

## Senior Football Spirit Still Lives On For Milton

Tokomairiro students have once again, received sporting accolades. At this years Mosgiel Junior Football Club prize giving Toko students made their presence known with Ethan Walker being named MJFC Youth Grade Player of the Year and Patrick Norman - Most Improved for the 2018 season. This years MJFC Youth team had a very strong Toko presence with five of their main players hailing from Milton. Ethan Walker (captain for the season), Kain Walker (past -student) Callum Davie, Aaron Taane-Carr and Patrick Norman started the season along with seven Mosgiel resident players. Though they had a very up and down season trying to establish themselves in the Dunedin Youth Grade (ages 16-18 years) competition, alongside some very strong teams that had played together for a long time, they proved that they have good potential if they can continue together in the future. A shortage of players was part of the reason for their inconsistent season, as often players were being borrowed from other teams to make up numbers, but with the addition of Alex Scholten, for part of the season as goalkeeper and the odd game from now past-student Callum Soon, they showed signs that there is strength in their numbers.

## Lake to Sea Trail Bike Ride

Preparations are underway for the Lake to Sea Trail Bike Ride. This is a fundraiser for Tokomairiro High School on Saturday October 27, guaranteed to be a great day attracting hundreds of riders from all over Otago and Southland with tracks for juniors right through to expert riders.

To make this possible we need volunteers to help out especially marshalling, if you have done this before and are happy to help again or are interested in doing it please register your interest with Griff 027 503 6022. We will also need helpers on the day for registrations, lunch and tea spots. If you are able to help, please contact the school office on 417 8620 or email to [pta@tokohigh.school.nz](mailto:pta@tokohigh.school.nz).

Entry forms are now available to download off the High School website with a new option of being able to register online [www.tokohigh.school.nz/2018-trail-bike-ride](http://www.tokohigh.school.nz/2018-trail-bike-ride) You can also find it on the [www.myrides.co.nz](http://www.myrides.co.nz) calendar and keep up to date with the Lake to Sea Trail Bike Ride Facebook page. If you pre-register this year, you go in the draw to win your entry fee back!

The Trail bike ride is a major fundraiser, money raised is used by the PTA to part fund all school camps and field trips to fulfil NCEA credit requirements. It is also used to purchase equipment and subsidise travel expenses for sport and cultural activities.

## Tena koutou katou

We are now into week nine of term three. The senior exam period finished on Tuesday and students will be getting results of these assessments over the next week. It is important the students take note of the feedback from their teachers and use that advice to prepare for external examinations in November.

## Year 10 Camp

Our year 10 students are back from a very successful camp at Tautuku for their outdoor education camp. There are many great photos on the school facebook page. It certainly looks like the students had a great time. Thank you must go to the teachers and parents who gave of their time to support the camp.

## Performances and Trips

On Wednesday this week we have the **Kaboom Percussion Performance** in the afternoon for junior students, followed by the **Performing Arts Night** at 7.00pm. This will be very entertaining and I encourage you all to come along.

On Wednesday afternoon, the **year 11 physical education class** is heading to Wanaka for their **Outdoor Education ski trip**. These students are completing assessments required for achievement standards covering planning and leadership. On Thursday, the **year 13 geography/tourism trip** is heading to Queenstown where they are carrying out an investigation of the tourism Industry. They will also complete achievement standards as a result of this trip.

## Senior Course Selection for 2019 Booklets

These were issued to years 10, 11 and 12 students on Monday last week. It is important parents spend time looking through these and discuss different programmes with their young one. Parents have also had some extra information

emailed home. The senior course selection booklet can be downloaded from our school website. Students' option choices must be in by Thursday 20 September. <https://www.tokohigh.school.nz/course-selection>.

## RYDA

On Tuesday 25 September all year 12 and 13 students will be attending the RYDA Programme (Road Safety) at Telford. The students will take part in six interactive workshops ranging from Speeding and Stopping and Rights and Responsibilities, through to Genevieve's Story – the story of a young driver and passenger involved in a road crash. Thank you to the Milton

Rotary Club for supporting with the cost of transport of the students to Telford.

## Student Representative on the Board of Trustees

Congratulations to Clara Scoon, the new Students' Representative on the Board of Trustees. Clara will take over from Josh Cross this week. Thank you must go to Josh for his contribution to the BOT over the past year.

## PTA Fundraiser

The **Lake to Sea Trail Bike Ride** is taking place on Saturday 27 October. This is the major fundraiser for the Tokomairiro High school PTA and we are very grateful to Griff and his team for the wonderful job they do in setting up the trail. We do need members of the public to support us by being available to help on the day. If you are able to help please contact Connie in the school office - 03-417-8620.

