A terrific home with awesome sun streaming in. The heat pump + older style fire (on wetback) has got to be cosy. HRV works to spread the air...wow. Galley kitchen flows into the dining space plus one living area. A folding door opens to another lounge. Use as larger living or make into 3rd bedroom. There are 2 large bedrooms, a sunroom plus loads of storage. The bathroom is dated but has Sep shower, Sep bath, vanity & w/c. A utility room leads out to the covered back porch. Garaging is large single with work space + power. Small gardens and does have fencing. With the asphalt drive this makes it very easy care. New roof and the exterior has been freshly painted. Very appealing home. Do your own interior colours. Currently tenanted.

Tena koutou katoa

I hope you all had the opportunity to enjoy the long weekend and the sunshine. Queen's Birthday really does mark the start of winter, although that was hard to believe on Monday. I had the opportunity to enjoy some time with family in Wanaka.

Teen Agri-Sport Challenge

Our Teen Ag Club members organised a lunch time agri sport competition for teams of students. It was great to see the younger students (and Mrs Devlin and Mr Sinclair) out there taking part in the challenge. They completed activities like putting up an electric fence, identifying different tools, assembling a horse saddle and bridle, and naming a range of plants. Well done to all those who took part.

School Blazers – URGENT

We are currently collecting orders for school blazers. At school we have a large range of sample blazers for students to try on to check sizing. The blazers do look fantastic - we would love to see more students wearing them. Orders and money should be in this week. See Connie in the office if you are interested.

Milton Redevelopments

The Clutha District Council are planning some future redevelopments in Milton. Ruth Ratcliffe, the Clutha District Youth Worker, has been asked to gain some thoughts, feelings and opinions from the young people in the area of how they would like to see their town develop. Ruth is going

to work with a Tokomairiro Focus Group to come up with some ideas. Any students are welcome to become part of this group. The group is meeting at 10am on Monday 19 June. The council is supplying morning tea. Let the office staff know if you would like to join this group.

Dunedin Careers' Expo

Year 12 and 13 students attended the Dunedin Careers Expo last week. Students from all over Otago attended and had the opportunity to discuss career opportunities with representative from a wide range of tertiary providers and career experts. The Expo was targeted at this age group, exposing them to possible future career and learning pathways. Students also had the opportunity to visit Toitu Museum and do a tour of Cadburys. It was an informative and enjoyable day.

"I really enjoyed it – I got a lot

of information. Cadbury World was really cool because I had never been there." Year 12 student

RYPEN

Next weekend the Rotary Clubs of Milton and St Kilda are hosting year 9 and 10 students from Tokomairiro High School and Queen's High School at the RYPEN Camp. This programme has been running for 16 years for students from Queen's High School and is the second time we have run the programme for our students. RYPEN (Rotary Youth Programme of Enrichment) is a programme focused on further developing leadership skills in young people. Members of the MALCAM trust are involved in running the programme and we are very grateful to them for their support. We are certainly looking forward to a fun weekend.

Rippa Rugby

Last week we had two teams playing in the primary school rippa rugby competition. All our players gave their best and were wonderful ambassadors for our school. The year 7 team gained third place and the year 8 team gained second place in their respective competitions. Congratulations to all those students who took part.

Hockey

Tuesday evening last week I had the pleasure (even in the drizzle) of watching the senior boys' hockey team play in Dunedin. What a great team of young men - their team work and support for each other was a credit to them all. The game finished in a 1-1 draw against their old foes, South Otago High School. I was very proud of them all. A special thank you to Mr Simpson, and all the other coaches, for the hours of coaching they put into hockey.

Cyber Safety

The following website has a great list of internet safety tips for teenagers. I encourage parents to take the time to read through these and discuss them with their teenagers.

