Winning Streak for Toko A Netball

On Sunday 12 and Monday 13 June the Toko A Netball team and a Toko Year 9/10 Netball team travelled to Dunedin to compete in the Otago Secondary Schools Netball Championships. The teams played a number of pool play games on Sunday, then moved onto semis or playoffs on Monday. The Toko A team, coming off a great win on Saturday for promotion to Senior 2 grade in the South Otago competition, were slow to warm up on Sunday for their first game. They just beat Bayfield by one goal. They picked up their play and beat Logan Park, Roxburgh and Queens to come out top in their pool. On to the semis, and the Toko A girls played some great netball to make it into the final against Roxburgh, their old foe. The girls put together a quality game and never looked like losing. Off to an early lead, and keeping the momentum going, they widened the gap winning the Senior B grade final 23-16. This was a great effort as the last time Toko held this title was in 2008. An awesome effort all round by all involved with this team.

Blue Mountain Sports Exchange

On Thursday 16 June over 100 students travelled to Tapanui to take part in our annual Sports Exchange with Blue Mountain College. The sun shone and it was a brilliant day for both playing and watching sport. Three rugby games, five netball games and a basketball and a volleyball match were played. Unfortunately Tokomairiro High School did not come away with an exchange win but all students had a great time and played with great sportsmanship. However, games worthy of note were the Year

9/10 rugby team who won 43-13 and the Toko Junior 1 Netball team who won 24-17. The 1st XV Rugby and Toko Junior 2 netball deserve a mention as these games were very close. Thanks to all the athletes who competed, and coaches and parents who travelled to support our students. You are what makes sport happen at Toko.

Secondary School Girls Quick Rip Tournament

Toko won the junior division of the Secondary School Girls Quick Rip Tournament held in Balclutha on Sunday. They played South Otago, OGHS and Kavanagh College, and won all their games.

They all played outstandingly and did Toko proud. Special thanks to Marty and Rachel Clark and Rachel Frost for their support and encouragement.

Tokomairiro High School Newsletter ...

FROM THE PRINCIPAL'S DESK

Tena koutou katoa

We are now into week eight of term two.

Milton Schools' 50th Reunion

The 50th Reunion of Milton Primary School and Tokomairiro High School is happening at Labour Weekend this year. It is also the 160th anniversary of education in the county. Registrations are now open and can be made online – check out the website www.miltonschoolsreunion.com. This is a great opportunity for you to get together with that group of friends you had at school. It is also a chance for you to visit the schools in the town and see how they have changed since your school days. Richard 'Hannibal' Hayes is our guest speaker at the official function on Saturday afternoon.

Blue Mountain College Sports Exchange

114 students and six staff headed off to Tapanui last Thursday to take part in the annual sports exchange. The competitions began as soon as the teams got off the bus. Our year 8 netball team had a good win (24-17) as did our year 9/10 rugby team (43-13). Although Tokomairiro only won two of the ten events this year, the members of our team all played with a positive attitude and good sportsmanship. They were excellent ambassadors for Tokomairiro High School.

Otago Secondary Netball Championships

Congratulations to our Senior A Netball Team (Mackenzie Frost, Tayla Frost, Emma Paul, Madison Hoera, Nikki Hall, Nadia Lloyd, Abbey Frost, Jorjah Mason-Waru and Maria Scott), who won the B Grade of the Otago Secondary Netball Champs held in Dunedin on 12-13 June. Over the two days the team won all of their five games, including a close fought game against Roxburgh Area School in the final. This was no

mean feat – it is very difficult to win a tournament like this. Well done to all the players – we are very proud of you. Our junior team had a very hard tournament and finally had a win in their final game on Monday. It was great to hear of their positive approach throughout the tournament.

PTA

Come along and be part of our PTA – they only meet about seven times a year for approximately one hour. We would love to have you on board. The next meeting is on Wednesday 17 August at 7.00pm in the school staff room.

Matariki

It was wonderful to see and hear our young people

performing at the Matariki celebrations at Coronation Hall last Sunday. Along with early childhood and primary school groups, the Tokomairiro High School Kapa Haka group also performed to a packed house. It was a wonderful event and great to see the support from the community. Thank you to the organisers – Nga Whanau o Tokomairiro.

