

## Stepping Up at the Cultural Competition

The annual Tokomairiro High School Cultural Competition is a great way to celebrate the talent in the school, across the four houses, and every year there is a sense of people “stepping up” – the juniors, new to the school bringing strength from their previous backgrounds and schools, and the seniors, weaving together their prior experience and the new challenges in the group they lead.

Every year the seniors stand up and step up to guide and mentor and hussle their house into the best it can be for the challenges in the four items : the Maori version and English version of the National Anthem, then the school waiata (action song) and haka – with transitions between items being all judged in front of the whole school.

With the eye on the goal and practices over, students of all levels brought their best to the stage last Thursday. All the performances were polished, with whole group participation, some exceptionally so. The solo standouts make the 2018 year memorable, and for the year 13 students, it is their last year to shine on stage.

The mixture of disciplined choreography and “out of the box” innovation did not disappoint this year. Occasionally, a bright harmony could be heard in the singing, and Bronson Blackburn set a new standard by performing the national anthem using “sign” language.

Delighted and supportive audience and family members who

packed the hall were treated to an enjoyable afternoon as strong individual house performances were eventually brought together into the one great cultural expression of pride and accomplishment. The final rousing whole school waiata, led by the winning female kaea (Jorjah Mason-Waru) and then the whole school haka led by winning male kaea (Joseph Lomas-Carr) filled the hall with fantastic energy, with a spontaneous response led by other senior students and Kapa Haka members.

Full respect for all the kaea, and house groups. While the overall point’s winner is to be commended, it is important to note that competition was neck and neck in many aspects and all students should feel pride in their house performances.

Well done Josh and Jade (Ayson), Joseph and Sariah (Reid), Caleb and Jorjah (Ross) and Ben and Alicia (Malcolm). To the seniors leaving – you left your legacy. “By your contribution, and by my contribution, the task is complete.” All that remains is to wish everyone well as they “step it up” again next year in the challenges ahead.

Kia kaha, kia manawanui.

### Results

Winner overall - Ross, Anthem - Malcolm, Haka = Ross and Malcolm, Waiata - Ross, Kaea (Tama) - Reid, Kaea (Kotiro) - Ross.

Winning kaea below, Jorjah and Joseph

# Tokomairiro High School Newsletter ...

## Tena koutou katoa

We are now into week four of term three. It is lovely to see the mornings lighter and the twilight lengthening. Spring is certainly nearing, evidenced by the daffodils and lambs.

## Health and Wellbeing at Tokomairiro High School

Health and wellbeing of students, and in fact all members of our school community, is high on the agenda within our school. Over the past few weeks a number of opportunities and resources have come to the fore and we are very grateful for these.

### Sanitary Items Provided

This term, we have become part of the Dignity NZ women's wellbeing initiative. Dignity NZ have partnered with St John to help remove a barrier to some of our girls being in school by providing free sanitary items to those in need. Dignity NZ provides a women's wellbeing initiative, which allows corporates to purchase a subscription to have sanitary items provided at their workplace, and in turn support a "buy one, give one" model to provide sanitary items to girls in secondary schools who are going without. The initiative aims to help some girls who cannot afford these items and, in some circumstances, do not attend school due to lack of access. St John South Island community programmes manager, Suzy Mitchell, said the partnership is a natural fit with existing programmes building resilience, creating equitable access and improving health outcomes in young people. We are thrilled to be part of this programme here at Tokomairiro High School. We know it will make a difference for a number of our young people and remove a barrier for some of them in terms of being at school engaged in learning.

### Public Health Service

The second initiative to have come our way is that of increased funding for school-based health services. Our Public Health nurse, Lisa Sell, will now have an extra clinic in our school and will be available for students to visit every Thursday.

Initially, all year 9 students will go through a health assessment with Lisa. Year 9 Health assessments will be around all aspects of health ie, physical and mental, and with parental consent. Lisa will also have an educational role, working with groups of students around specific health issues as required. She will also be available for students to make an appointment if they have health concerns. More information about this initiative will come out to parents very soon.

We are thrilled that this extra support for our young people is being made available in our school. Please feel free to contact us if you have any questions about these initiatives.

### Tokomairiro Connected Communities

Our year nine and ten digital tech students have put in a massive effort over the last three weeks in getting a new initiative off the ground called Tokomairiro Connected Communities. The aim of this group is to promote students running activities that help our school or wider community come together through any idea which supports the aim of the group. In this class we have people

designing a website, producing a promo video, repainting a wall with some art work, organising a house competition and planning a nerf gun fight for the juniors. In a short time they have been involved in this project they have produced some outstanding results and already are reflecting on the process in class. Watch this space for what they could do next!

