Turf Project Reaches Exciting Milestone

Our new turf project has taken another major step forward this week.
The underlay has now been fully installed, and a significant portion of the turf surface is already in place. The progress is exciting to see, and the finished facility is beginning to take shape.

Adding to the good news, we were fortunate to receive a $12,000 grant from The Trust Community Foundation. This generous support has enabled us to purchase new netball and hockey goals, ensuring our students and community will benefit from high-quality facilities for years to come.

Free Dental Care for Teens

Is your teen enrolled at a dentist? Did you know dental care is FREE for teenagers from year 9 until their 18th birthday at a private dentist? This also applies if your teen doesn't attend school.
When they start year 9, they no longer attend the dental bus/Community Oral Health Service.
If you would like to enrol your teen, call us at Lumino the Dentist Milton on 03 417 8290 or visit www.lumino.co.nz to book your free dental check up today.

KINDO introduces Autopay

Autopay automatically allocates funds from your Kindo wallet to your school's payment requests — so you don't have to log in and do it yourself each time. Setting it up takes just a few minutes, and you can pause or adjust it at any time.

Autopay works best for families who have a regular automatic bank transfer set up into their Kindo wallet. Once funds arrive, Autopay handles the allocation for you.
Enter your payment share for each student. Most caregivers can leave this at 100%. If you share a student's school costs with someone in another household, set this to your portion only.
If you'd like to keep a set amount in your wallet untouched, enter this in the *Wallet reserve* field.
For more information on Autopay, visit hello@mykindo.co.nz or helpdesk@kindo.co.nz

kindo

Have you signed up to Kindo yet?

Kindo makes it easy - make full or part payments, register for school sports and support fundraisers.
Kindo is easy to set up and use. Just visit our website or use the QR code to join.
Use the 'create account' option to set up an account.

Call in to the school office, or visit helpdesk@kindo.co.nz or hello@mykindo.co.nz, or phone 0508 454 636.

Reusable Bag Fundraiser

The SPEC class has made reusable bags to fundraise for an upcoming Taieri Gorge train trip. We used recycled fabric to make the bags, cutting patterns, pinning, sewing and adding straps and pockets. Bags are $10 each - if any members of the public are keen to purchase please email kingp@tokohigh.school.nz

Tokomairiro High School Newsletter
17th June 2026

RESPECT WHAKAUTE · RESPONSIBILITY HAEPAPA · EXCELLENCE HIRANGA

Tēnā koutou katoa,
As we head towards the end of another busy and successful term, there is plenty happening across Tokomairiro High School and much to celebrate.

A Fresh New Look for the Gym
During the July holidays, our school gymnasium will receive a long-awaited internal repaint. It has been many years since the gym was last refreshed, and this upgrade will give one of our busiest facilities a well-deserved facelift to complement our impressive new turf development.
While the gym will be unavailable during the holiday break, we are excited to see the transformation and know it will be appreciated by students, staff, and community groups who regularly use the facility.

Winter Sports Success
Our winter sports teams continue to achieve outstanding results.
The Senior A Netball team has made an excellent start to the season, currently sitting at the top of the table in both competitions they are competing in. Their strong performances have earned them the opportunity to be promoted in the Balclutha competition for the second half of the season; an exciting challenge that reflects the hard work and commitment shown by the team so far. With plenty of netball still to be played, the girls can be proud of what they have achieved to date and look forward to building on this success. Their impressive form should also provide a confidence boost as they prepare for their upcoming trip to Australia during the July holidays.
A huge thank you to Whaea Clare and Mrs Milligan for the time, commitment, and support they continue to provide through their coaching and management of the team.
We are also delighted to celebrate five Tokomairiro High School students who have been selected for the Under-15 South Otago Schools Rugby Tournament Team. They will represent us in the amalgamated team at the tournament on the West Coast in August, and we wish them every success.

