group who support the opportunities for the students. The PTA has one major fundraiser each year – the trail ride, which is supported by a

wide range of members of our community. We are also very grateful for the support our PTA members give us on parent evenings here at school. We currently need some new parents to join our PTA as a number of those who have given many years’ service are now moving on. If you think you could help out in this area please contact Connie in the school office with your contact details – we will make sure you are informed of the next meeting.

### **ANZAC Day**

Thank you to those students who represented the school at the ANZAC parade last week.

On Monday this week we held an ANZAC assembly at school and we were very pleased to have Bert Pringle as our guest representing the RSA. Thank you to our Head Prefects who took part in that assembly.

### **NCEA Parent Evening**

Year 11 – 13 parents: If you have any questions about NCEA then the evening of **Tuesday 10 May** is a must for you. Come along and ask your questions. This may well be very timely, especially for our year 11 parents, as I am sure you have come up with some things you are unsure of. The evening starts at 7.30pm in the library. Parents and students welcome.

### **Logbook Lesson**

This week’s lesson focuses on how the brain changes and how to develop your brain. There is some interesting reading here which we can all apply to our own situation.

### **Genesis**

The Genesis is the vehicle for our school newsletter to reach the community. If you do not get a copy of the Genesis delivered to your letterbox it is always available through our school website. Archived copies are also available.

### **School Ball**

This Friday is the 2016 School Ball. It is always a wonderful night where our young people dress up and enjoy each other’s company. Thank you to Mr Stevens and the Ball Committee who have given hours of their time preparing for the night. The year 13 students will spend Friday preparing the Coronation Hall for what is sure to be a wonderful event. All other senior students are expected to be at school for the day. The ball will run from 7.00pm until 11.00pm. Doors open at 6.30pm. Once the students leave the ball venue their parents take responsibility for their care. Please make sure you know where your teenagers are. Any event organised that night, before or after the ball, has no association with the school.

Remember, our doors are always open at school and all our staff can be reached by email (email addresses on our school website). Please make contact if you have any comments or concerns.

*Many thanks*

## Milton Senior Citizens

Peggy Wolfe welcomed 26 members to our fortnightly meeting last Friday. She also welcomed a new member Daniel Gillian and his carer Camell Johanson. Several apologies were received. A reminder was given about the Indoor Bowls on 6th May at Mosgiel, cars leaving at 8.45am. The raffle was won by Joan Murray. Subs are now due, so if you have not paid please see Ngaire. May 20th members have been invited to Ashley Grove for some entertainment and afternoon tea. If you wish to go please contact Peggy as we will meet at our rooms at 1.30pm and car pool, also Ashley Grove need numbers for catering purposes, so please give your name in.

Mrs June Hight came and spoke to us on her recent trip to India. June had some hilarious stories to tell and had us all in fits of laughter at times. June left Milton on 9th February and flew to Auckland where she met the tour group, then they flew to Singapore for an overnight stopover then onto Delhi. There were 16 in the group. Many temples were visited on the itinerary, and she said the clothing the women wore was of very vibrant colours. She said she had contracted a tummy bug and as the toilets are so different to ours, she had the members in hysterics as to how she coped. June passed around postcards she had brought home and some trinkets. Peggy thanked June with a fruit basket for a very full on talk and when asked would she go back she replied with a "sure would like to". Thank you June. Next meeting is May 13, 12.30pm for a soup and bun luncheon. Committee meeting May 11 at 10am.

## Milton Elder Care

The month started off with 'It's in the Bag' with Selwyn Toogood ak. Rob McElrea asking the questions helped by Tenika, all the clients enjoy seeing what's in the bags and very few ever take the money offered. An outing to Kaka Point for lunch was enjoyed by all present. Trevor Graham filled an afternoon next with music and songs and was appreciated. Housie the most popular of games was played with a good pot of money in the final game being won. A fish and chip lunch was held in the rooms and was well attended, these meals are looked forward to by everyone. A trip to Dunedin and Cableway's Tavern was enjoyed by all, with really big servings. The month finished with cards being made and also cards were played as was a game of scrabble.

## Birthday Celebration for the Church

Last year Milton Christians enjoyed gathering together to celebrate the birthday of the Church.

You are invited to this year's celebration on Sunday 15 May at 7pm at St Mary's Church, Dryden St. As for any birthday there will be stories, candles and a cake. The children of St Mary's School will lead us in some of the songs they enjoy. If you are able to do so, please bring a plate of finger food to share at the supper which will follow.

We look forward to you joining in this celebration.

For more information contact Fr Michael Hishon 417 8603.

## Bible Reading for Today

*Matthew 13 verse 1*

The same day went Jesus out of the house and sat by the sea side.

## Waihola-Clarendon WI

A meeting of the Waihola Clarendon WI was held in the Waihola Community Hall on Monday 18 April.

