## Tokomairiro Young Farmers Club Quiz Night

The first ever Tokomairiro Young Farmers Quiz night was held on Friday night at the RSA and went off without a hitch. Although we were a bit apprehensive about the turn out we would get as it was the All Blacks v Wales rugby game the next night. Needless to say we were absolutely blown away with the support and commitment from teams coming from all over. Among the locals who love a good quiz night were a few teams from the local rugby club as well as two TeenAg clubs out to give the quiz masters a run for their money. The Tokomairiro High school TeenAg and Blue Mountain College TeenAg entered a team each and both thoroughly enjoyed themselves. There were meat raffles, pea straw raffles as well as a secret parcel raffle, all of which proved very popular. The 'Purple People Eaters' took out first place and won our \$100 cash prize. The club really enjoyed the night and can't wait to make it an annual event.

Please remember that we always welcome any new faces who wish to join us. Come along to a meeting to have a yarn to like-minded individuals, we are always up for a laugh and meeting new people. Tokomairiro Young Farmers meet the first Wednesday of the month at the Kink in the Road for dinner and a drink followed by a general meeting. All meeting information will be on our Tokomairiro Young Farmers Facebook page or you can give James Hyde the Chairman a call or text on 022 361 8975 if you wish to come along to our next meeting. We hope to see you there.

Thank you to everyone who supported the Quiz night.

## Milton Primary School

From Monday 20 June until Friday 25 June, it was Book Week at Milton Primary. On Monday classes got together to do some buddy reading. On another day the student leaders went around the classrooms where they are wet day monitors and read the children some stories. On Thursday, to celebrate book week, we were allowed to dress up as our favourite book character. Everyone enjoyed seeing other students costumes and their amazing ideas. Some of the costumes on display were Hermione Granger and Harry Potter, Tigger, Spiderman, various witches and princesses. We also had a book fair running throughout the week in the school library.

There were chapter books and picture books and posters for sale to help raise money for the school library. The books are amazing and very interesting to read. We love reading at Milton Primary School.

## FROM THE PRINCIPAL'S DESK

### Tena koutou katoa

We are now into week nine of term two.

This is the second last week of term and another busy one.

On Wednesday our year 13 physical education class head off on a three day mountain biking camp, one day based in the Milton Lawrence area and the other two based north of Dunedin. This is an opportunity for the students to work towards level 3 credits for NCEA.

We also have a review of the School Wide Positive Behaviour for Learning programme within the school occurring on Wednesday, when the advisor from the Ministry of Education will spend the day interviewing students and teachers.

### Co-Educational Sports Tournament

Thursday is the inter-school co-educational tournament in Dunedin where we have two hockey teams (senior girls and senior boys), a senior rugby 10s, 'A' netball and a year 9/10 netball team playing. We wish this group all the best for the day. I am sure you will make us proud. Mrs Devlin, Mr Algie, Mr Simpson and Miss Ennor will accompany the students on the day. It would be great to have parent support to watch the games if you are available.

### Winter Sports

It has been a very busy season for the winter sports and we are very pleased with the number of students involved in at least one winter sport. It is great to see them practising together and out representing the school in competitions. A special thank you must go to all the teachers, parents and members of our Milton community who help with coaching, managing and transporting our young people to their games. Thank you for your efforts and support. We are very grateful to you all.

### Values Focus

Our focus on the values of Respect and Responsibility continues this term, while still pursuing personal excellence in all we do. In assembly last week I shared a video clip with the students that focused on expecting respect and on not standing by when we see

disrespect from one student to another. All of us, students and teachers, should expect respect from others in our school and support each other in that quest. We also talked about the importance of RESPECT for SELF. The following ideas were shared: Don't settle for less than you deserve; Forgive yourself for your mistakes; Forgive those who have hurt you; Surround yourself with positive people.

### Milton Schools' 50<sup>th</sup> Reunion

The 50<sup>th</sup> Reunion of Milton Primary School and Tokomairiro High School is happening at Labour Weekend this year. It is also the 160<sup>th</sup> anniversary of education in the area. Registrations are now open and can be made online – check out the website [www.miltonschoolsreunion.com](http://www.miltonschoolsreunion.com).

This is a great opportunity for you to get together with that group of friends you had at school. It is also a chance for you to visit the schools

in the town and see how they have changed since your school days. Richard 'Hannibal' Hayes is our guest speaker at the official function on Saturday afternoon.

### PTA

Come along and be part of our PTA – they only meet about seven times a year for approximately one hour. We would love to have you on board. Next meeting is Wednesday 17 August at 7.00pm in the school staff room.

### Disco / Dance

The Balclutha Youth Council is running a disco on the last day of term – Friday 8 July – at the Balclutha Memorial Hall. Free admittance and free bus.

Year 7 & 8 – Super Heroes Disco - 5.30pm-7.00pm – bus leaves Milton at 5.50pm.

Years 9 & 10 – Red Carpet Social Dance – 7.30 – 9.30pm – bus leaves Milton at 7.05pm

Register for your free bus at school.

### Learning Curve Lesson

This week's lesson focuses on using exercise and leisure to reduce tension and help personal wellbeing – a great lesson for us all. These activities do not only improve fitness, flexibility and body tone, but also help build positive relationships, increase personal endurance, reduce tension and anxiety, improve sleeping patterns and give a chance to learn new skills. It is suggested exercise and leisure is put into our personal timetables and prioritised. We encourage you all to read through these lessons with your young ones.

### C Block

The renovations continue with steady progress happening on the remaining four classrooms. These will hopefully be completed early August. The students are certainly enjoying the recently renovated spaces and the new furniture we are trialling in Miss Eames room.

### Measles

A measles outbreak is affecting communities in the North Island. Parents are encouraged to check that their children have had the appropriate vaccinations. There is a risk of the outbreak coming to the south, especially with the school holidays coming up.

### Final Assembly – Friday 8 July

Family and whanau are invited to be part of this assembly where we will celebrate the achievements of our students over the first half of the year.

Remember, our doors are always open at school and all our staff can be reached by email (email addresses on our school website). Please make contact if you have any comments or concerns.

The cost of a photo is \$17.50 and payment is required with the order.

## Rugby

(This rugby report is courtesy of two trusted lieutenants who have a combined age of 94 and have 50 years of rugby experience.)

Toko Prems played Clinton and eventually came out winners 31-19. Toko forwards dominated the scrum collision, but Clinton were well drilled but could not take their opportunities. A controversial touch judge call, ruling out a Toko try at half time almost became critical. In the second half, Clinton took up residency inside the Toko 22m but could not break Toko's resolute defence. Dylan Matheson scored a length of field intercept to break Clinton hearts. Jacky Scott pulled out a moment of magic, scoring a try of sublime stepping skill. Josh Beer scored his sole try, and had his best game of the season with improved involvement. Good games too from the usual suspects; Dylan Greer and Mark Robinson - but the whole team's water tight defence needs congratulating. Well done boys - let us upset Lawrence next week.

The Toko Bs who beat a massive Alambra Union 40-10 was a tight game up until the last 20 minutes, when Toko was only leading 14-10. Similar to the Premiers, this game was won with outstanding tackling. Toko's extra fitness meant the game was quickened up, to run away comfortable winners. This was also a hard fought victory forged by a good team spirit. Players to stand out were Tamati Moana-Orupe at No 8 and Brad Frost kicked outstandingly and also scored two tries.

(If you do not agree with this report, kindly see a former Toko Premier fullback and former Toko Premier openside flanker.)
