

“A” Netball Team Retains Otago Champs Title

The A Netball team recently competed in the B grade of the Otago Secondary Schools Netball Champs at the Edgar Centre in Dunedin. They played some excellent netball over the two days of the competition to secure themselves a spot in the final against Roxburgh Area School. The girls played a gutsy final to come out on top and win the B grade for the second year in a row 24-19. With a number of girls playing their final year of netball for Tokomairiro it was awesome they could pull off this win and secure the cup for a second year. Well done to Sarah Lloyd for keeping the girls on track with some great coaching and Tracey Hall keeping the girls organised and managing the team. Good luck for the South Island Champs coming up in September. The girls will be selling cheese rolls shortly to fundraise for this trip to Christchurch so please support a hard working team.

Left to right; Sally Lloyd, Maria Scott, Nadia Lloyd, Jorjah Mason-Waru, Tayla Frost, Madison Hoera, Kyerah Smith, Tracey Hall, front; Nikki Hall, McKenzie Frost, Jade Findlay.

Performing Arts Evening

Toko's back at it again with an old classic!

We are having a revival of the Performing Arts evening, some of the acts include a performance from the staff band, the year 9 and 10 drama classes, year 7 girls dance group, the Kapa Haka group and more. Don't forget to come on down to the Tokomairiro High hall on the 5th of July and have a great evening. Entry is \$2, doors open at 6:30pm.

St Johns Receive Donation

Recently on the 2nd of June, The Order of St John in Milton received a generous show of support from the Calder and Stewart Social Club by way of a \$2,500 donation. This donation was raised through fundraising efforts during the Social Club's biennial quiz night held in April. The Funds will be used to help St John to continue to provide services to the community.

Soft Materials Success

During the first two terms 7Mo have been busy making book marks and photo frames in their soft materials class. All of the students had photo sessions with an individual shot and a group shot with friends. The photo frames turned out very well and all of the students should be proud of their work. To finish this term the class are going to learn about

how to weave flax and the materials used by early Maori for their clothing.

Winter Illness

Winter illnesses are about and it is important we all look after ourselves. There are some things we need to remember to help ourselves get through this winter while remaining healthy. Don't share drink bottles

When coughing or sneezing remember to cover your nose and mouth with your hand

Wash your hands regularly – our hands often carry germs and these can easily be passed on

Get plenty of sleep

These simple things will help keep you well.

Netball

The Senior A team played in the Otago Secondary School Netball Championships last weekend. The team played extremely well and won the B grade title. The hard games they are having every weekend in the top grade in Balclutha are certainly helping them develop their skills and resilience. Congratulations to all members of the team on their outstanding result. A special thank you to the coaching team of Sarah Lloyd and Tracey Hall, for their amazing contribution to the team.

Overdue Library Books

There are still books overdue from 2016 and the 2016/17 Red Books Reading Programme. Could students and parents check at home and ensure that these are returned as soon as possible. Other students are waiting to borrow these items. Thank you.

Cyber Safety

Last week our message was The Internet Never Forgets. Check out this video for a real example of how a young man learnt this lesson. <https://www.netmartz.org/RealLifeStories/CantTakeItBack>

Restorative Practice Message

"The essence of restorative practices is disarmingly simple: that human beings are happier, more productive and more likely to make positive changes in their behaviour when those in positions of authority do things with them, rather than to them, or for them." (adapted from Wachtel 2004).

Increasingly, parents, caregivers and community groups are seeking out support and direction around managing the young people in their care. Building, enhancing and restoring relationships across any workplace, community group, school or culture, is absolutely essential for a strongly connected, empathetic, functioning society."

(Ref www.restorativeschools.org.nz/restorative-practice)

At Tokomairiro High School we focus on building positive learning relationships across all levels of the school.

Whanau Day

On Wednesday 14 June we had a whole day in our whanau groups doing fun activities. Miss Keene organised eight different activities and each group got to do six of them. We spent about forty minutes at each activity. Some of the activities were learning how play maori instruments, making masks, baking maori bread, making poi, and several different art/craft activities. We also had a chance to visit the museum's starlab which was set up for us in the school hall. When we went inside it we talked about the stars of matariki. Everyone was asked to bring along a plate of food for a shared lunch and we were all entertained by a performance by the school's kapa haka group at lunchtime. We all had a wonderful time and are very grateful to all those who contributed to making this special day such a huge success.

Bible Reading for Today

1 John 3 verse 5

This is the message (we have heard from him and proclaim to you.) That God is light and in him is no darkness at all.

Senior Citizens

On Friday, we held our Midyear Dinner with 33 people in attendance. It was great to see all our honorary members sitting together. There was such a variety of food from steak, sausage, chicken and mince casseroles, potatoes to broccoli and cauliflower in white sauce. For desserts, we had pavlova, jelly, trifle, fruit salad and ice cream. Iwi Mihake one of our honorary members entertained us with a sing-a-long before dessert, then again before afternoon tea where we had a piece of cake made and iced by our President Pam Wells. This was a wonderful luncheon supplied by our members.

We then held a short meeting and a report was given on our trip to Clinton Senior Citizens 20th Birthday celebrations. At this we were entertained by the Winton Probus Men's Choir, their pianist, and also one of their members recited two poems. Soup, bun, and sandwiches for our luncheon, then we practised for the Masters Games coming up in October. A lovely afternoon tea ended a great day out. There were six raffles and the winners were; M Little, E Griffin, L Smart, A Adams, E Griffin, D Allison.

The next meeting is June 30th with Robbie Philips speaking on the Fire Brigade, next committee will be 12 July at 10am.