Chess Players Shine at Otago Tournament
On Sunday, four of our students represented Tokomairiro High School at the Otago Chess Tournament.
Competing against 18 schools from across the region, our team achieved an outstanding fifth-place finish in their first appearance at the event. Throughout the day they demonstrated impressive skill, strategic thinking, and resilience against strong competition.
Congratulations to Kalya Gamage, Jacob Booth, Eason Gong, and Jackson Savage for representing our school with such pride.
Thank you also to Mr Simpson for supporting the students throughout the tournament.

Cultural Competition Approaches
One of the highlights of the school calendar is almost here.
Preparations are well underway for our annual Cultural Competition, with students from all four houses dedicating countless hours to perfecting their haka and waiata performances.
This event is a proud Tokomairiro High School tradition, celebrating culture, teamwork, commitment, leadership, and house pride. It is always inspiring to see students of all year levels working together, supporting one another, and striving towards a common goal.
As competition day approaches, house spirit is becoming increasingly visible around the school, creating a real sense of excitement and anticipation.
The Cultural Competition will take place on Wednesday 1 July, beginning at 1.00pm. Whānau and community members are warmly invited to attend and support our students.

Mid Year Reports
We are currently making some significant changes to the structure of our mid-year reports for Years 7–10. These changes are designed to better align with the new English and Mathematics performance indicators being introduced nationally. Because data from the new SMART testing system will not be available until close to the end of term, mid-year reports will now be published at the beginning of next term.
In the meantime, NCEA students can continue to monitor their progress through the NZQA portal, while the Parent Portal provides families with up-to-date assessment information throughout the term.

Ngā mihi,
Vicki Wish

NELLY GRAVES

SUCCESS PROFILE

L1 **ART**

ENDORSED WITH MERIT

SIX SUCCESS TRAITS THAT REQUIRE ZERO TALENT:

SHOWING UP

Showing up consistently played a big role in helping me earn an endorsement. I was present and willing to contribute whenever I could, & I made it a point to always be engaged and participating even when I didn't quite understand. I demonstrated my work ethic, which helped my teacher recognise the effort I was putting into my work.

BEING ON TIME

Being on time helped me make sure I was not missing out on anything important. I learnt that arriving prepared and managing my time well made a big difference in how I approached my work as I was always prepared and organised.

BEING PREPARED

Being prepared showed that I was serious about my learning and willing to put in effort so I could succeed. I made sure to have everything I needed and to understand what I was learning. This overall helped me to be more confident as I understood everything a lot more clearly and did not put myself under a huge amount of pressure.

BEING PASSIONATE AND ENTHUSIASTIC

Being passionate and enthusiastic helped show that I cared about my work and was eager to learn. Always having a hopeful and positive mindset motivated me to approach my work with a positive attitude and encouraged me to always try my best.

PUTTING IN THE EFFORT

Putting in effort showed that I was committed to my learning and wanted to try my best. I worked hard to complete my work to the best of my ability and did not give up when things were challenging. By consistently being focused and trying my best, I was able to develop skills and progress over time. That motivated me even more to try my best.

WORKING HARD

By working hard I showed how dedicated I was to my learning and how much I wanted to improve. I made a consistent effort to stay focused, complete my tasks and always try my best, no matter the challenge. I did not give up, I pushed myself to try and understand everything, but also asked for help. My hard work helped me make steady progress and showed my determination.

Toko Rugby Club Report

It's been 3 weeks since Toko Premiers played footy and I was wanting my Toko Fix. Owaka sauntered into town hoping for a repeat win of the first round encounter.
Toko looked too start positively and opened up an early 12-0 lead through tries to Jared Hayes and Teimana Rewita. Owaka responded with a try as halftime score was 15-5 to Toko. Toko regrouped at halftime and the second half was a tight affair before Toko stormed home with late tries through Dylan Greer, Damon Clement and McLeod Glaister to run away with a convincing 34-12 victory.
For Toko the loose forwards ruled supreme both on attack and defense. In the backs Teimana Rewita barged with power before going off hurt. McLeod Glaister showed great nous with his tactical kicking.
Next week Toko Premiers travel to Outram to take on West Taieri which promises to be a Titanic battle.