The highlights of the meeting were the roll call - a wartime economy hint in keeping with our ANZAC theme, and the delegate's report back from the Mid-Otago Federation AGM.

The roll call made it clear why times of hardship produced a generation that does not throw things away. These were some of the fascinating recollections from the past: rationing - no sugar in tea, a cup of butter made to last a month, bread with dripping, salt and pepper - some fond memories here.

Squares of newspaper cut for the toilet/apple wrapping paper - 'not good for bottoms'. Preservation of eggs, fruit and jams, splitting and turning sheets, newspapers between the blankets on cold nights, a line drawn down the back of legs to simulate 'nylons' (stockings were unavailable). Fat kept for making soap - not a fond memory, a dressing gown made from old curtains, fish pie made with bread and a haybox oven to save fuel. They were all very interesting memories.

## Milton Garden Club

On Monday 11 April, members travelled to the Owaka area. The Catlin's Soap Company, run by Ross and Jude McNab was our first stop. We were warmly welcomed and Ross explained how the company came into being and has now grown, selling soaps nationwide and even a few exported. A cup of coffee in the café and then it was a browse around the shop, admiring soaps of all shapes, sizes and colour, the range was quite amazing with many purchases made. There was time for a wander around the extensive garden, before heading back into Owaka.

In Owaka we had a stroll around the shops, before our lunch then on to the garden of Maureen Martin, a very large garden. Even at this time of the year it was full of interest and colour with some quite rare plants. Pounawea was our last visit for the day to the home of Judith Winchester, who is an enthusiastic potter and has a large display of her pottery of all shapes and sizes, scattered around her garden.

Later in the week, four members travelled to Waikouaiti for the Kindred Day meeting - a gathering for garden club members from throughout Otago. They experienced two very interesting speakers, a number of stalls, amazing plants for sale, 60 raffles and five gardens to visit making this a really interesting day out.

Monday May 9 the meeting will be held in the Senior Citizens Rooms, speaker Annette Gillies who will speak on her recent tour overseas with the CBS Choir from Christchurch. Competitions, market table and bring a small plate.

## Keas and Cubs

2016 has started off with an action packed term 1. The keas and cubs have climbed, hiked, cycled, crafted and flown their way through the first term.

This term has also brought us five new cubs, who have been invested into our pack. This now sees us with a total of 16 Cubs in Milton and 8 Keas. A great growth that brings great new challenges. It's awesome to see our group growing so fast but it means we also need to seek new leaders to help our group.

Scouting is not just a fulfilling activity for children but also provides adults with an opportunity to give back to their community through passing on their skills to others. It is a rewarding job, as you help children push their limits through challenges and help them learn new skills. If this is something you think you can help us out with please get in contact with Sarah, Milton Group Leader ([njandsjleslie@gmail.com](mailto:njandsjleslie@gmail.com)) for more information.

We would also like to thank everyone who purchased raffle tickets from us last term for our Easter Raffle. Congratulations to Danny Hayes who won the massive hamper. Keep an eye out for our scouts selling our limited edition S'more scented candles \$12 each or two for \$20. We also have an exciting women's pamper evening we are planning for the 20th of August so ladies keep this date free for a night of indulgence and pampering.

I have been extremely proud of our group as Group leader and cub section leader this term. It has been exciting to watch the children push their limits and challenge themselves. This was especially true as we went to the Christian Youth Camp, in Waihola, at the end of term and each and every Kea and Cub who came flew across the famous CYC flying fox. A whopping 14 metres high.

Other highlights included the ANZAC day parade, an honour to be able to join this event. A hike along the Henley end of the Millennium track. Our cycle day at Moore Park, Jambowree (International ten pin bowling competition) and Founders weekend at the beginning of the term.

We look forward to term two with a special Cub 100 year camp where we will be joining with Murihiki zone from Invercargill at Camp Columba in Gore, Jamboree On The Trail (JOTT) an international hike event plus many other community activities. So keep an eye out for us out and about this term.

If you are interested in your child joining Keas (Year 1 to 3 at school) or Cubs (year 3 to 6) please get in touch with Sarah Leslie (Milton Group Leader) 471 4178.

STIHL Chainsaw Safety Awareness Week in association with St John, 9 - 15 May 2016.

STIHL Chainsaw Awareness Week is back for 2016 with a strong but simple message for our Kiwi 'Weekend Warriors' - taking five minutes to get ready before you start your DIY adventure is essential to your safety. It's simple: put on some chaps, ear muffs and safety glasses, check your Chainsaw and you're ready to go!

For all your Outdoor Power Equipment safety needs, visit the experts at your local STIHL SHOP.

Special Edition  
STIHL Safety Packs  
**\$158**

Valued at \$242. Hurry this offer is only available while stocks last. A portion of proceeds from Safety Pack sales will be donated to St John.