### Cultural Competition 2018

What a wonderful afternoon we had on Thursday when each of the house groups performed the national anthem, the waiata and the haka. The pride the students had in their house was clear and it was great to see students of all levels taking leadership roles. This year was a very close competition and, at the end of the performances, it was very hard to tell who had won. However, as the judges points were collated, it was congratulations to Ross House who took out the overall competition, (*other results on the front page*).

### Science Fair Results

Congratulations to all those students who were selected to take their science projects through to the Aurora Science Fair in Dunedin. Fourteen students took thirteen projects through and came away with eleven prizes for eight of the projects. This is an outstanding effort in a huge field of projects from schools across Otago. A full prize list will be published next week.

### Senior Reports

These are being sent home this Friday. **A Parent, Teacher and Student Evening for senior students** is being held on **Tuesday 21 August from 3.30pm through until 6.30pm**. You will be able to make appointments with subject teachers and House Group teachers through the School Interviews web link. We encourage all parents of senior students to make the most of this opportunity. You will be able to make appointments with subject teachers and House Group teachers through the School Interviews web link – [www.schoolinterviews.co.nz](http://www.schoolinterviews.co.nz) Password 3e9mu.

We encourage all parents of senior students to make the most of this opportunity.

### Senior Examinations

Term three is a very important term for our senior students as they head towards the business end of their study and assessments for their qualifications this year. The senior examination period is scheduled from Wednesday 12 and Tuesday 18 September. This is very important as preparation for external examinations early in term four and also an opportunity for students to complete internal projects and assessments.

### School Uniform for 2019

Apologies that this information is not out yet. We are waiting for final quotes from a supplier before we send the information out to parents. As soon as this is finalised we will send a flier to all current and prospective pupils.

### Responsibility

This term we are focusing on the school value of responsibility. In assembly this week we looked at how **accepting personal responsibility** is taking ownership of your own behaviour and the consequences of that behaviour. Until you **accept responsibility** for your actions or failures, it will be very difficult for you to develop self-respect or even have the respect of others. The real difference between being responsible and being irresponsible is an indication of how effectively we are managing our lives when the opportunity to make a good or bad choice presents itself. Accepting responsibility is one of the most important factors in defining a person's true character. When that responsible moment comes, what you do – or don't do – is an indication of the type of person you really are.

We will continue with this focus over the next few weeks.

Remember our doors are always open. Please contact us if you have any concerns.

*Nga mihi*

## NZQA FEES

All NZQA fees need to be paid to the school office by **Monday 3<sup>rd</sup> September 2018**. The fee is **\$76.70** unless you qualify for financial assistance as explained below.

### Financial Assistance

Who can apply for financial assistance?

Financial assistance is available to assist with the payment of entry fees for National Secondary Schools qualifications. To be eligible to apply you must be the fee-payer and meet at least one of the following criteria:

Be receiving a Work and Income or Study Link benefit (benefit based applications).

Have a joint family income that would entitle you to receive a Community Services Card (income-based applications).

Be a fee-payer with two or more children who are candidates, irrespective of family income (multiple candidate applications), where the total fees you would have to pay would otherwise be more than the \$200 multiple candidate maximum.

You cannot claim financial assistance for international fee-paying students.

### How Much Will I Need To Pay

If you qualify for financial assistance and have **one** child who is a candidate, you will pay **\$20.00**.

If you qualify for financial assistance and have **two or more** children who are candidates, you will pay a maximum of **\$30.00** per family.

### How Do I Apply For Financial Assistance

Complete an application form (available from the school office) and return it along with your money to the Tokomairiro High School office.

## CUPS & TROPHIES

Please return all cups and trophies, awarded in 2017, to the school office as soon as possible.

## Bible Reading for Today

## St John Life Membership

Brian McLeod received a Life Membership for his dedication to St John Milton last Tuesday evening.

Brian joined St John 30 years ago, he started as a driver on the ambulance and then moved on to be a committee member and served as Chairperson for nine years.

Brian became a Serving Brother now known as Member of St John, at an Investiture at Knox Church in Dunedin in 2008.

Brian has also received the Paul Harris Fellowship from Rotary for his services to St John.

## Support Daffodil Day

To support the Cancer Society's Daffodil Day appeal, the Milton group of supporters are once again asking for your help to run the annual August street stalls. The Milton Businesses have responded

again with generous donations for prizes for the Monster raffle.

