Tokomairiro Early Learning Centre

In the past few months we have had seven children graduate from our Spenser Street centre and head off to school. The teachers at TELC would like to wish these children all the best for the next stage in their learning journey and we look forward to catching up with them during visits to the schools and reading about their achievements in the Genesis.

We now have some spaces available at our Spenser Street centre, so if you are considering early childhood education for your child, please feel free to contact us or better still come for a visit and meet our children and friendly staff. We offer qualified and registered teachers, low fees, excellent teacher:child ratios and a fun filled learning environment for children. Our Johnson Street graduates will feature later in the Genesis.

From top to bottom; Lilly Browne 15/4, Blake Fox-Miller 17/6, Brooklyn Yates 10/6, Skye Yates 10/6. Below left to right; Jada-Rose Carr 3/6, Emma Morrison-Browne 22/6, Jasmyn Durham 4/5.

Interviews

Interviews are on Wednesday 3 August. Book online at www.schoolinterviews.co.nz

The event code is: **x7bge**. Alternatively, you can ring the school office, 417 8620, to make an interview appointment. It makes a huge difference to students' achievement if parents and students meet with teachers. Please book an interview so that we can make this year as successful as possible for your child.

Coming events

Monday 25 July - Term 3 begins

Tuesday 26 July - BOT Meeting

Wednesday 3 August - Australian English Competition

Wednesday 3 August - Parent Student Teacher Interviews

Thursday 11 August - Cultural Competition

Tuesday 17 August - PTA Meeting 7pm

Thursday 30 July - PCT Challenge (Year 7/8)

Changes to the running of the Tokomairiro High School Homework and Tutoring Centre

Starting from next term a re-jig of the homework centre is planned, with the aim of encouraging more students to use this great resource. The homework centre is in the library and students therefore have access to all its resources including computers. Mr Daniels is on hand and, along with assistance,

provides hot chocolate and biscuits

From the first day back in Term 3, there will be a duty roster from Monday - Thursday where at least four seniors will be in attendance from 3.15-4.15. These students will remain there, doing their own homework, and/or assisting with tutoring. Providing these students attend regularly they will earn a Tutoring Club badge by the end of term.

Note the centre is open to anyone to attend at any time. Class teachers may also write a note in a student's logbook from time to time to encourage attendance. Parents and caregivers may at any time also request attendance. Please either use the logbook or leave a message at the school office.

Students who have been tutored previously may still attend but will not be necessarily guaranteed the same tutor each time.

As this starts in Term 3, we would particularly like to encourage attendance from older students in order for them to get some homework and study done. If students have work or sport, and need to leave before 4.15, it is still okay to attend the centre in the time available to them.

In order to make this revamp successful and establish an atmosphere suitable for learning, all students are expected to comply with the school code of conduct - respect, responsibility and excellence.

A big thank you to those students who have already volunteered their time.

Gym Report

If you are finding it hard to get outdoors to go for a walk at the moment, come to the gym and exercise. We have three treadmills, one brand new and two with new mats ready for all to enjoy.

Our new Startrac treadmill even has a fan to keep you cool. Also, for variety there are cross trainers, bikes and rowing machines to suit all your cardio needs. A great range of hand weights and dumbbells, along with our body-solid and cable machine will sort out all your toning and strength exercises, along with the mat and swiss balls for core exercises etc. There is something for everyone and the gym suits all ages.

Tuesday from 5.30pm until 6.30pm is 'Good Health and Well-being', learn how to use the equipment for only \$3. For those

who are a bit unsure and would like to get started, this is a great way to learn. Relaxed and casual with no pressure. Supervised by the Gym manager for the whole hour. Keep Moving is very low on numbers at present and runs from 2.30pm until 3.30pm. This class is especially suitable for retired people and is also supervised by the Gym manager. The cost is \$3. We would love to see you. We begin with about 10-15 minutes low impact warm up exercises and then use the bikes, treadmills or whatever you wish. Come along and see how you like it. Your first time will be free!

Tai Chi runs on a Thursday from 10am-11am with experienced tutor Beryl Odd.