## School Uniform for 2019

Apologies that this information is not out yet. We are waiting for final quotes from a supplier before we send the information out to parents. As soon as this is finalised we will send a flier to all current and prospective pupils.

## South Island Representation

Congratulations to Taumarewa Kershaw who has been selected to play in the South Island U18 Rugby Team. He will be playing in a tournament in Christchurch beginning on 2 October. Well done, Taumarewa – this is an outstanding accomplishment. We are proud of you!

Remember our doors are always open. Please contact us if you have any concerns.

## Tokomairiro Gym

The days are drawing out and getting warmer so it's time to think about an exercise regime. Our hours are 7am till 8pm Monday, Wednesday and Friday 8am till 8pm Tuesday and Thursday and 9am till 12pm Saturday and Sunday.

We have a good range of cardio and weights equipment for variation and toning etc. Feel free to pop in for a look around at any time. A family of four can use the gym for \$60 per month if they take out a membership for one year. There are many other options available for membership deals. Call in to inquire – you will find us on Park Road. See the signs on Union Street and our Park Road entrance.

Keep Moving continues to run on a Tuesday from 2.30 till 3.30pm and is fully supervised by the gym manager. This class is especially suited for the older generation and the cost is \$3. The exercises we do are balance and strength related and are approved exercises from Wellsouth. Tai Chi also continues to run on a Thursday from 10–11am. The cost for this is also \$3.

The gymnasium is available for hire at \$20 per hour from 5 till 8pm or on the weekend from 9am till 12pm. Please phone on 417 7066 if you would like to book for any activities. If anybody knows someone who needs a venue to start something up – please make them aware this great facility is available.

## Milton Primary School

On 12 September the Year 5 and 6 children visited the Otago Museum and the Dunedin Art Gallery. The purpose of these visits was to support our conceptual focus for this term which is "Past, Present and Future." Our first stop was at the museum where we enjoyed our three quarter hour visit to the planetarium. We learnt many interesting facts about our solar system and about how to identify various constellations. Another context we have been studying is "Ancient Civilisations" and we were fascinated to learn about the Egyptian tradition of mummification.

At the art gallery we discussed many aspects of life in space. John told us stories about Matariki, taught us an action song, and how to play the theme to "Star Wars" on bells. We looked through some 3D glasses to see the world as an alien would see it and we listened to some "alien" communications. We then returned to the classroom to complete a stunning mural depicting assorted spacecraft and creatures.

It really was a very interesting and worthwhile trip and we

look forward to continuing our studies on these topics back at school for the remainder of the term.

## Tokomairiro Urban Backyard

Another awesome turnout for the Working Bee held last Sunday. The Backyard Taskforce came armed with grubbers, spades and forks and immediately got stuck in, removing the grass from the marked out vegetable beds. The ground was hard in places but was no match for the grubbers and the team made short work of digging over the soil, getting it ready for the planting of spring veggies. After a group cuppa, a sausage and a planning meeting, the group finished off a great day with a topping of compost, dug into the newly formed beds. Several children put in an awesome effort in sorting the beds and one young man, Jacob, was particularly determined to remove a tree stump that was situated in an awkward spot. (see page 4 photo)

The next Working Bee is planned for Saturday 29th September at 10am - also the Project will be presenting a FREE workshop at 11am – Planning a New Vegetable Garden followed by a cup of tea and shared kai. All are welcome. Tokomairiro Urban Backyard Project, 17 Tokoiti Road, Milton – sign will be out. For further details phone Nicky Lockerbie 027 434 8143 or join the Facebook group (Tokomairiro Urban Backyard Project).

# Milton Senior Citizens

Our fortnightly meeting was held on Friday 14th September with 22 members attending. The usual business meeting was held and we sang Happy Birthday to two of our members. We have had word of a Seniors Driving Course coming up on Wednesday October 24th from 10am-12.30pm with lunch provided afterwards. Further information and posters will be arriving soon. Keep an eye out for these. The raffle was won by Audrey Adams, and she drew her own number out - clever lady. Pam then welcomed – Laura Hogue an Occupational Therapist – the Falls and Fracture Prevention Coordinator, from WellSouth. She had available, exercise sheets that one can do in the home if you were unable to go to the gym or an exercise class. She spoke about her job and the prevention of falls for the elderly. Also she suggested we should talk to our doctor about the medication we are on and to check what all the pills we are taking are for. This was a very interesting talk. Pam thanked Laura and presented her with a fruit basket.

Our next meeting is on September 28, 12.30pm, for a shared finger food lunch, with a quiz to follow, by our own Quiz Master, Colin Heads.