News from the Trenches

Plenty of fun times rocking the RSA this week that I will struggle with making sure everything gets captured and I don't end up getting ejected.
The final week of our Super Sports Comp has come crashing through the door with the stress levels getting to a high level with some entrants. Other candidates have quietly confided they aren't in the running. As Chief marker, I'm not so sure people actually know who's leading. All will be revealed on Saturday 27 June. Make sure you are there dressed in your Hawaiian gear.
Our next competition is open for entry and it's been expanded to include International Rugby along with the NPC Comp. Get your name included, sheets are available. The Creator of this Comp has triple checked the matches.
Finally it doesn't pay to travel away from Milton area for one of our RSA members. This person flew to Auckland where they picked up a rental car heading to Mount Maunganui. Instead taking 3 odd hours, he ended up getting lost taking over 5 hours. There was a rumour saying he was closer to New Plymouth.
My legal team has recommended I don't reveal names but there is at times false accusations being bandied about. Maybe I need to clarify who they are. This is still up for legal discussions.
Private Spike Pike

Milton Indoor Bowls

With only one round for the J. K. Clark shield to go, Glenledi narrowly leads with 4 points ahead of both the Country Club and Moneymore who have 3 points.
Last week saw Glenledi defeated Moneymore 6-2
Lawrence hosted Milton for the Wilson Trophy on Thursday night, games were very tight all night.
Graeme Hill, Ray Low, Judith Hand and Maree Hill beat Avis Rishworth and Eileen Grant and lost to mark Hay. Allan Philip, Gary Foster, Stephen Woodhead and Carol Rutherford beat Doug Joyce and lost to e. Grant and M. Hay. Alistair Allison, Barbara Read, Elizabeth Read and Raymond Perry beat D. Joyce and A. Rishworth and lost to E. Grant. Murray Scott, Russell Copland, Dave Sutherland and Alwyn Read beat M. Hay and lost to A. Rishworth and D. Joyce.
After they had played three games each they tied 12 points each,on a count back on ends won Milton won the Wilson Trophy 52-44.
The Nationals finished on Saturday with Peter Grant from Milton Country Club the only South Otago entrant.

Council Updates & Notices

Updates from the Clutha District Council | Stay Informed, Stay Connected

CREATIVE COMMUNITIES SCHEME

Do you have a creative arts project in mind?

You could be eligible for **funding between $200 - 5,000!**

The Clutha District Creative Communities Scheme third funding round for 2026 is **closing soon!**

To qualify projects must:

- Be in the Clutha District.
- Be started and completed within 12 months of funding approval.
- Any group, organisation or individual can apply.

Visit **www.cluthadc.govt.nz/creative-communities** to find out more and get an application form, or phone Council on 0800 801 350.

Applications close 5pm, 19 June 2026.

ARTS COUNCIL NEW ZEALAND TOI AOTEAROA creativeNZ

RECYCLING AT TRANSFER STATIONS

***RECYCLE RIGHT* & KEEP YOUR TRANSFER STATIONS OPEN**

Residents can recycle clean paper, cardboard, plastics 1, 2 and 5, and aluminium and tin cans at transfer stations in Clinton, Lawrence, Milton, Ōwaka and Tapanui.

Glass and plastic lids are not accepted, so please leave them out to help avoid contamination.

The Milton Transfer Station as of 9 June is now on its second strike warning because glass was put in the yellow-lidded bins.

These sites operate under a three-strike system, and if a station receives three strikes for misuse or contamination, it may have to close.

Glass recycling for the District is being looked at for the future, but it is not expected to be available until 2027.

Please only drop off accepted items so this service can stay available for local communities.

Visit **www.cluthadc.govt.nz/rubbish-and-recycling** for hints and tips on recycling, or get in touch directly with council's Waste Team on 0800 801 350.

www.cluthadc.govt.nz | **Phone:** (03) 419 0200 | 0800 801 350 | **Address:** 1 Rosebank Terrace, Balclutha 9230, PO Box 25, Balclutha 9240