The Stihl shop will again be our collection point thanks to John and Christine. We need you bakers, stitchers, gardeners and crafters to supply the Annual Street Stall sale outside SuperValue on Friday August 31<sup>st</sup> starting at 9am.

As with every organization we lose some members each year, so I'm also appealing for collectors to give a couple of hours at the street stalls.

A meeting of volunteers will be held on August 21<sup>st</sup> Tuesday at 1.30pm in the Elder Care rooms. New volunteers are most welcome.

For further information contact: Peter Mallon, 417 8181 - 021617887 or [maryrose6@xtra.co.nz](mailto:maryrose6@xtra.co.nz)

## Elder Care

With Queen's birthday weekend in June it was a short month for Care. The usual game of housie started the week and Sylvia and Eddie, and Trevor Graham were our entertainers for the month. A mid-winter dinner was enjoyed by all present, as was the pea, pie and spud lunch. A trip finished the month.

In July, we had two games days and a meal of fish and chips at the rooms, a trip out for lunch to Mosgiel, several entertainers and a market day which is a great help for our coffers.

This month we are having our 24<sup>th</sup> birthday.

Once again we are looking for some more volunteers for Care. If you can help please come and see Ruth at the rooms on Mondays or Wednesdays. Also, Care is planning to hold a fair on 13<sup>th</sup> October and are asking for donations of goods for a white elephant stall, any goods would be gratefully accepted.

We are also still looking for donations of wool, this can be left at the rooms.

## News from the Trenches

Belated congratulations goes out to Ian Goddard who had to withstand a fair amount of pressure to outlast the opposition and take out the Super Rugby Tipping competition. There is a rumour going around that the score sheets have disappeared that same evening, they may have been taken by the winner as a memento - a police enquiry has been launched.

Our next rugby tipping competition kicks off this Thursday, so you haven't got long to get your name down. The NPC competition is short, and sharp - bit like the president - and it's all over in a couple of months.

If you are not doing that, then you must be putting the final touches to your secret bacon n egg pie for the competition which is rapidly approaching on Saturday 25<sup>th</sup> August. This year there is a top secret judge, so come along and watch the All Blacks vs Australia on the same night.

The Land Raffle is selling quickly with only a few prime sections left, so don't hesitate to grab some. There are plenty of things happening down at the RSA, with a possible quiz night coming along in September - more details to follow shortly.

If you have any information for Private Pike, just send me a coded message and my sources will always remain in confidence.

*Private Pike*

## The Rebus Club of Milton

President Stu Michelle welcomed members to the July meeting and mid-winter meal. After the brief meeting, the main course of ham and chicken was served.

The speaker, Bruce Vollweiler, one of the Milton representatives on the Clutha District Council, was introduced and gave us a brief background of his personal history in Milton.

He talked about issues which are being considered at the moment, including those that affect Milton directly. These included the upgrade of Milton's main street with new toilets at Stewart Reserve, the extension of the Milton water supply pipeline to Waihola to take the pressure off the North Branch supply, the increase in dog registration to cover the running costs and the re-drawing of ward boundaries to better allocate representation (this results in a drop in Milton's rates, with a small increase for those in Waihola.) Also 5.7 km of urban boundary roads is to be undertaken throughout the Clutha district. These changes are being made following consultation with the public and submissions are still welcomed at this stage.

Bruce welcomed questions from the floor and answered them all to the best of his ability. He also told the members about the money that has already been allocated to Project Bruce, the Centennial Hall for waterproofing and the cycle trail from Lawrence to Waihola. Bruce was thanked by Alan Strain and presented with a fruit basket. Desserts were then served and appreciated, with coffee or tea for those who wanted it.

The meal catered for by Kelly's Kitchen and held in the Country Club, was most enjoyable with many favourable comments. (Thank you Kelly and Alana).

The raffle was well supported and tickets quickly sold. The winner of the diffuser (generously donated by Paul Greaves, a previous speaker) was Alan Strain.

The next meeting is on Tuesday 21 August in the RSA hall at 10am. (Committee please meet at 9.30 am). The speaker is Jill Divers who recently visited Myanmar to help build a house for Habitat For Humanity.

