Tokomairiro's Band

At the Tokomairiro High School singing assembly on Friday students enjoyed live music to sing to when some members of the school band took to the stage.
Left to right; Mr Rayner, Jason Lawrence, Lucas Wilkinson, Mrs Whaley.

Toko Premier Rugby

Well what a cracking game of rugby Toko vs Kai was. After soaking up early pressure, Toko counter attacked and Jacky Scott opened the scoring with a try. With increased possession, Toko went on the attack and from a lineout Josh Beer rumbled over to go out to a 12-0 lead. Straight from the kick off Kai bounced back with their first try of the day. Then good team momentum resulted in Dylan Matheson dotting down. After some desperate scrambling defense after a Kai interception this meant the half time score was 17-7 to Toko.

Toko started the second half strongly and roared out to a 27-7 lead, courtesy of two more Josh Beer specials. The game seemed dusted and the win wrapped up with 25 minutes left.

Kai then woke up and rapidly put together three quick fire tries and closed the gap to 27-26. Toko led with 10 mins left. Toko squandered a chance of a penalty kick to extend the lead and Kai came back. Kai had the chance to win the game right on full-time with a penalty after Brad Lee was sinbinned, but the kick missed.

Tim Howie and Mat Lyons smashed their opponents at scrum time, Sheathy and Kyp put in solid efforts especially at restarts and lineout time. Are there any better two flankers in the competition than Mark Robinson and Dylan Greer? Both were machines. Josh Beer had his standard three try game - simply unstoppable from close range. Backs were lead well by Baz Rogan at 10 and quick service from Isaac. Jacky Scott enjoyed the extra space at 12 and combined well with Dylan to form a lethal combo. Finally the back three were efficient with Scotty and Brad having strong games on attack.

Top effort boys - best performance all year. Next week the team travel to Clutha so need lots of support

Also good to have Eddie Scott in his rightful place back home.

Congratulations to these players – Holly Griffin, Morganne-Lee Greene, Myra Matthews, Kristin Willis, Jake McClean, Kaleb Hill, Josh Sanders, JD McLeod and Keegan Ferguson, who have been invited to play in the Otago Championships on 6 July. We wish them all the best.

PTA - We Need You

In 2016 the PTA donated over \$17500 to the school which enabled the purchase of equipment, uniforms and resources and, more importantly, subsidised activities and camps,

logbooks and trips for sports teams - this was of benefit to all the students in our school. Individual students were also supported where they had been selected to represent the school in a variety of activities. Our PTA has always been a wonderful support for the school and they raise their funds through one major fundraiser – the trail ride. This is supported by all the staff at the school and by many members of the community – we are truly grateful to them all. Come along and be part of the group – they only meet about seven times a year for approximately one hour. We would love to have you on board. The next meeting is Wednesday 17 August at

7.00pm in the school staff room.

Matariki

Matariki celebrations are happening at the Coronation Hall from 1 – 3pm this Sunday. Our kapa haka group is performing – we wish them all the best. Members of the public are welcome to attend the celebrations.

Reports

Teachers are busy writing reports for all year levels at the moment. These will be issued to students to take home on the last afternoon of the term. Copies will also be available through the school portal.

Photographs

School photographs are being taken on Wednesday this week. These are used in our school magazine and are a very important part of the school life. They make an excellent record of student involvement for the year. Photographs will be displayed in the office area and will be available for purchase.

Blue Mountain Exchange

On Thursday this week our students travel to Tapanui where they will be hosted by Blue Mountain College for the annual exchange between the two schools. We wish our teams all the best. Remember to play fair and play hard, and represent our school with pride.

May

A very busy month started with an afternoon with IWI entertaining everyone. We then had a past volunteer speaking on her recent exciting trip to India, June enjoyed her time and her talk was very entertaining. Our in house meal this month was pea, pie and spud with dessert to end the meal, all enjoyed their time eating together. Balclutha Ballroom dancers came and danced one afternoon with some of the clients getting up and joining in and also Sylvia and Eddie played music one afternoon. Housie was once again popular with all present, with good prizes. A makeover was demonstrated one afternoon of a new hairstyle and face make up on one of our clients, Lynn Todd. (see picture). The other clients had hand massages. A big thank you to Darlene of Hair Vision. All went home happy. A trip to Mosgiel and the Tall Poppy for lunch was enjoyed by everyone, with lots of banter and talking. The last day of the month was Annette Gillies who came and spoke on her trip with a choir overseas to Europe and Britain. She also gave us a few songs, which was very enjoyable.

Milton Senior Citizens

President Peggy Wolfe welcomed the 27 members present to our meeting held on Friday 10th June. A short meeting was held, before Colin Heads organised a quiz. The questions were not as hard as some he has done previously, but lots of laughter from the tables and many answers given spoken out around the room. The winner of the quiz was Beryl Odd. The raffle was won by Moira Hastie. Members were asked to supply goods for the garage sale, to be held this Saturday the 18th June at 9am – 2pm. Members if you want anything picked up, Olive Williamson is willing to call and collect it. The rooms will be opened on Friday afternoon from 1pm – 4pm for members to drop off their goods. Remember this sale is for the roof restoration. Next meeting is the mid-year dinner on the 24th June at 12 noon at the rooms.

Forensic Study of Early Otago Farmers

University of Otago researchers are hoping to shed new light on the quality of life and identity of Otago's early settlers and farmers through a proposed study that would involve excavating and analysing skeletons from unmarked graves near Milton.

The proposed project, which would be undertaken in partnership with a local community group called Tokomairiro Project 60 (TP60), would be the first time that such research has been attempted on an early European population in New Zealand. The TP60 group has located records of 68 burials in the St John's Church of England Cemetery on Back Road, Milton.

The first known burial was in 1860 and the last in 1926. The 67 mostly first-generation settlers and their families from the UK moved to the area after 1850.

State of the art archaeological and forensic analysis of the cemetery and those buried within it would be undertaken by researchers from the University of Otago. The researchers hope to recover 20-30 individuals and would initially concentrate on parts of the old cemetery that are outside the presently-fenced area. After DNA, bone and tooth analysis the remains would be interred in their original plots and the research team and TP60 would cooperate in restoring the lawn cemetery and marking of any burial sites.

Identified living descendants of the 67 burials would be asked to have their DNA profiled to help determine a match to their ancestors and aid in the research.

As well as helping families identify graves of their ancestors, the research would also provide a unique opportunity to trace the diet and health effects of the European colonisation process.

The project has been endorsed by the Anglican Diocese.

Milton Indoor Bowls

On Thursday 2nd June, four teams travelled to Lawrence to play for the Wilson Trophy. No teams had three wins but five teams had two wins. Lawrence were the winners with 13 game points and Milton had 11. On Tuesday the 7th June, seven Milton teams played Taieri for the Ridley Trophy with Taieri taking the trophy back home. One team from Taieri had three wins, but the best Milton could do was two teams with two wins.