Reports

Teachers are busy writing reports for all year levels at the moment. These will be issued to students to take home on the last afternoon of the term. Copies will also be available through the school portal.

Disco / Dance

The Balclutha Youth Council is running a disco on the last day of term – Friday 8 July – at the Balclutha Memorial Hall. Free admittance and free bus.

Year 7 & 8 – Super Heroes Disco - 5.30pm-7.00pm – bus leaves Milton at 5.50pm.

Years 9 & 10 – Red Carpet Social Dance – 7.30 – 9.30pm – bus leaves Milton at 7.05pm

Register for your free bus at school.

Learning Curve Lesson

This week's lesson focuses on managing our emotions, in particular, managing anger. It discusses how there are two types of anger: uncontrolled anger (which is destructive) and controlled anger (which is positive). Our sense of wellbeing will benefit when we understand what makes us angry and when we realise no-one else makes us angry other than if we are bullied – we do it ourselves. There is some advice about how to control our anger. I encourage you to take time to read through this lesson with your young one.

Head Lice

Head lice may be present amongst children in your child's class. These insects are a nuisance and can be controlled or eradicated by families. Head lice crawl from head to head and may be passed on through shared objects such as hairbrushes and hats.

It is recommended that you check all members of your household carefully. Anyone can host head lice. Cleanliness is not a factor in whether head lice are present or not. If head lice are detected they must be treated before the child returns to school. Check out this website if you need more information about head lice

<http://www.kidshealth.org.nz/head-lice>

Remember, our doors are always open at school and all our staff can be reached by email (email addresses on our school website). Please make contact if you have any comments or concerns.

Gym Report

We are very excited to announce we have a new treadmill coming which will arrive any day now. This has been possible because of a grant for \$5,000.00 received from the Otago Masonic Lodge Trust. We were very fortunate to receive this financial assistance along with seven other organisations in the South Otago area. Treadmills are very expensive, and the most used cardio equipment in the gym, being popular with all age groups. Milton Rotary are also helping us financially towards the treadmill project and we are very grateful.

With daylight hours shorter at this time of year, now would be a good time to join the gym or renew your membership. Make the most of our special deal going for adults if you join before the end of June. Adult membership for one month = \$41.00, (you save \$10), three months = \$110.00, (you save \$15.00), one year = \$380.00, (you save \$40.00). The three month deal is a good one to take you through the rest of winter. If online payments are the best option for you, please see the gym manager for the bank number.

We have protein bars for sale for \$2.00 each and these are proving popular. Anybody in the community is welcome to come in and purchase some. Delicious flavours and they are all natural and low in carbs. This is an ongoing fundraiser for the Recreation Centre to help us meet all our costs – like most organisations these days, we need to fundraise to make ends meet. Once a month bulk orders will be done too, so let us know if you'd like a box of 10 or 20 bars.

Classes running at present are Keep Moving on Tuesdays at 2.30 pm – especially suitable for retired people, low impact exercise and fully supervised by gym staff for one hour. Good Health and Wellbeing on Tuesdays at 5.30 pm – a great way to start yourself off at the gym and learn how to use the equipment and share healthy food ideas with others. Both of these classes are \$3.

See you all at the gym.

Rugby

Thud! That noise was the Toko Premiers coming down to earth with a thud on Saturday after going down to Clutha 64-32. Toko never gave up and scored five tries but Clutha's slick backline had too much pace to run the big Toko forwards around. Jersey grabbing tackling were also contributing to some soft tries given away. Toko's scrum was dominant. Good too see Kieran Calteaux back on deck after his head knock, I'm sure the lungs were burning after that. I promised Kyp Ryan I'd mention his fantastic 50m try - well not really 50m. Try scorers for Toko were Josh Beer-Williams (who owes me two more tries from Saturday), Dylan Greer, Brad Lee, Kyp Ryan and Matty Lyons. This week will be a massive game against Clinton where a win is vital for semi final aspirations.

Also in Kaitangata to cap a miserable day for Toko, Toko B's lost to Kai 25-21. According to my impeccable sources, Toko let this game slip after starting slowly and trying to play catch up. The introduction of Toko's answer to Aaron Smith, being 47 year old Lammy Moana at halfback - (yes halfback!!) almost turned the game for Toko. The usual suspects played well for Toko, Kane Adam being dominant along with Tamati Moana-Orupe.