# End of Season Rugby Wrap Up

## Senior Rugby Team

Toko have battled away to a degree this season. They have struggled for numbers thanks to an unbelievably unlucky pre-season injuries wise and with injuries picked up throughout the season. Very rarely did they have a full bench to call on. They have done amazingly well for a team regularly suiting only three reserves. They lost the first two but then scored a nice win over Clutha Valley who were flying high. They won two more close games in the first round against Clinton and Owaka to keep them in top four contention. As lethargy set in they could only pick up two wins in the second round. The 49-7 defeat at home to Owaka ended their top four chances. They still fronted right until the end where they played with 17 players (some crook) against Clinton in the bottom four final. It's a testament to this group of players to play through a situation like that. I'd imagine the Toko management and supporters will be proud of what their squad did this season.

Many people may have potentially thought Toko were taking the proverbial by announcing that Jacob Jenkins would be playing on the wing for them. He was there to fill a gap and that's all. Well! Let me tell you something, Jenkins has had an unbelievable season. He scored 11 tries, some of them from over 50 metres, he crushed defenders for fun and was a real asset out wide for his team. He grew with confidence over the season and really stood out. I challenge anyone in the over 100kg club to beat him in a 40m dash. James Agnew has had a storming season also. His set piece work improved and his willingness to get his hands on the ball is infectious and he led by example. He was a major stand out in the Southern Development team at Topp Cup weekend also. Matt Lyon once again trucked away all season. He is an asset to the Toko club and when he is on form there are very little better. Jacky Scott has again been an impact player from the back. He has individually turned games in Toko's favour. None more so than in Owaka where he scored one of the prettiest hat tricks you'll ever see. The Shaw brothers in their first season back were tidy and I saw enough out of veteran Simon Scott in Toko's last game to suggest his rugby career is far from over.

Murmurs are flowing already which is good because it shows people are excited. Rumours of big names returning from town coupled with big names stepping up from the B side could give Toko a much needed boost of numbers. They are three to four players away from mounting a serious charge up the table. They came oh so close to a top four spot with their squad this season. Imagine what they would be capable of if they found 22 players each week.  
*The Dribbler*

## Under 13s Rugby

In the final club game of the season Toko Under 13s hosted Clutha in the final of their grade. This Toko team is made up of some outstanding youngsters and were red-hot favourites to carry out with the victory.

Clutha tried to unsettle Toko initially by making them wait for them to run out to commence play, or perhaps they were looking for a few extra players in preparation for what was about to unfold over the course of the next 80 minutes.

Toko started off like a house on fire, and quickly got out to a 39-7 lead at halftime. Miller McElrea was paying \$1.09 at TAB to be the first try scorer, and but he was temporarily upstaged by Toby Greene who scampered over for the first try. Then the Miller McElrea show kicked into gear and this guy who has freakish ability on the rugby field proceeded to score the next nine tries - yes you read that correctly! Toko ran out comfortable winners 61-12. They completely dominated every phase of play and Clutha literally had no answer. Clutha never gave up, but were clearly outgunned.

This team is chock full of budding rugby stars with the player getting most of the plaudits - Miller McElrea who is described as having blinding pace, and ability to sidestep at high pace which makes him impossible to tackle. He also shows strength to rip ball off opposition players. His total tries for the season are over 200, this is testament to the fact he is virtually untouchable.

But rugby is a team game and there are many other outstanding candidates. Both props, Seth Rogan and Hone Tuwhangai were also absolute power houses with ball in hand, bouncing off would be tacklers. Seth Rogan had one barnstorming run of almost 40m that deserved a try. Also he was responsible for one thumping smashed 'em bro tackle.

The loose forwards Jackson Nicol, Brodie Ferguson, and Toby Harrex hunted like a wolf pack absolutely tackling everything in sight and gaining crucial turnovers. The rest of the forwards Ryan Clark, Josh Lister, Jacob Murray were into everything and doing a lot of hard work in the scrums and lineouts. Toko forwards were a blue/yellow swarm.

Into the backline full of rock stars. Toby Greene had a bullet pass and was full of sniping runs. If you know his breeding, this won't come as a major surprise. Lachie MacDonald was a steady influence at 10. Alex Burleigh started off on the wing but used his experience in midfield to steady the ship and set up those outside him. Lachlan Still and Quinn Johnston ran hard and were very elusive with their skills on attack. The rest of the squad Reihana Kiri, Wyatt Mallon, Samuel Norman and Connor Milburn carried on the good work of the rest of their teammates.

This performance was a complete team performance and highlighted the number of many very talented juniors coming through the club. It would be a shame if the club lost these kids to other teams and we should try and maintain this team together for future years. Always good to beat the old enemy Clutha in a final.

Congratulations to the team and coaches Tony Nichol and Laurie Ferguson. Special mention also to the young female referee Laura Horton from Dunedin who also did a great job and showed excellent promise as a referee.