<http://www.cybersafetysolutions.com.au/fact-internet-safety-tips-secondary-students.shtml>

This website is also a great resource for facts about internet safety

Resilience and Wellbeing

Our focus continues to be on looking after ourselves and looking after others, especially during this cold winter term. According to the Wellbeing and Resilience research centre in Australia, *resilience is not one specific skill, but a set of resources and skills that promote: effective problem-solving; adaptability; positive coping; self-regulation; and social support. Research has shown that learning new skills—and practicing those skills—can increase resilience. In particular, focusing on positive coping skills, self-regulation, and social connections can build our resilience.*

Finally

Please be sure to contact us if you have any queries / concerns. Remember, our doors are always open and we welcome your input.

THS Sports Talk

Rippa Rugby

Last Tuesday three Year 7 and 8 Rippa Rugby teams competed at the annual tournament at Balclutha. It was a cold and miserable day but that didn't stop the students (right) getting involved and playing some very good Rippa Rugby. The Year 8 team and the Year 7 Toko Giants both progressed in the semi and quarter finals with the Toko Giants making it into the grand final against Rosebank school. It was try for try until the last minutes of the game when Rosebank a classy team of Year 8 students ran in a couple of quick tries to win the match 9-12. It was a gutsy effort by the fresh faced Year 7 team who will be a force to be reckoned with next year.

Both the Year 8 team who came third overall and the Toko Giants have gained entry to the Otago Rippa Tournament in July being held at the Foysth Barr Stadium. Good luck teams for this tournament.

Representatives

Congratulations to the following students who have made representative teams in South Otago Representative Netball teams; U14 Meg Clark and Kyerah Smith, U15 Clara Scoon, U17 Mackenzie and Tayla Frost, Jorjah Mason-Waru and Nikki Hall. Toko also had a large number of boys selected for South West representative rugby teams U38kg Jackson Nicol and Lachie MacDonald, U48kg Lochie Still, Toby Greene, Quinn Johnston,

Jimmy Flannery and Alex Burleigh. In the U65kg weight grade JD McLeod, Millar McElrea, Keegan Ferguson, Isaac Herbert, Tama Wawatai and Conner Phillips.

Senior Citizens

Twenty-five people attended our meeting last Friday. It was a coldish day, but the rooms were lovely and cosy. We held our usual meeting and a reminder was out for the Clinton trip on Wednesday 14th June, also our Mid-winter dinner on Friday 16th. If you have not yet put your name to attend or wish to bring something along for the dinner please ring Olive Williamson or Jill Aitken. This will start at 12.30pm. Beverly Bouman won the raffle, after a lot of fossicking in her purse for the number, she came up with the lucky ticket. Colin Mitchell was then welcomed to our club, to show us some DVDs he had taken of the old concerts around Milton and the Senior Citizens Choir from 1991. Several members recognised faces from those days, most of whom have now passed on. But it was a great to see these folk and hear the choir once again. There were roars of laughter when there was a take-off of the Medical Survey, which happened in Milton many years back. Oh those were the good old days! He also showed a DVD of Betty and Mervyn Adam (which was taken at Darling Harbour in Sydney) supposedly flying over Sydney Harbour and the Opera House as Batman and Batwoman. This was great to see. Trick photography at its best. Pam thanked Colin and presented him with a bowl of fruit. A wonderful afternoon's entertainment, thank you Colin. Those going to Clinton please meet at the rooms at 9.30am sharp. Our next meeting is June 14th at 12.30pm for our midyear dinner.

Indoor Bowls

Our rep game against Lawrence last Thursday night at the Milton Country Club was played for the Wilson Trophy, and it was a great night of bowls. There were only four teams of four players from each Sub Association. The first round Milton had two wins and a draw and Lawrence had one win and a draw. The second round, Milton had two wins and Lawrence had two wins. Third and final round, Milton four wins to Lawrence no wins. The final score was Milton with 14 wins and 1 draw and 107 points to Lawrence 8 wins and 1 draw and 76 Points. Milton Thursday 15th June there's a "Snowball" at the Milton Bowling Club, 7.30pm. Please come along and support your Sub Assn. Duty Team is Moneymore. Saturday 17th June, 1pm at Milton Country Club, Open Singles. (If you don't wish to play please come along and be a marker). Duty Team St Mary's. Sunday 25th June Milton Country Club 4s. Entries to John Altenburg.
See ya all on the mats. "KITTY"