The gymnasium is available for hire for \$20 per hour. If anybody is interested in starting a class in the gymnasium give us a call on 417 7066. Aerobics, Zumba, Badminton, Volleyball to name a few

would all be suitable to run. Is there anybody in the community who has the skills to start something off?

Protein Bars are for sale at the office for \$2 each. Anybody wishing to buy them by the box full, let us know and we will order

you boxes of 10 or 20. The flavours are lovely and everybody who has tried them likes them. All natural and healthy.

July 20 until August 20 is your chance to join up for a family membership and save \$\$\$\$. Save \$70 by joining between these dates. Suitable for couples or two adults and two children. Call in or phone 417 7066.

Volunteers Needed

Centre Manager Helen has a request for helpers to assist with the duties roster please. We are getting very low on volunteers to fill the morning and afternoon shifts. Helping people with their inquiries is a very rewarding experience. A regular day sees two people do a duty of 3 ½ hours each. If you can assist with this please visit or phone your interest to 417 7480. Training is given to familiarize volunteers with the role. A huge thank you to our current volunteers without whom we could not continue to be open.

On display we have a variety of Art and Craft work done by local folks. Pencil drawings, paintings which add a colourful touch of scenes recreated on canvas, needlework, wool and wood craft to name a few.

The mystery wooden item on display has created a lot of interest but no definite answer to the use or origin to date.

Japanese student Lisa has been assisting us for a few weeks now in her own time with some work in the Museum. This has been a big help getting files etc tidied up and named and scrapbooks into better order with articles collected over the years. There is a wealth of history within our doors.

Keith continues to research and collate information from the Bruce Herald on Papers Past. He has an extensive amount on Businesses, Farms, their names and locations plus early settlers etc. A visit to the Hocken Library and Archives is planned for August which will give us an opportunity to see what records they hold and how they store them.

We wish the Blue Mill Kitchen all the best for the future, we have missed those stopping for a cuppa coming in our doors.

Indoor Bowls Report

Last Wednesday night Milton Sub Association played Owaka Sub Association at Balclutha. We had six teams and played three games. There were some real good games played, but Owaka was too good for us and won the night with 22 points and 73 ends. Milton could only manage 14 points and 54 ends. Alaister Allison's team had two wins and Colin Tiffany and Doug Grant's team had one win and a draw each. Barry Gray and Gail Ibbotson's team from Owaka each had three wins.

Dates for your Diaries: Thursday July 21, 7pm Championship Triples. Duty club St Marys. Sunday 24 July, 1pm St Mary's Tournament at Tokomairiro Co-operating Parish Gymnasium. Thursday July 28 Snowball, 7.30pm. Duty club Glenledi. Thursday August 4 Championship Pairs, 7pm.

Rugby

Toko hosted Heriot in a battle where the winner took a major step towards the semi-finals. Heriot came out quick and scored the first try but Toko hit back with a try to Liam Kingma after Josh Beer played his version of "Heriot Skittles", knocking aside half of the team before offloading to Liam. Two tries to Heriot threatened to take the game away from Toko, but Toko scored a try from a lineout drive to Kieran Calteaux. Unfortunately Heriot scored just on half time to make it 26-15.

Heriot started to run away in the second half with two more tries before Toko fought back gamely with tries to Josh Beer and Jacob Jenkins to reduce the final margin to 36-27 win to Heriot.

Toko were down on numbers with both Dylan Mathieson and Matt Lyons out hurt. As a result the veteran Simon Scott laced up his boots again. Brent Brew was strong on defence and ran hard. Brendon Sheath took the ball up 764 times while the rest of the forwards battled well. The bonus point could be critical as Toko play Valley away next week in the final game.

Toko B's hosted Taieri and defeated them 37-17 with tries scored by Brad Frost, Daniel Wilkinson, Stu Kelly and Kyle. This team just gets better and better, with a good combination of strong running and tight defence contributing to a top effort. Casey Irvine showed blistering pace on the wing, and another legend Michael Scott played outstanding. Nick McKay used cunning to grab two vital tightheads. Next week they play Taieri again in the semi-finals at home. I'm sure Taieri will be looking for revenge so let's have a crowd of 2,000 there for support.
